*Romanov* Nadine Brandes, 2019-05-07 My name is Anastasia. The history books say I died. They don't know the half of it. Anastasia "Nastya" Romanov was given a single mission: to smuggle an ancient spell into her suitcase on her way to exile in Siberia. It might be her family's only salvation. But the leader of the Bolshevik army is after them, and he's hunted Romanov before. Nastya's only chances of saving herself and her family are either to release the spell and deal with the consequences, or to enlist help from Zash, the handsome soldier who doesn't act like the average Bolshevik. Nastya has only dabbled in magic, but it doesn't frighten her half as much as her growing attraction to Zash. She likes him. She thinks he might even like her. That is, until she's on one side of a firing squad . . . and he's on the other. Praise for Romanov: I am obsessed with this book! A magical twist on history that will have Anastasia fans wishing for more. I loved every detail Brandes wrote. The Ruthless Elimination of Hurry John Mark Comer, 2019-10-29 ECPA BESTSELLER • A compelling emotional and spiritual case against hurry and in favor of a slower, simpler way of life “As someone all too familiar with ‘hurry sickness,’ I desperately needed this book.”—Scott Harrison, New York Times best-selling author of Thirst “Who am I becoming?” That was the question nagging pastor and author John Mark Comer. Outwardly, he appeared

successful. But inwardly, things weren't pretty. So he turned to a trusted mentor for guidance and heard these words: "Ruthlessly eliminate hurry from your life. Hurry is the great enemy of the spiritual life." It wasn't the response he expected, but it was—and continues to be—the answer he needs. Too often we treat the symptoms of toxicity in our modern world instead of trying to pinpoint the cause. A growing number of voices are pointing at hurry, or busyness, as a root of much evil. Within the pages of this book, you'll find a fascinating roadmap to staying emotionally healthy and spiritually alive in the chaos of the modern world.

Remember the Time Bill Whitfield, Javon Beard, 2014-06-03 A compellingly candid memoir that details Jackson's life in seclusion, by the bodyguards who were with him in his final days – with a new introduction to commemorate the tenth anniversary of Michael Jackson's death. Hounded by the tabloid media, driven from his self-made sanctuary, Neverland, Michael Jackson spent his final years moving from city to city, living with his three children in virtual seclusion -- a futile attempt to escape a world that wouldn't leave him alone. During that time, two men served as the singer's personal security team: Bill Whitfield, a former cop and veteran of the security profession, and Javon Beard, a brash, untested rookie, both single fathers themselves. Stationed at his side nearly 24/7, their job was to see and hear everything that transpired, and to keep everyone else out, making them the only two men who know what 60 million fans around the world still want to know: What really happened to the King of Pop? Driven by a desire to show the world who Michael Jackson truly was, Whitfield and Beard have produced the only definitive, first-person account of Michael Jackson's last years: the extreme measures necessary to protect Jackson and his family, the financial struggles that led their pay to be suspended for weeks at a time, the simple moments of happiness they managed to share in a time of great stress, the special relationship Jackson shared with his fans, and the tragic events that culminated in the singer's ill-fated comeback, *This Is It*. The truth is far more captivating than anything you've yet heard. An indispensable piece of pop-culture history, *Remember the Time* is the story of a man struggling to live a normal life under extraordinary circumstances, of a father fighting to protect and provide for his children. *Remember the Time* is the book that dismantles the tabloid myths once and for all to give Michael Jackson back his humanity.

**Training the Best Dog Ever** Larry Kay, Dawn Sylvia-Stasiewicz, 2012-09-25 *Training the Best Dog Ever*, originally published in hardcover as *The Love That Dog Training Program*, is a book based on love and kindness. It features a program of positive reinforcement and no-fail techniques that author Dawn Sylvia-Stasiewicz used to train the White House dog, Bo Obama, and each of Senator Ted Kennedy's dogs, among countless others. *Training the Best Dog Ever* relies on trust and treats, not choke collars; on bonding, not leash-yanking or reprimanding. The five-week training program takes only 10 to 20 minutes of practice a day and works both for puppies and for adult dogs that need to be trained out of bad habits. Illustrated with step-by-step photographs, the book covers hand-feeding; crate and potty training; and basic cues—sit, stay, come here—as well as more complex goals, such as bite inhibition and water safety. It shows how to avoid or correct typical behavior problems, including jumping, barking, and leash-pulling. Plus: how to make your dog comfortable in the world—a dog that knows how to behave in a vet's office, is at ease around strangers, and more. In other words, the best dog ever.

