Charles T. Munger

Inherent Vice Lucas Hilderbrand, 2009-05-28 In an age of digital technology and renewed anxiety about media piracy, *Inherent Vice* revisits the recent analog past with an eye-opening exploration of the aesthetic and legal innovations of home video. Analog videotape was introduced to consumers as a blank format, essentially as a bootleg technology, for recording television without permission. The studios initially resisted VCRs and began legal action to oppose their marketing. In turn, U.S. courts controversially reinterpreted copyright law to protect users' right to record, while content owners eventually developed ways to exploit the video market. Lucas Hilderbrand shows how videotape and fair use offer essential lessons relevant to contemporary progressive media policy. Videotape not only radically changed how audiences accessed the content they wanted and loved but also altered how they watched it. Hilderbrand develops an aesthetic theory of analog video, an "aesthetics of access" most boldly embodied by bootleg videos. He contends that the medium specificity of videotape becomes most apparent through repeated duplication, wear, and technical failure; video's visible and audible degeneration signals its uses for legal transgressions and illicit pleasures. Bringing formal and cultural analysis into dialogue with industrial history and case law, Hilderbrand examines four decades of often overlooked histories of video recording, including the first network news archive, the underground circulation of *Superstar: The Karen Carpenter Story*, a feminist tape-sharing network, and the phenomenally popular website YouTube. This book reveals the creative uses of videotape that have made essential content more accessible and expanded our understanding of copyright law. It is a politically provocative, unabashedly nostalgic ode to analog.

Long Way Down Jason Reynolds, 2017-10-24 "An intense snapshot of the chain reaction caused by pulling a trigger." —Booklist (starred review) "Astonishing." —Kirkus Reviews (starred review) "A tour de force." —Publishers Weekly (starred review) A Newbery Honor Book A Coretta Scott King Honor Book A Printz Honor Book A Time Best YA Book of All Time (2021) A Los Angeles Times Book Prize Winner for Young Adult Literature Longlisted for the National Book Award for Young People's Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents' Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A BuzzFeed Best YA Book of 2017 An ode to *Put the Damn Guns Down*, this is New York Times bestselling author Jason Reynolds's electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he's going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

In Stitches Anthony Youn,2012-02-14 The celebrity cosmetic surgery blogger describes his misfit youth as a nerdy Korean-American student with a misshapen jaw whose life-changing surgery led him to become a successful plastic surgeon.

Business Made Simple Donald Miller,2021-01-19 Is this blue book more valuable than a business degree? Most people enter their professional careers not understanding how to grow a business. At times, this makes them feel lost, or worse, like a fraud pretending to know what they're doing. It's hard to be successful without a clear understanding of how business works. These 60 daily readings are crucial for any professional or business owner who wants to take their career to the next level. New York Times and Wall Street Journal bestselling author, Donald Miller knows that business is more than just a good idea made profitable – it's a system of unspoken rules, rarely taught by MBA schools. If you are attempting to profitably grow your business or career, you need elite business knowledge—knowledge that creates tangible value. Even if you had the time, access, or money to attend a Top 20 business school, you would still be missing the practical knowledge that propels the best and brightest forward. However, there is another way to achieve this insider skill development, which can both drastically improve your career earnings and the satisfaction of achieving your goals. Donald Miller learned how to rise to the top using the principles he shares in this book. He wrote Business Made Simple to teach others what it takes to grow your career and create a company that is healthy and profitable. These short, daily entries and accompanying videos will add enormous value to your business and the organization you work for. In this sixty-day guide, readers will be introduced to the nine areas where truly successful leaders and their businesses excel: Character: What kind of person succeeds in business? Leadership: How do you unite a team around a mission? Personal Productivity: How can you get more done in less time? Messaging: Why aren't customers paying more attention? Marketing: How do I build a sales funnel? Business Strategy: How does a business really work? Execution: How can we get things done? Sales: How do I close more sales? Management: What does a good manager do? Business Made Simple is the must-have guide for anyone who feels lost or overwhelmed by the modern business climate, even if they attended business school. Learn what the most successful business leaders have known for years through the simple but effective secrets shared in these pages. Take things further: If you want to be worth more as a business professional, read each daily entry and follow along with the free videos that will be sent to you after you buy the book.

Passport to Magonia Jacques Vallee,2014-11-23 Jacques Vallee, a mathematician and astronomer, discusses and explores many of the most interesting reports of UFO sightings from 1868-1968.

