Jungle Night Sandra Boynton, 2023-06-20 Two celebrated artists, Sandra Boynton and Yo-Yo Ma, come together for *Jungle Night*, a soothing bedtime board book. (Okay, MOSTLY soothing.) This board book guides us through the jungle to hear the distinctive, gentle snore of each animal: “Listen to the tiger: ZEEE-ZOOO-HAAA. Listen to the cheetah: CHEE-CHEE-TAAAH.” A free downloadable recording at JungleNight.com offers a narration of the book, with each and every animal snore interpreted by the expressive, playful cello of Yo-Yo Ma. He even does the elephant’s stop-the-show snore—though admittedly that took Ma’s cello PLUS the classic horn salute of the James R. Barker steamship. (Seriously.) All this fabulousness leads into the coolest lullaby ever: “Jungle Gymnopédie No. 1,” a polyrhythmic jungle-y arrangement by Boynton of Erik Satie’s renowned piece, with Yo-Yo Ma on cello, guitar played by Ron Block of Alison Krauss Union Station, and drums by Kevin MacLeod. “Yo-Yo and I chose this piece because it’s the most gorgeous and mesmerizing night song imaginable,” explains Boynton. “And there was surely nothing else that could get those animals back to sleep after that elephant blast.”

I Choose Peace Doug Bender, 2019-11-12 From the influential and ever-growing movement *I Am Second* comes a remarkable collection of well-known lives transformed from restless to happy by the power of God. When *I Am Second* launched in 2008, the organization meant simply to tell stories of people whose lives changed utterly when they placed God first and themselves second. Although the organization has exploded in size and influence since, that original mission has remained the same--and continues to have

enormous power today. *I Choose Peace* is the highly anticipated new book from I Am Second, gathering together stories of people who searched everywhere for fulfillment and wholeness and found it only when they surrendered to God. People whose stories appear include the following: Chip and Joanna Gaines Kathie Lee Gifford Albert Pujols Shawn Johnson Phil and Kay Robertson Brian Head Welch Moving, compelling, and profoundly inspiring, the stories found here remind us that our hearts will always be restless until they find their rest in God.

Children's Human Rights in the USA Yvonne Vissing, 2023-07-19 This book critically examines why a human rights framework would improve the wellbeing and status of young people. It explores children's rights to provision, protection, and participation from human rights and clinical sociological perspectives, and from historical to contemporary events. It discusses how different ideologies have shaped the way we view children and their place in society, and how, despite the rhetoric of children's protection, people under 18 years of age experience more poverty, violence, and oppression than other group in society. The book points to the fact that the USA is the only member of the United Nations not to ratify a children's human rights treaty; and the impact of this decision finds US children less healthy and less safe than children in other developed countries. It shows how a rights-respecting framework could be created to improve the lives of our youngest citizens – and the future of democracy. Authored by a renowned clinical sociologist and international human rights scholar, this book is of interest to researchers, students, social workers and policymakers working in the area of children's wellbeing and human rights.

Born a Crime Trevor Noah, 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Times, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors

for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.