**Sicker in the Head** Judd Apatow, 2023-04-18 NEW YORK TIMES BESTSELLER • An all-new collection of honest, hilarious, and enlightening conversations with some of the most exciting names in comedy—from lifelong comedy nerd Judd Apatow. "When I need to read an interview with a comedian while in the bathroom, I always turn to Judd Apatow for deeply personal insights into the comedic mind. Place one on your toilet today."—Amy Schumer ONE OF THE BEST BOOKS OF THE YEAR: *Vulture* No one knows comedy like Judd Apatow. From interviewing the biggest comics of the day

for his high school radio show to performing stand-up in L.A. dive bars with his roommate Adam Sandler, to writing and directing *Knocked Up* and producing *Freaks and Geeks*, Apatow has always lived, breathed, and dreamed comedy. In this all-new collection of interviews, the follow-up to the New York Times bestselling *Sick in the Head*, Apatow sits down with comedy legends such as David Letterman, Whoopi Goldberg, and Will Ferrell, as well as the writers and performers who are pushing comedy to the limits, and defining a new era of laughter: John Mulaney, Hannah Gadsby, Bowen Yang, Amber Ruffin, Pete Davidson, and others. In intimate and hilariously honest conversations, they discuss what got them into comedy, and what—despite personal and national traumas—keeps them going. Together, they talk about staying up too late to watch late-night comedy, what kind of nerds they were high school, and the right amount of delusional self-confidence one needs to “make it” in the industry. Like eavesdropping on lifelong friends, these pages expose the existential questions that plague even the funniest and most talented among us: Why make people laugh while the world is in crisis? What ugly, uncomfortable truths about our society—and ourselves—can comedy reveal? Along the way, these comics reminisce about those who helped them on their journey—from early success through failure and rejection, and back again—even as they look ahead to the future of comedy and Hollywood in a hyper-connected, overstimulated world. With his trademark insight, curiosity, and irrepressible sense of humor, Apatow explores the nature of creativity, professional ambition, and vulnerability in an ever-evolving cultural landscape, and how our favorite comics are able to keep us laughing along the way.

*Please Stop Laughing at Me* Jodee Blanco, 2022-04-19 In this timely update of the seminal classic, author and activist Jodee Blanco reveals how she simply set out to share her story—and ended up igniting a grassroots movement in the nation's schools. The first survivor of school bullying to look back on those experiences as an adult, Jodee brings you up to speed on her life and work since the book's initial release with a new chapter, all-new Letter to My Readers, and Reader's Guide. She also offers the latest information on digital and cyberbullying, the Adult Survivor of Peer Abuse, her in-school antibullying program, INJJA (It's NOT Just Joking Around!), and provides discussion questions for schools. While other children were daydreaming about dances, first kisses, and college, Jodee Blanco was trying to figure out how to go from homeroom to study hall without being taunted or spit upon as she walked through the halls. This powerful, unforgettable memoir chronicles how one child was shunned—and even physically abused—by her classmates from elementary school through high school. It is an unflinching look at what it means to be the outcast, how even the most loving parents can get it all wrong, why schools are often unable to prevent disaster, and how bullying has been misunderstood and mishandled by the mental health community—

Cochrane Handbook for Systematic Reviews of Interventions Julian P. T. Higgins, Sally Green, 2008-11-24 Healthcare providers, consumers, researchers and policy makers are inundated with unmanageable amounts of information, including evidence from healthcare research. It has become impossible for all to have the time and resources to find, appraise and interpret this evidence and incorporate it into healthcare decisions. Cochrane Reviews respond to this challenge by identifying, appraising and synthesizing research-based evidence and presenting it in a standardized format, published in The Cochrane Library ([www.thecochranelibrary.com](http://www.thecochranelibrary.com)). The Cochrane Handbook for Systematic Reviews of Interventions contains methodological guidance for the preparation and maintenance of Cochrane intervention reviews. Written in a clear and accessible format, it is the essential manual for all those preparing, maintaining and reading Cochrane reviews. Many of the principles and methods described here are appropriate for systematic reviews applied to other types of research and to systematic reviews of interventions undertaken by others. It is hoped therefore that this book will be invaluable to all those who want to understand

the role of systematic reviews, critically appraise published reviews or perform reviews themselves.

Well, red is the color of blood. Thomas Fawkes's Color Test is upon him, and he is sure his father, the infamous Guy Fawkes, will present him with a mask and Thomas will finally bond with a color. He desperately hopes for a gray mask so he can remove the stone that has invaded his body and will ultimately take his life.
