American Jewish Year Book 2015 Arnold Dashefsky, Ira M. Sheskin, 2016-02-12 This Year Book, now in its 115th year, provides insight into major trends in the North American Jewish communities and is the Annual Record of the North American Jewish Communities. The first two chapters of Part I examine Jewish immigrant groups to the US and Jewish life on campus. Chapters on "National Affairs" and "Jewish Communal Affairs" analyze the year's events. Three chapters analyze the demography and geography of the US, Canada, and world Jewish populations. Part II provides Jewish Federations, Jewish Community Centers, social service agencies, national organizations, overnight camps, museums, and Israeli consulates. The final chapters present national and local Jewish periodicals and broadcast media; academic resources, including Jewish Studies Programs, books, articles websites, and research libraries; and lists of major events in the past year, Jewish honorees, and obituaries. For those interested in the North American Jewish community—scholars, service providers, volunteers—this volume undoubtedly provides the single best source of information on the structure, dynamics, and ongoing religious, political, and social challenges confronting the community. It should be on the bookshelf of everyone interested in monitoring the dynamics of change in the Jewish communities of North America. Sidney Goldstein, Founder and Director, Population Studies and Training Center, Brown University, and Alice Goldstein, Population Studies and Training Center, Brown University The American Jewish Year Book is a unique and valuable resource for Jewish community professionals. It is part almanac, directory, encyclopedia and all together a volume to have within easy reach. It is the best, concise diary of trends, events, and personalities of interest for the past year. We should all welcome the Year Book's publication as a sign of vitality for the Jewish community. Brenda Gevertz, Executive Director, JPRO Network, the Jewish Professional Resource Organization

American Jewish Year Book 2014 Arnold Dashefsky, Ira Sheskin, 2014-11-19 This book, in its 114th year, provides insight into major trends in the North American Jewish communities, examining the recently completed Pew Report (A Portrait of Jewish American), gender in American Jewish life, national and Jewish communal affairs and the US and world Jewish population. It also acts as an important resource with lists of Jewish Institutions, Jewish periodicals and academic resources as well as Jewish honorees, obituaries and major recent events. It should prove useful to social scientists and historians of the American Jewish community, Jewish communal workers and the press, among others.

American Jewish Year Book 2016 Arnold Dashefsky, Ira M. Sheskin, 2017-02-20 The American Jewish Year Book, now in its 116th year, is the annual record of the North American Jewish communities and provides insight into their major trends. Part I presents a forum on the Pew Survey, "A Portrait of American Orthodox Jews." Part II begins with Chapter 13, The Jewish Family. Chapters 15-17 analyze the demography and geography of the US, Canadian, and world Jewish populations. In Part III, Chapter 18 provides lists of Jewish institutions, including federations, community centers, social service agencies, national organizations, synagogues, Hillels,

day schools, camps, museums, and Israeli consulates. Deborah Dash Moore, Frederick G. L. Huetwell Professor of History and Judaic Studies, and Director Emerita of the Frankel Center for Judaic Studies, University of Michigan A century from now and more, the stately volumes of the American Jewish Year Book will stand as the authoritative record of Jewish life since 1900. For anyone interested in tracing the long-term evolution of Jewish social, political, religious, and cultural trends from an objective yet passionately Jewish perspective, there simply is no substitute. Lawrence Grossman, American Jewish Year Book Editor (1999-2008) and Contributor (1988-2015)

Life, Death and Sacrifice. Esther Hertzog, 2019-04-29 '...From out of a world of death and destruction, extermination camps, ghettos, starvation and disease, there rises the figure of the woman in the Holocaust... the core of the fascinating studies in this collection. The importance of these research essays is, above all, their historical documentation of situations and events related to women in the Holocaust...'....In the face of imminent death, there was kindness to be seen, self-sacrifice, and the saving of another's life. And from a world that had lost all semblance of humanity came a sense of independence that welled up in the survivors, infusing them with the spirit of life as they emerged from the inferno. 'And what is for me the most moving, the most exciting thing of all, is the ability of those who endured to climb to their feet and shake themselves free of the killing fields, to begin a new life, to start a family....' Ayala Procaccia, Israel Supreme Court Justice 'The book contains articles by some of the most prominent scholars in the field... They tell the stories of women who were humiliated, tortured and murdered; their eternally etched-in-the-memory stories of struggle and survival. 'This collection of articles is based on two international conferences on women in the Holocaust, held in recent years at Beit Berl Academic College, Beit Theresienstadt, and the Ghetto Fighters' House in Israel. Hertzog is a daughter of Holocaust survivors, who never spoke about the subject at home. She discovered a feminist perspective on the Holocaust at a conference at Oxford she attended, almost by chance, seven years ago. That experience motivated her to speak with her mother and document their conversations in the article that appears herein.' Ruth Sinai ('Their heroism was never acknowledged') Haaretz

The Ha-Ha Dave King, 2005-01-01 Howard Kapostash has not spoken in thirty years. The small repertory of gestures and simple sounds that he uses to communicate lead most people to assume he is disturbed. No one understands that Howard is still the same man he was before his tragic injury. But when he agrees to help an old girlfriend by opening his home to her nine-year-old son, the presence of this nervous, resourceful boy in his life transforms Howard utterly. He is afforded a rare glimpse of life outside his shell? With all its exuberant joys and crushing sorrows.
