The Emigrant Communities of Latvia Rita Kaša,Inta Mieriņa,2019-05-08 This open access volume examines experiences of contemporary Latvian migrants, thereby focusing on reasons for emigration, processes of integration in their host countries, and – in the case of return migration - re-integration in their home country. In the context of European migration, the book describes the case of Latvia, which is interesting due to the multiple waves of excessive emigration, continuously high migration potential among European Union member states, and diverse migrant characteristics. It provides a fascinating insight into the social and psychological aspects linked to migration in a comparative context. The data in this volume is rich in providing individual level perspectives of contemporary Latvian migrants by addressing issues such as emigrants' economic, social and cultural inclusion in the host country, ties with the home country and culture, interaction with public authorities both in the host and home country, political views, and perspectives on the permanent settlement in migration or return. Through topics such as assimilation of children, relationships between emigrants representing different emigration waves, the complex identities and attachments of minority emigrants, and the role of culture and media in identity formation and presentation, this book addresses topics that any contemporary emigrant community is faced with.

The White Shadow Andrea Eames, 2012 Tinashe is a young Shona boy living in a small village in rural Rhodesia. The guerilla war of the late 1960s haunts the bushlands, but it only infrequently affects his quiet life; school, swimming in the river, playing with the other kids on the kopje. When his younger sister, Hazvinei, is born, Tinashe knows at once that there is something special about her. Their life in the village, once disturbed only by the occasional visits of his successful uncle and city cousin, Abel, now becomes entangled with the dual forces of the Shona spirit world and the political turmoil of the nation. As Tinashe, Hazvinei and Abel grow older, their destinies entangle in ways they never expected. Tinashe is prepared to follow his sister anywhere - but how far can he go to keep her safe when the forces threatening her are so much darker and more sinister than he suspected? Andrea Eames weaves together folklore and suspense in this compelling tale of a boy struggling to do the right thing in an unpredictable world.
