Think Red Larry Stoess,2021-09-27 Have you ever wondered what the church would look like if Christians began to take the words of Jesus seriously--the words some Bibles print in red? What if Jesus actually meant for us to do the things he said? What if those who believe in Jesus really did value the things he valued? Would the church look different? Would your neighborhood stay the

same? In *Think Red*, Larry Stoess takes a close look at the values, the vision, and the mission of Jesus, and then holds up a mirror for us to see if our communities look anything like Jesus. If we dare look in the mirror we may be inspired to leave behind our obsession with consumer-based religion and follow the way of Jesus. Those who do will be set free to imagine creative and whimsical expressions of community.

In Heaven Everyone Will Shake Your Hand Julie Baldyga, 2020-04-17 Julie Baldyga's artwork is distinctive and compelling, and a book about her work is long overdue. Throughout her childhood, Julie's parents took her to doctors in an attempt to learn more about why she was so different from most other children: nonverbal, antisocial, obsessed with wires and hoses and engines. Twice, doctors advised her parents to institutionalize her, saying that she could otherwise be a danger to herself and others. Fortunately, her parents did not take the doctors' advice: Julie would grow up to be a luminous human and a brilliant, prolific artist. *In Heaven Everyone Will Shake Your Hand* takes an in-depth look at this distinctive self-taught artist and her work. This collection of oil pastels, ceramics, and

photographs of her heavenly people--400 remarkable life-size human figures-- not only showcase this singular artist but will also serve as a poignant reminder of what is possible when we refuse to write people off.

A New Way to Be Church Jezreel, Jack, 2018-09-20 Building on his experience as founder of JustFaith, a parish-based program for adult Catholics, Jezreel presents the case for how to renew parish life by promoting lay ministry with an outward mission-driven identity that connects evangelization, faith-formation, service, and social justice.

The Soul Grind Jaydee Graham, 2021-01-15 Jaydee Graham had a golden, idyllic childhood--the youngest child, adored by her parents, her future unlimited. Then a business deal gone wrong plunged the family into difficulties, pushing her father into an addiction that shattered her childhood. When her wild and free spirit clashed with the iron control of family and church, Jaydee went through a series of therapists and hospitals, eventually ending up in long-term residential treatment--all of which alienated her further from her family and drove her into the arms of an abusive boyfriend. Then, when all hope

seemed lost, she found a surprising and miraculous source of love that became the ladder out of the hole her life had become. Endlessly surprising, startling and yet oddly hopeful, *The Soul Grind* tells the tale of a fierce and passionate soul grasping to make sense of a senseless world. A must-read for anyone who's survived trauma, addiction or perhaps just adolescence, this book heralds the addition of a thrilling new voice to the recovery canon.

Available Light, 2017-08-24 Bud Dorsey is West Louisville's most iconic living photographer. While working at American Synthetic Rubber Company in the 1960s, he took photographs on the side and began getting his work published in the Louisville Defender and the Courier-Journal. He freelanced like this into the early 1980s, publishing photographs not just in local newspapers but also in national

publications such as the iconic JET magazine. In 1981, Bud joined the staff of the Defender as its sole full-time photojournalist. Now able to document the community he cared about so deeply on a full-time basis, he became more prolific than ever. In the 20+ years Bud held that position, no one documented life in Louisville—especially within the Black community—more richly than he did. He did it all with modest tools: unremarkable cameras, no lighting equipment, limited supplies of film, and a tiny, simple darkroom. To this day, Bud is seemingly at every event in West Louisville—cultural showcases, church functions, protests, civic meetings, athletic events, crime scenes, etc. He finds almost everything interesting, and as a result his body of work represents an impressively rich portrait of life in Louisville over the years. The photographs in Available Light show us life in Louisville as many of us have never seen it before. Bud teaches us how to look at our community: with love, curiosity, respect, nuance, concern, playfulness, hope, heartbreak, and pride. Available Light is a love letter to Louisville, crafted outside of mainstream arts and media worlds over the course of decades by a man who cares and has always there to bear witness.

Grace Is Greater Kyle Idleman,2017-02-28 The writer of the letter to the Hebrews said, See to it that no one misses the grace of God. Over the centuries much ink has been spilled on the subject of grace. Yet perhaps nothing is as hard to explain as God's grace. It doesn't make sense. It's not fair. It can't possibly cover over what I've done. The best way--perhaps the only real way--to understand it is to experience it. But too often in our churches we're not getting grace across and grace is not

experienced. Bestselling author and pastor Kyle Idleman wants everyone to experience the grace of God. Through the powerful medium of story, *Grace Is Greater* leads readers past their hang-ups toward an understanding of grace that is bigger than our mistakes, our failures, our desire for revenge, and our seemingly impossible situations. No sin is so great, no bitterness so deep that God's grace cannot transform the heart and rewrite the story. Perfect for individuals and also for small groups and church-wide studies, *Grace Is Greater* will help readers truly grasp God's grace, even if the Christians around them have failed to live it.

