J. B. Bobo

High Efficiency Video Coding (HEVC) Vivienne Sze,Madhukar Budagavi,Gary J.

Sullivan,2014-08-23 This book provides developers, engineers, researchers and students with detailed knowledge about the High Efficiency Video Coding (HEVC) standard. HEVC is the successor to the widely successful H.264/AVC video compression standard, and it provides around twice as much compression as H.264/AVC for the same level of quality. The applications for HEVC will not only cover the space of the well-known current uses and capabilities of digital video – they will also include the deployment of new services and the delivery of enhanced video quality, such as ultra-high-definition television (UHDTV) and video with higher dynamic range, wider range of representable color, and greater representation precision than what is typically found today. HEVC is the next major generation of video coding design – a flexible, reliable and robust solution that will support the next decade of video applications and ease the burden of video on world-wide network traffic. This book provides a detailed explanation of the various parts of the standard, insight into how it was developed, and in-depth discussion of algorithms and architectures for its implementation.

Video Compression Handbook Andy Beach,Aaron Owen,2018-06-27 Video compression is not a new process; however, it is forever evolving. New standards, codecs, and ways of getting the job done are continually being created. Newcomers to video compression and seasoned veterans alike need to know how to harness the tools and use them for specific workflows for broadcast, the Web, Blu-rays, set-top boxes, digital cinema, and mobile devices. Here to guide you through the multitude of formats and confusing array of specifications, Andy Beach and Aaron Owen use a practical, straightforward approach to explaining video compression. After covering the fundamentals of audio and video compression, they explore the current applications for encoding, discuss the common workflows associated with each, and then look at the most common delivery platforms. The book includes examples from the authors' projects as well as recipes that offer a way to define some of the best practices of video compression today. This invaluable resource gives you: proven techniques for delivering video online, or via disc or other devices. clear, straightforward explanations that cut through the jargon. step-by-step instructions for using a wide variety of encoding tools. workflow tips for performing either stand-alone or batch compressions. insight and advice from top compression professionals sprinkled throughout.

Waiting for Yesterday Gerry Green,2015-03-02 James and Katie Falcon are astonished when a Time Ship appears in the cellar with their long-deceased ancestor Captain Horatio Falcon at the helm.

The Ship includes a fresh food supply of two cows. Pandemonium breaks out when Great-Aunt Dorothea is faced with a cow in her lounge. The spooked second cow stumbles into the Time Ship's controls, despatching the Ship into the past at 'Lost Island'. But it is swarming with bloodthirsty treasure-seeking pirates and the crew's odds of survival appear impossible. Then the youngsters discover the Time Ship's mysterious source of power and the odds of their survival and their future change spectacularly.

Betty Crocker Bisquick Impossibly Easy Pies Betty Crocker Editors, 2004-08-13 Make tasty dinners and desserts easy as pie! Do you have a box of Bisquick on your shelf? Why not whip up tempting home-baked pies that are impossibly easy and impossibly delicious? These pies magically make their own crust, and they're a hit with kids and adults alike. Whether filled with ground beef, chicken, cheese, vegetables, or fruit, they're perfect any night of the week-great after work or for casual get-togethers and potluck suppers. Try These All-Time Impossibly Easy Favorites: * Coconut Pie * Chicken and Broccoli Pie * Cheesy Tuna Pie * Zucchini Pie * French Apple Pie * Cheeseburger Pie

Time-Saver Standards for Interior Design and Space Planning, Second Edition Julius Panero, Martin Zelnik, Joseph DeChiara, 2001-07-04 Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. The Silver Bible -- thoroughly revised, updated and redesigned Interior designers, architects, and other design professionals can still turn to the field's beloved Silver Bible for a wealth of information related to the design and planning of residential and commercial interiors. But now, Time-Saver Standards for Interior Design and Space Planning, Second Edition goes even further to truly make the classic interior design reference the standard in its field. From standard furniture dimensions to architectural woodwork details, you'll find a vast array of time-saving data and details. Editors Joseph DeChiara, Julius Panero, and Martin Zelnik have brought together contributions from well-known architectural and interior design firms to give you details derived from actual designs and working drawings, showing various solutions for typical design problems encountered in interior architecture. You get a wide range of typical layouts and residential spaces, offices, conference rooms, and reception areas, in addition to details of bars, restaurants, and public toilets. This exciting new edition includes new international examples and metrification -- and provides you with full coverage of healthcare spaces, educational spaces; home offices; videoconferencing spaces; green design; project forms and schedules. Two outstanding sections cover historic styles and woodworking.

