Dilla Time Dan Charnas,2022-02-01 WINNER OF THE PEN/JACQUELINE BOGRAD WELD AWARD FOR BIOGRAPHY A NEW YORK TIMES BEST SELLER This book is a must for everyone interested in illuminating the idea of unexplainable genius.” –QUESTLOVE Equal parts biography, musicology, and cultural history, Dilla Time chronicles the life and legacy of J Dilla, a musical genius who transformed the sound of popular music for the twenty-first century. He wasn’t known to mainstream audiences, even though he worked with renowned acts like D’Angelo and Erykah Badu and influenced the music of superstars like Michael Jackson and Janet Jackson. He died at the age of thirty-two, and in his lifetime he never had a pop hit. Yet since his death, J Dilla has become a demigod: revered by jazz musicians and rap icons from Robert Glasper to Kendrick Lamar; memorialized in symphonies and taught at universities. And at the core of this adulation is innovation: a new kind of musical time-feel that he created on a drum machine, but one that changed the way “traditional” musicians play. In Dilla Time, Dan Charnas chronicles the life of James DeWitt Yancey, from his gifted childhood in Detroit, to his rise as a Grammy-nominated hip-hop producer, to the rare blood disease that caused his premature death; and follows the people who kept him and his ideas alive. He also rewinds the histories of American rhythms: from the birth of soul in Dilla’s own “Motown,” to funk, techno, and disco. Here, music is a story of Black culture in America and of what happens when human and machine times are synthesized into something new. Dilla Time is a different kind of book about music, a visual experience with graphics that build those concepts step by step for fans and novices alike, teaching us to “see” and feel rhythm in a unique and enjoyable way. Dilla’s beats, startling some people with their seeming “sloppiness,” were actually the work of a perfectionist almost spiritually devoted to his music. This is the story of the man and his machines, his family, friends, partners, and celebrity collaborators. Culled from more than 150 interviews about one of the most important and influential musical figures of the past hundred years, Dilla Time is a book as delightfully detail-oriented and unique as J Dilla’s music itself.

Affirmative Reaction Hamilton Carroll,2011-01-25 This title explores the cultural politics of hetero-normative white masculine privilege in the US. Through close readings of texts ranging from the television drama '24' to the Marvel Comics 'The Call of Duty', Carroll argues that the true privilege of white masculinity is to be mobile and mutable.

Color Scheme Edith Young,2021-10-26 Change the way you see color forever in this dazzling collection of color palettes spanning art history and pop culture, and told in writer and artist Edith Young's accessible, inviting style. From the shades of pink in the blush of Madame de Pompadour's cheeks to Prince's concert costumes, Color Scheme decodes the often overlooked color concepts that can be found in art history and visual culture. Edith Young's forty color palettes and accompanying essays reveal the systems of color that underpin everything we see, allowing original and, at times, even humorous themes to emerge. Color Scheme is the perfect book for anyone interested in learning more about, or rethinking, how we see the world around us.

Shout Your Abortion Amelia Bonow,Emily Nokes,2018-11-01 Following the U.S. Congress’s attempts to defund Planned Parenthood, the hashtag #ShoutYourAbortion became a viral conduit for abortion storytelling, receiving extensive media coverage and positioning real human experiences at the center of America’s abortion debate for the very first time. The online momentum sparked a grassroots movement that has subsequently inspired countless individuals to share their abortion stories in art, media, and community events all over the country, and to begin building platforms for others to do the same. Shout Your Abortion is a collection of photos, essays, and creative work inspired by the movement of the same name, a template for building new communities of healing, and a call to action. Since SYA’s inception, people all over the country have shared stories and begun organizing in a range of ways: making art, hosting comedy shows, creating abortion-positive clothing, altering billboards, starting conversations that had never happened before. This book documents some of these projects and illuminates the individuals who have breathed life into this movement, illustrating the profound liberatory and political power of defying shame and claiming sole authorship of our experiences. With Roe vs. Wade on the brink of reversal,

the act of shouting one's abortion has become explicitly radical, and Shout Your Abortion is needed more urgently than ever before.