Better Lucky Than Good Sylvia Arnett, Daisy Baez, Cristina Bahena, Chelsea Bailey, Leonard Bass, Matt Bizzell, Merlin Cano Hernandez, Bob DeSensi, Linda Doane, Monnie Goetz, Sophie Goff, Paul Goffner, Carla Grego, Neil Huffman, Wayne Kestler, Greta Kuntzweiler, Butch Lehr, Lee Lockwood, Kenny Luckett, Wanda Mitchell-Smith, Darial Navas, Henry Osorio Hernandez, Clarke Otte, Eugene Roche, Ryan Rosely, Mark Simms, William Smith, Maria Sol Aller, Andy Spalding, Sherry Stanley, Cristobal Resendiz Trejo, Lee Wagner III, 2019-12-17 Churchill Downs is the epicenter of Kentucky's equine heritage and

the most storied racetrack in the world. More than a thousand workers come to the backside of Churchill Downs on any given day during a meet. Before sunrise, seven days a week, stable hands, hot walkers, grooms, outriders, jockeys, and more tend to the well-being of the horses and the track. Most will never stand in the Winner's Circle. There could be no Kentucky Derby without their contributions. *Better Lucky Than Good* is the most caring, in-depth look into the lives and stories of equine workers ever published--and it was written by the people who live and work on the backside of Churchill Downs. The book's 32 authors include grooms, hot walkers, exercise riders, a clocker, an outrider, assistant trainers, a jockey, a starting gate crew member, a pony person, a horticulturist, a silks seamstress, shedrow foremen, a tack and saddle man, a security guard, a horse tattooer, trainers, an alcohol and drug abuse counselor, a farm manager, a chaplaincy associate, and many more. Every person I know who has ever 'written a horse book,' or worked extensively as a journalist covering the world of the track, has at some point had a version of this thought: If somebody would just do a good oral history, interviewing the people who actually work with the horses--the grooms and

riders and ferriers and assistant trainers, the folks on the backside--it would be worth 10,000 pages of even the best literary description of the sport. Now the Louisville Story Program has done this, and done it beautifully. It's no exaggeration to say that this book has needed to exist for 200 years.--John Jeremiah Sullivan, author of *Pulphead* and *Blood Horses*

Fresh Wind, Fresh Fire Jim Cymbala, 2018-02-20 MORE THAN ONE MILLION COPIES SOLD For anyone seeking to live at the center of God's purposes, this well-loved book points the way to new spiritual vitality in the church and in your own life. A classic must-read for readers looking for hope and transformation in the church today, *Fresh Wind, Fresh Fire* shows what the Holy Spirit can do when believers get serious about prayer and the gospel. As this compelling book reveals, God moves in life-changing ways - calling us back from spiritual dead ends, apathy, and lukewarm religion - when we set

aside our own agendas, take him at his word, and listen for his voice. Pastor Jim Cymbala knows from personal experience. Back in the early 1970s his own church, the Brooklyn Tabernacle, was a struggling congregation of twenty. Then they began to pray, God began to move, and street-hardened lives by the hundreds were changed with the love of Christ. Today, they are nearly ten thousand strong. In this twentieth anniversary edition, Cymbala updates the classic stories, including that of his own daughter, Chrissy Cymbala Toledo. He talks about how the church has grown and how God helped the church move from its location on Flatbush Avenue to a larger facility that the growing church couldn't afford as God continues to dramatically reshape the life stories of so many people who encounter Christ and the power of the gospel. This message of hope and transformation continues. Also available in Spanish, Fuego vivo, viento fresco.

The Case for Heaven Lee Strobel, 2021-09-14 Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell.

We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible,

believable, and exhilarating life to come.