Data Broadcasting: Understanding the ATSC Data Broadcast Standard Richard S. Chernock, Regis J. Crinon, Michael A. Dolan, John R. Mick, 2001-05-07 A ROADMAP FOR IMPLEMENTING THE ATSC DATA BROADCAST STANDARD The ATSC Data Broadcast Standard provides the means to transform digital TV signals from plain vanilla audio/video to 57-flavor broadband digital data delivery, opening a universe of device and service possibilities. Authored by four of the standard's lead writers - - Richard Chernock, Regis Crinon, Michael Dolan, and John R. Mick, Jr. -- Data Broadcasting is the first guide to the new ATSC standard. These experts help you: *Understand the concepts behind standard provisions for carrying any type of data over MPEG-2 data transport mechanisms *Implement the standard in real-world service creation and rollouts *Enable a new generation of set-top boxes, hand-held devices, and PC add-in cards for handling both data and streaming video *Configure stand-alone data injection and data injection associated with video and audio programs *Define the optimal transmittal method for any type of data *Resolve system architecture, receiver-reference design, data categorization, and encapsulation questions *Solve announcement, and discovery and binding mechanisms problems *Avoid implementation pitfalls with encapsulation examples, illustrated layering, and buffer models

Practical Mental Magic Theodore Annemann, 2012-04-27 Outstanding collection of nearly 200 crowd-pleasing mental magic feats requiring no special equipment. Author offers insider's tips and expert advice on techniques, presentation, diversions, patter, staging, more.

Encyclopedia of Card Tricks Jean Hugard, John Joseph Crimmins, 1974-06-01 Provides instructions for performing card tricks of varying levels of difficulty

Summer Link Math, Grades 1-2 McGraw-Hill, Vincent Douglas, 2004-03 Summer Success Math, Grades PreK-6 During the summer months between grades, children can lose serious academic ground, leaving them unprepared for the school year ahead. This unique series helps children bridge that summer learning gap by offering activities that review, reinforce, and extend the important skills they need for the coming year. Summer Success Math is an extension of the Summer Success series and focuses only on math topics. It presents math concepts covered in the grade just completed and presents new concepts that will be introduced in the upcoming school year. Each workbook supports national standards in math education. These books will help children perform confidently and competently in math in the upcoming school year. The full-color, lively illustrations aid in explaining the material and help make learning fun. A comprehensive Answer Key and Developmental Skills checklist ensure learning success. Catalogue of the Works Exhibited in the British Section of the Exhibition [microform]

Anonymous, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Human Fatigue Risk Management Susan L. Murray, Matthew S. Thimman, 2016-06-24 Human Fatigue Risk Management: Improving Safety in the Chemical Processing Industry teaches users everything they need to know to mitigate the risk of fatigued workers in a plant or refinery. As human fatigue has been directly linked to several major disasters, the book explores the API RP 755 guidelines that were released to reduce these types of incidents. This book will help users follow API RP 755 and/or implement a fatigue risk management system in their organization. Susan Murray, a recognized expert in the field of sleep deprivation and its relation to high hazard industries, has written this book to be useful for HSE managers, plant and project managers, occupational safety professionals, and engineers and managers in the chemical processing industry. As scheduling of shifts is an important factor in reducing fatigue and accident rates, users will learn the benefits of more frequent staff rotation and how to implement an ideal scheduling plan. The book goes beyond API RP

755, offering more detailed understanding of why certain measures for managing fatigue are beneficial to a company, including examples of how theory can be put into practice. It is a simple, digestible book for managers who are interested in addressing human factor issues at their workplace in order to raise safety standards. Covers sleep, sleep disorders, and the consequences of fatigue as related to high-hazard industries Helps improve safety standards at the plant level Provides information on how to comply with API RP 755 and related OSHA 29CFR1910 articles Relates fatigue and human performance to accidents, helping readers make a case for implementing a human fatigue risk management policy, which, in turn, prevents loss of property and life