Help Is Here Max Lucado,2022-09-13 Bills pile up. Savings accounts go down. Marriages go south. Pandemics rage. Work goes off the rails. Stress goes off the charts. Suddenly, you feel powerless to calm life's chaos. It's all too much to take on by yourself. But pastor and bestselling author Max Lucado has great news for you--Help Is Here. Now more than ever, we're all weary from the loads we carry and the challenges we face. We have questions we cannot answer and problems we cannot solve. We'd hoped that life would be an invigorating adventure or an inspiring journey. We never expected to grow so tired so quickly. But Max teaches us that we can find fresh strength and purpose in the power of the Holy Spirit. The Bible makes more than a hundred references to the Holy Spirit, and Jesus says more about the Spirit than he does about the church, marriage, finances, and the future. But do we really know the Spirit? In Help Is Here, Max will give you the tools and encouragement you need to: Learn who the Spirit is and how the Spirit can help Become joyful, enthusiastic, and empowered as you draw closer to God Confidently take on any difficulty with the power of the Spirit Discover your unique gifts and purpose to further God's kingdom Help Is Here reminds us that our Good Shepherd doesn't just feed us; he leads us. He does more than correct us; he directs us. God keeps us on track--and best of all, he's commissioned the Holy Spirit to guide us down the winding roads of life, wherever they may lead us. No more walking this path alone. No more carrying weight you were not intended to bear. It's time for you to enjoy the presence of the Holy Spirit and experience the vigorous life he offers. You can rest easy knowing that Help Is Here.

Juliet Takes a Breath Gabby Rivera, 2019-09-19 Hi, my name is Juliet Palante. I've been reading your book *Raging Flower: Empowering Your Pussy by Empowering Your Mind*. No lie, I started reading it so that I could make people uncomfortable on the subway. But I'm writing to you now because this book of yours, this magical labia manifesto, has become my bible. Juliet's head is spinning with questions. Will her beautiful, chaotic Puerto Rican family still love her when they find out she's gay? Will an internship with her favourite author help her understand what kind of feminist she wants to be? And why won't her girlfriend return her calls?! In a summer full of queer dance parties, a fling with a motorcycling librarian and intense explorations of sexuality and identity, Juliet's about to learn what it means to really come out - to the world, to her family, to herself.

Anthem of a Reluctant Prophet Joanne Proulx, 2017-04-04 "Stan," I said, and I said it kind of loud so of course he had to look up. "Tomorrow morning: 8:37. The red van with the out-of-state plates? You go head to head. You lose. You die." After freakishly foretelling the death of a friend, Luke Hunter becomes big news in Stokum, his rank little pinprick of a hometown. Terrified, but pretending not to be, Luke holds everyone—the local media, his buddy Fang, the Polish widow next door—at arm's length as he lurches through a personal minefield studded with previously unconsidered existential ponderings, Christian fundamentalists, a missing teen's frantic mother, and a dream girl who isn't his. Hormonal and funny, exhilarating and wise, *Anthem of a Reluctant Prophet* slyly explores the need to belong, the isolation of youth, and the powerful brew of fear and truth, music and noise, that plays inside us all.

Metropolis Thea von Harbou, 2015-05-20 This Weimar-era novel of a futuristic society, written by the screenwriter for the iconic 1927 film, was hailed by noted science-fiction authority Forrest J. Ackerman as a work of genius.

The Rock, the Road, and the Rabbi Kathie Lee Gifford, 2018-03-06 An instant New York Times bestseller! Journey with Kathie Lee Gifford and Messianic Rabbi Jason Sobel into Israel and explore the deep roots of the Christian faith. As a lifelong student of Scripture, Kathie Lee Gifford has always desired a deeper understanding of God's Word and a deeper knowledge of God Himself. But it wasn't until she began studying the biblical texts in their original Hebrew and Greek—along with actually hiking the ancient paths of Israel—that she found the fulfillment of those desires. Now you can walk with Kathie on a journey through the spiritual foundations of her faith: *The Rock* (Jesus Christ): Hear directly from Kathie about her life-changing and ever-deepening connection with Jesus, the Lover of her soul. *The Road* (Israel): Explore dozens of ancient landmarks and historical sites from Israel, the promised land of God's covenant. *The Rabbi* (God's Word): Go beyond a Sunday-school approach to the Bible by digging into the original languages and deeper meanings of the Holy Scriptures. As you journey through *The Rock*, *the Road*, and *the Rabbi*, you'll also find additional content from Messianic Rabbi Jason Sobel throughout the book. Jason's insight into the Hebrew language, culture, and heritage will open your eyes to the Bible like never before. Begin your journey toward a deeper faith through *The Rock*, *the Road*, and *the Rabbi*.

