📖 **CATECHISM OF THE CATHOLIC CHURCH** U.S. CATHOLIC CHURCH,2003-03-04 Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is – the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means instruction – this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord’s Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

📖 **HAIL, HOLY QUEEN** Scott Hahn,2006-09-19 Essential reading for all Catholics! Bestselling author, Scott Hahn illuminates a fresh and enlightening perspective on Mary, Mother of God, and her central importance in the Christian faith. In The Lamb’s Supper, Hahn explored the relationship between the Book of Revelation and the Roman Catholic Mass, deftly clarifying the most subtle of theological points with analogies and anecdotes from everyday life. In Hail, Holy Queen, he employs the same accessible, entertaining style to demonstrate Mary’s essential role in Christianity’s redemptive message. Most Christians know that the life of Jesus is foreshadowed throughout the Old Testament. Through a close examination of the Bible, as well as the work of both Catholic and Protestant scholars and clergy, Hahn brings to light the small but significant details showing that just as Jesus is the New Adam, so Mary is the New Eve. He unveils the Marian mystery at the heart of the Book of Revelation and reveals how it is foretold in the very first pages of the Book of Genesis and in the story of King David’s monarchy, which speaks of a privileged place for the mother of the king. Building on these scriptural and historical foundations, Hahn presents a new look at the Marian doctrines: Her Immaculate Conception, Perpetual Virginity, Assumption, and Coronation. As he guides modern-day readers through passages filled with mysteries and poetry, Hahn helps them rediscover the ancient art and science of reading the Scriptures and gain a more profound understanding of their truthfulness and relevance to faith and the practice of religion in the contemporary world.

Bestselling author and nationally renowned therapist Terrence Real unearths the causes of communication blocks between men and women in this groundbreaking work. Relationships are in trouble; the demand for intimacy today must be met with new skills, and Real -- drawing on his pioneering work on male depression -- gives both men and women those skills, empowering women and connecting men, radically reversing the attitudes and emotional stumbling blocks of the patriarchal culture in which we were raised. Filled with powerful stories of the couples Real treats, no other relationship book is as straight talking or compelling in its innovative approach to healing wounds and reconnecting partners with a new strength and understanding.

Backed by decades of pioneering scientific research and captivating first-hand accounts, Dr. Greyson reveals the evidence that led him to rethink his understanding of the nature of life, death, and the continuity of consciousness. Although NDEs reveal a lot about dying and what might come after, they reveal as much about life and living, about the value of compassion and our interconnectedness with one another, and about what makes a life meaningful and fulfilling.