Purr for Me [Phanta City 2] Stormy Glenn,Lynn Hagen, [Siren Everlasting Classic ManLove: Erotic Alternative Futuristic Paranormal Romance, M/M, vampires, shape-shifters, cross-dressing, HEA] When Pan Thyr is arrested for a crime he didn't commit, he's determined to take down the man responsible for his torture. But being on the run makes it hard to prove his innocence. He is not only fighting to clear his name, but prove to Igorian Hunchback that they are meant to be together. Igorian refuses to give in to his desires where Pan is concerned. Although the man is a walking wet dream, Igorian has been taught that vampires don't mate outside their race. It is a lesson drilled into him from rebirth. When wanted posters go up and the two must run for their lives, Igorian learns that fighting against the attraction he feels for Pan is futile. Can the two clear their names and the misconceptions taught to Igorian, or will the Ministry of Paranormal Affairs doom them both to a death sentence before Igorian finds out what it means to purr for a panther shifter? ** A Siren Erotic Romance

Mentalissimo John Bannon,2016-08-10 In *Mentalissimo*, John brings his talents to bear on mentalism and mental magic with playing cards. I do card tricks, have a keen interest in mentalism and am a fanatic about the construction of magic tricks. For me, a book like this is just what I look for. All of the above; in one place.You can expect: Squeaky-clean revelations of truly thought-of cards. Demonstrations of psychic ability that can't be explained simply as coincidence. Clear, commercial prediction systems. Offbeat treatments of classic mental effects from Add-a-Number to Out of This World.Thirty items are described and explained in twenty-one chapters. Almost all use regular unprepared cards. Two require a common gaffed card. Most are impromptu. A couple require a more-than-minimal stack. A few rely on easily-made external props. One employs a pack of ESP symbol cards. All are intelligently explained and laced with commentary and discussion. Come for the thought-provoking card effects; stay for the conversation.

Modern Coin Magic J. B. Bobo,2012-05-24 The most complete treatise on sleight-of-hand coin

conjuring, including best traditional methods and modern innovations. Guides you systematically from basic techniques, through integrated tricks to complete acts, 18 in all. 510 clear illustrations.

Magic Michael David Bailey, 2018 A magical world -- The meanings of magic -- Magical acts -- Magic contested and condemned -- Magical identities -- The reality of magic -- Magic in the modern world.

Stars of Magic George Starke, Doctor Jacob Daley, Bruce Elliott, 2017-06-20 If you have not read and learned the magic contained in this book you have no business calling yourself a close-up magician. The magic by John Scarne, Dai Vernon, Bert Allerton, S. Leo Horowitz, Emil Jarrow, Francis Carlyle, Dr. Jacob Daley, Tony Slydini, Ross Bertram, Nate Leipzig, and Max Malini helped shape the art of close-up magic as we know it. It has often been said that mastering the magic in this book will make you an accomplished close-up and sleight-of-hand artist. In many ways, it contains all the magic you need to build a professional caliber repertoire. Many have earned a living performing these routines and now you can too. Includes: 41 incredible routines by 11 incredible artists, a historical introduction and a bonus section with private correspondence related to the Stars Of Magic.

Absolute Magic Derren Brown, 2003

Best of Enemies Rainier George Weiner, 2015-05-07 Suppose fate placed you on an inflatable life-raft in the middle of the freezing Atlantic Ocean along with your most bitter enemy contrivable? Would the emotions of hatred, revenge and love of country trump the desire to survive, if killing that enemy ensured your own demise? Captain Mat Richardson, USN, and Emil Gluckler, a German submarine commander, experience that option during the 2nd World War. Mat, captain of a small destroyer, and Emil, commander of an attacking submarine, become stranded on a life-raft after each of the combatant crafts sink each other during a fierce naval engagement. They subsequently experience 38 harrowing days striving for survival. If nothing else, this required the ultimate in mutual cooperation. If the two survived, would the events have a lasting effect on their relationship? Or, if one had the opportunity to kill the other at a later date in a new war-time circumstance, would he do so, or not?

Youtube Flv To Vob Guide 2799 Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change. Such is the essence of the book **Youtube Flv To Vob Guide 2799**, a literary masterpiece that delves deep into the significance of words and