Straight from the Heart Jesus Sherry Lanoie,2020-05-20

One Blood John Perkins,2018-04-03 Dr. Perkins' final manifesto on race, faith, and reconciliation We are living in historic times. Not since the civil rights movement of the 60s has our country been this vigorously engaged in the reconciliation conversation. There is a great opportunity right now for culture to change, to be a more perfect union. However, it cannot be done without the church, because the

faith of the people is more powerful than any law government can enact. The church is the heart and moral compass of a nation. To turn a country away from God, you must sideline the church. To turn a nation to God, the church must turn first. Racism won't end in America until the church is reconciled first. Then—and only then—can it spiritually and morally lead the way. Dr. John M. Perkins is a leading civil rights activist today. He grew up in a Mississippi sharecropping family, was an early pioneer of the civil rights movement, and has dedicated his life to the cause of racial equality. In this, his crowning work, Dr. Perkins speaks honestly to the church about reconciliation, discipleship, and justice... and what it really takes to live out biblical reconciliation. He offers a call to repentance to both the white church and the black church. He explains how band-aid approaches of the past won't do. And while applauding these starter efforts, he holds that true reconciliation won't happen until we get more intentional and relational. True friendships must happen, and on every level. This will take the whole church, not just the pastors and staff. The racial reconciliation of our churches and nation won't be done with big campaigns or through mass media. It will come one loving, sacrificial relationship at a

time. The gospel and all that it encompasses has always traveled best relationally. We have much to learn from each other and each have unique poverties that can only be filled by one another. The way forward is to become wounded healers who bandage each other up as we discover what the family of God really looks like. Real relationships, sacrificial love between actual people, is the way forward. Nothing less will do.

Biblical Spirituality Christopher W. Morgan, 2019-06-24 What is spirituality? For some, it means nothing more than vague self-improvement pulled from the latest best-selling self-help book. For others, it refers to some generic religious practice. Shedding life-giving light on what often remains ill-defined and unclear, this book sets forth a vision of biblical spirituality—"a renewed sense of the momentousness of being alive in God's world as God's people are led by God's Spirit through God's Word unto godly, Christlike character." With careful exegetical work and theological reflection, the contributors—pastors and scholars such as Christopher W. Morgan, Paul R. House, Nathan A. Finn, and Gregg R. Allison—address spirituality from the perspective of the Bible, exploring topics such as

the Trinity, divine sovereignty and human responsibility, the “already” and “not yet,” and the church. This book also addresses practical questions about spirituality related to the workplace, disciplines of the body, and more.

The Poet X Elizabeth Acevedo, 2018-03-06 Winner of the National Book Award for Young People’s Literature, the Michael L. Printz Award, and the Pura Belpré Award! Fans of Jacqueline Woodson, Meg Medina, and Jason Reynolds will fall hard for this astonishing New York Times-bestselling novel-in-verse by an award-winning slam poet, about an Afro-Latina heroine who tells her story with blazing words and powerful truth. Xiomara Batista feels unheard and unable to hide in her Harlem neighborhood. Ever since her body grew into curves, she has learned to let her fists and her fierceness do the talking. But Xiomara has plenty she wants to say, and she pours all her frustration and passion onto the pages of a leather notebook, reciting the words to herself like prayers—especially after she catches feelings for a boy in her bio class named Aman, who her family can never know about. With Mami’s determination to force her daughter to obey the laws of the church, Xiomara

understands that her thoughts are best kept to herself. So when she is invited to join her school's slam poetry club, she doesn't know how she could ever attend without her mami finding out. But she still can't stop thinking about performing her poems. Because in the face of a world that may not want to hear her, Xiomara refuses to be silent. "Crackles with energy and snaps with authenticity and voice." —Justina Ireland, author of *Dread Nation* "An incredibly potent debut." —Jason Reynolds, author of the National Book Award Finalist *Ghost* "Acevedo has amplified the voices of girls en el barrio who are equal parts goddess, saint, warrior, and hero." —Ibi Zoboi, author of *American Street* This young adult novel, a selection of the Schomburg Center's Black Liberation Reading List, is an excellent choice for accelerated tween readers in grades 6 to 8. Plus don't miss Elizabeth Acevedo's *With the Fire on High* and *Clap When You Land*!

Why Does God Care Who I Sleep With? Sam Allberry, 2020-03 Answers one of the biggest barriers to belief. Christians are increasingly seen as outdated, restrictive and judgmental when it comes to sex before marriage, cohabitation and homosexuality. In fact for many people, this issue is one of the

biggest barriers for them considering Christianity. Sam Allberry, author of many books including *Is God Anti-gay* sets out God's good design for the expression of human sexuality, showing that God himself is love and that only he can satisfy our deepest desires. It is a great reminder of the Bible's positive blueprint for love, sex and marriage and ideal for giving away to people who may see this as a stumbling block for belief.
