Saga Land Richard Fidler,Kari Gislason,2017-11-01 'I adored this book - a wondrous compendium of Iceland's best sagas' - Hannah Kent A new friendship. An unforgettable journey. A beautiful and bloody history. This is Iceland as you've never read it before ... Broadcaster Richard Fidler and author Kári Gíslason are good friends. They share a deep attachment to the sagas of Iceland - the true stories of the first Viking families who settled on that remote island in the Middle Ages. These are tales of blood feuds, of

dangerous women, and people who are compelled to kill the ones they love the most. The sagas are among the greatest stories ever written, but the identity of their authors is largely unknown. Together, Richard and Kári travel across Iceland, to the places where the sagas unfolded a thousand years ago. They cross fields, streams and fjords to immerse themselves in the folklore of this fiercely beautiful island. And there is another mission: to resolve a longstanding family mystery - a gift from Kari's Icelandic father that might connect him to the greatest of the saga authors.

Court Reporter Jamelle Wells, 2018-03-01 From true crime to petty crime - this is the memoir of one of Australia's most experienced court reporters. Longlisted in the True Crime category for the 2019 Davitt and Ned Kelly Awards. As a seasoned court reporter, the ABC's Jamelle Wells has filed thousands of stories on murderers, sex offenders, thieves, bad drivers, family feuds and business deals gone wrong. In more than 10 years, Jamelle has witnessed many of Australia's most notorious and high-profile court cases. In the line of duty, she has sat next to criminals and their families, been chased, spat on, stalked and carted off by ambulance for emergency surgery after an accident outside ICAC. Every day in courts across Australia the evidence, facts and theories are played out in a kind of theatre, with their own characters, costumes and traditions. But ever-present is the human tragedy of ordinary people's lives disrupted, destroyed and forever altered. The judges, the lawyers and barristers, the witnesses and the victims -- all striving to play their part in the quest for fairness, justice and always, the truth of what really happened. From the calculated and cruel, to the unfair and unlucky, from pure evil to plain stupid -- Jamelle Wells has seen it all. The Court Reporter is a tough and fearless journalist's memoir that looks at the cases that have shocked, moved and never left us. Praise for Jamelle Wells: 'Jamelle Wells has put justice in the dock. The Court Reporter raises important questions about the administration of the criminal justice system, not only in NSW but nationwide.' Michael Sexton, The Australian 'Frank reporting.' Steven Carroll, The Sydney Morning Herald 'Vivid and gripping. I had to read it in one go.' Richard Glover, ABC Drive 'The Court Reporter is a great read and will be quickly devoured by anyone with an interest in journalism and true crime.' Dr Rachel Franks, Academia Review 'A brilliant book with amazing stories.' Sarah Harris, Studio Ten