Historical and Chronological Context of the Bible Bruce W. Gore,2010-10 Take in the full history of the Bible with a detailed account that focuses on its major empires, events and personalities. Written by a religious scholar who has taught at high school, college and adult levels, this historical exploration is organized around the major civilizations and epochs of the ancient world, beginning with Sumer and ending with Rome. Learn how Cyrus the Persian, Alexander the Great, Julius Caesar, and others changed the course of Christianity. In the course of historical exploration, this account also examines questions that may have puzzled readers of the Bible in the past: * Who was Sennacherib? * To which Assyrian king did Jonah preach, and did this make any difference in history? * What did the eight night visions of Zechariah mean in light of the rule of Darius the Persian? Study the Bible with an eye on its ancient setting and develop an understanding of its key people, places and civilizations with *Historical and Chronological Context of the Bible*.

The Proper Care and Feeding of Marriage Dr. Laura Schlessinger,Laura Schlessinger,2007-01-02 In the long-awaited follow-up to her groundbreaking, million-copy bestseller *The Proper Care and Feeding of Husbands*, Dr. Laura now focuses on how men and women need to understand and appreciate the uniqueness of masculinity and femininity; what the best ways to relate, caretake, and nurture each other are; and how to bring a marriage back from the brink of disaster. Dr. Laura asserts that in order to produce and sustain a wonderfully satisfying marriage, spouses must recognize and appreciate the polarity between the masculine and the feminine. Both husband and wife have power in the relationship, and each needs to realize this in order to ensure personal satisfaction. Using real-life examples from her call-in radio show, and giving real-life solutions, Dr. Laura focuses on the typical mistakes made by men and women in their relationships and shows how marriages can not only survive but thrive.

The Creation of Anne Boleyn Susan Bordo,2013-04-09 This illuminating history examines the life and many legends of the 16th century Queen who was executed by her husband, King Henry VIII. Part biography, part cultural history, *The Creation of Anne Boleyn* is a fascinating reconstruction of Anne's life and a revealing look at her afterlife in the popular imagination. Why is her story so compelling? Why has she inspired such extreme reactions? Was she the flaxen-haired martyr of Romantic paintings or the raven-haired seductress of twenty-first-century portrayals? (Answer: neither.) But the most provocative question of all concerns Anne's death: How could Henry order the execution of a once beloved wife? Drawing on scholarship and critical analysis, Bordo probes the complexities of one of history's most infamous relationships. She then demonstrates how generations of polemicists, biographers, novelists, and filmmakers have imagined and re-imagined Anne: whore, martyr, cautionary tale, proto "mean girl," feminist icon, and everything in between. In *The Creation of Anne Boleyn*, Bordo steps off the well-trodden paths of Tudoriana to tease out the human being behind the competing mythologies, paintings, and on-screen portrayals.

Internationally syndicated radio superhost and columnist, controversial psycho-therapist, and author of the break-out New York Times bestsellers *How Could You Do That?!* and *Ten Stupid Things Women Do to Mess Up Their Lives*, Dr. Laura Schlessinger is back with *Ten Stupid Things Men Do to Mess Up Their Lives*. In ten vital, compelling chapters, Dr. Laura speaks her mind on: Stupid Chivalry By getting involved with the wrong woman (weak, flaky, damaged, needy, desperate, stupid, untrustworthy, immature, etc.) you think that your love will save/transform her. Stupid Independence Unwilling to admit need for bonding and intimacy, you hide in excesses of work, play, drink, drugs, porn, and meaningless sex. Stupid Ambition Unable to comfortably and proudly accept your inherent importance to society and family as husband and father, you bow to the false idols of money, toys, power, and status. Stupid Strength Uncomfortable with feeling weak, vulnerable, useless, powerless, or rejected, you use intimidation, force, or passive-aggressiveness to regain control. Stupid Sex Taking an attraction, opportunity, or erection as a sign, you measure your masculinity and power by sexual conquests, infidelities, and orgasms. Stupid Matrimony Lacking a mature sense of the purpose, meaning, or value of marriage, you realize too late you've gone down the aisle with the wrong woman for the wrong reasons and feel helpless to fix it. Stupid Husbanding Thinking that marriage is the honorable discharge from loving courtship, you continue to live as though you were single and your mommy-wife will take care of everything else. Stupid Parenting Believing that only women/mothers nurture children, you withdraw from hands-on parenting to assert your masculine importance, missing out on the true soul food of a child's hug. Stupid Boyishness Having not yet worked out a comfortable emotional and social understanding with your mother, you form relationships with women that become geared to avenge, resolve, or protect you from your ties to Mommy. Stupid Machismo Understanding the true and meaningful difference between being male and a man, you can become a man.