Poor Charlie's Almanack Charles T. Munger, 2023-12-05 From the legendary vice-chairman of Berkshire Hathaway, lessons in investment strategy, philanthropy, and living a rational and ethical life. "Spend each day trying to be a little wiser than you were when you woke up," Charles T. Munger advises in *Poor Charlie's Almanack*. Originally published in 2005, this compendium of eleven talks delivered by the legendary Berkshire Hathaway vice-chairman between 1986 and 2007 has become a touchstone for a generation of investors and entrepreneurs seeking to absorb the enduring wit and wisdom of one of the great minds of the 20th and 21st centuries. Edited by Peter D. Kaufman, chairman and CEO of Glenair and longtime friend of Charlie Munger—whom he calls "this generation's answer to Benjamin Franklin"—this abridged Stripe Press edition of *Poor Charlie's Almanack* features a brand-new foreword by Stripe cofounder John Collison. *Poor Charlie's Almanack* draws on Munger's encyclopedic knowledge of business, finance, history, philosophy, physics, and ethics—and more besides—to introduce the latticework of mental models that underpin his rational and rigorous approach to life, learning, and decision-making. Delivered with Munger's characteristic sharp wit and rhetorical

flair, it is an essential volume for any reader seeking to go to bed a little wiser than when they woke up.

On This Day She Jo Bell, Tania Hershman, Ailsa Holland, 2022-10-15 This book is a collection of inspiring stories about incredible women who made history but seldom received the acknowledgment they deserved, women of all colors, eras, and nations. Each day the reader is introduced to a new woman in a short yet fascinating biographical portrait—a quick life-affirming read to dip in and out of throughout the year.

Sun Stand Still Steven Furtick, 2010-09-21 If you're not daring to believe God for the impossible, you may be sleeping through some of the best parts of your Christian Life. "This book is not a Snuggie. The words on these pages will not go down like Ambien. I'm not writing to calm or coddle you. With God's help, I intend to incite a riot in your mind. Trip your breakers and turn out the lights in your favorite hiding places of insecurity and fear. Then flip the switch back on so that God's truth can illuminate the divine destiny that may have been lying dormant inside you for years. In short, I'm out to activate your audacious faith. To inspire you to ask God for the impossible. And in the process, to reconnect you with your God-sized purpose and potential." —Steven Furtick, from *Sun Stand Still*

Fire Walk With Me Scott Ryan, 2022-05-17 In 1990, David Lynch was on top of the world. *Wild at Heart* won the Palme d'Or at the Cannes Film Festival and *Twin Peaks* was the hottest show on TV. In 1992, he released *Twin Peaks: Fire Walk with Me*. It sure is amazing how fast coffee can get cold. The film was not well received, to say the least, by critics or ticket buyers. It seemed like the verdict was in: *Twin Peaks* was dead and wrapped in plastic. Thirty years later, the film is thought by many to be Lynch's masterpiece. Author Scott Ryan (*Moonlighting: An Oral History*, *The Blue Rose* magazine) was among the few *Twin Peaks* fans who saw the film on the day it was released and loved it from the beginning. He takes an in-depth look at the film, its legacy, and the people who created it, weaving in his own story of how the film has inspired him throughout his life, and still does. The book features Interviews with cowriter Bob Engels, editor Mary Sweeney, lead actress Sheryl Lee, and other cast members, as well as Ryan's essays covering the different iterations of the script, and Angelo Badalamenti's superb score. This is an ambitious, unique exploration of one of the darkest films ever created by the master himself, David Lynch.

Development of the Global Film Industry Qiao Li, Yanqiu Guan, Hong Lu, 2020-09-01 The global film industry has witnessed significant transformations in the past few years. Regions outside the USA have begun to prosper while non-traditional production companies such as Netflix have assumed a larger market share and online movies adapted from literature have continued to gain in popularity. How have these trends shaped the global film industry? This book answers this question by analyzing an increasingly globalized business through a global lens. *Development of the Global Film Industry* examines the recent history and current state of the business in all parts of the world. While many existing studies focus on the internal workings of the industry, such as production, distribution and screening, this study takes a big picture view, encompassing the transnational integration of the cultural and entertainment industry as a whole, and pays more attention to the coordinated development of the film industry in the light of influence from literature, television, animation, games and other sectors. This volume is a critical reference for students, scholars and the public to help them understand the major trends facing the global film industry in today's world.

Dress Codes Richard Thompson Ford, 2022-01-18 A law professor and cultural critic offers an eye-opening exploration of the laws of fashion throughout history, from the middle ages to the present day, examining the canons, mores and customs of clothing rules that we often take for granted

85 Years of the Oscar Robert Osborne, 2013 This is the only official history of the Academy Awards and an indispensable addition to any movie buff's library. For the film industry, the Academy Awards is the most celebrated and most significant night of the year: everyone longs for the recognition of being nominated to win a little golden statuette. For most of us, however, even a walk down the red carpet is just a dream. This book

puts readers into those iconic plush seats for the thrill of the Academy Awards, from the first show in 1928, shortly after the introduction of the talking picture, to this year's eighty-fifth anniversary. With hundreds of photographs and an informative text by Hollywood insider Robert Osborne, this book chronicles the ceremonies themselves, as well as the accomplishments, trends, developments, and events that occurred, both within the Academy and for the film industry as a whole. Osborne comments on each year's most important films and shares the stories behind them.

The Selected Works of T. S. Spivet Reif Larsen, 2010-04-27 A brilliant, boundary-leaping debut novel tracing twelve-year-old genius map maker T.S. Spivet's attempts to understand the ways of the world When twelve-year-old genius cartographer T.S. Spivet receives an unexpected phone call from the Smithsonian announcing he has won the prestigious Baird Award, life as normal—if you consider mapping family dinner table conversation normal—is interrupted and a wild cross-country adventure begins, taking T.S. from his family ranch just north of Divide, Montana, to the museum's hallowed halls. T.S. sets out alone, leaving before dawn with a plan to hop a freight train and hobo east. Once aboard, his adventures step into high gear and he meticulously maps, charts, and illustrates his exploits, documenting mythical wormholes in the Midwest, the urban phenomenon of rims, and the pleasures of McDonald's, among other things. We come to see the world through T.S.'s eyes and in his thorough investigation of the outside world he also reveals himself. As he travels away from the ranch and his family we learn how the journey also brings him closer to home. A secret family history found within his luggage tells the story of T.S.'s ancestors and their long-ago passage west, offering profound insight into the family he left behind and his role within it. As T.S. reads he discovers the sometimes shadowy boundary between fact and fiction and realizes that, for all his analytical rigor, the world around him is a mystery. All that he has learned is tested when he arrives at the capital to claim his prize and is welcomed into science's inner circle. For all its shine, fame seems more highly valued than ideas in this new world and friends are hard to find. T.S.'s trip begins at the Copper Top Ranch and the last known place he stands is Washington, D.C., but his journey's movement is far harder to track: How do you map the delicate lessons learned about family and self? How do you depict how it feels to first venture out on your own? Is there a definitive way to communicate the ebbs and tides of heartbreak, loss, loneliness, love? These are the questions that strike at the core of this very special debut. Now a major motion picture directed by Jean-Pierre Jeunet and starring Kyle Catlett and Helena Bonham Carter.

FRICTION—The Untapped Force That Can Be Your Most Powerful Advantage Roger Dooley, 2019-05-17 In 2016, \$4.6 trillion of merchandise was left in abandoned e-commerce shopping carts. Every year, the U.S. economy loses \$3 trillion dollars in productivity due to excess bureaucracy. Red tape and over-complicated licenses have contributed to China's GDP exceeding India's by \$82 trillion over the span of just three decades. If you're a business leader, these statistics should give you nightmares. According to science-based marketing and business expert Roger Dooley, they illustrate the real and growing threat of "friction," which he defines as the unnecessary expenditure of time, effort, or money in performing a task. In today's high-speed, customer-empowered world, the levels of swiftness and efficiency of business transactions will determine ultimate success or failure. In this groundbreaking guide, Dooley helps you spot the inevitable points of friction in your organization, and he provides the tools and insight you need to eliminate them. By truly understanding the impact friction can have, you'll be able to establish positive habits and eliminate negative ones—all with the end result of building a company that's the envy of your industry. Friction takes you step-by-step through the process of: •Empowering frank conversations•Guiding individual and team behaviors•Getting ahead of friction •Optimizing the customer experience •Building a frictionless corporate culture Combining scientific research with real-life examples of leaders who have conquered business friction, Dooley teaches you how to identify roadblocks, alter them for the benefit of both business and customer, and create positive, lasting change. If you're in a leadership position, now is the time to declare war on friction—before your competitors do. Stamp out ridiculous rules, pointless procedures, and meaningless meetings. Become a relentless advocate for the customer and for minimizing customer effort. Lubricate every point of friction and make

your company run like a well-oiled machine. Friction provides the know-how you need to lead your company to industry dominance.

The Atonement William Lane Craig, 2018-06-21 How did Christ's death overcome the estrangement and condemnation of sinners before a holy God, so as to reconcile them to Him? A great variety of theories of the atonement have been offered over the centuries to make sense of the fact that Christ by his death has provided the means of reconciliation with God: ransom theories, satisfaction theories, moral influence theories, penal substitution theories, and so on. Competing theories need to be assessed by (i) their accord with biblical data and (ii) their philosophical coherence.
