*The Kindle Publishing Bible* Tom Corson-Knowles, 2013 How To Sell More Kindle Ebooks In 7 Days I Believe Kindle Publishing Should Be Fun, Profitable And Very, Very Easy If you want your book to become a Kindle best seller I can show you how! In this best selling book with over 25,000 copies sold, you will learn how to: Increase Your Book's Amazon And Google Search Traffic By 423% In 30 Minutes If you're a self-published author without a large platform or following, you will never be able to promote more than the published authors with huge marketing budgets. But you can outrank them on Amazon search every time! Why? Because 99% of Kindle authors don't know how to increase their search engine rankings in Amazon and Google. But I do - and I'm going to show you how in this book (it won't cost you a dime to implement these strategies). Most authors (even the ones with publishers and big marketing budgets) have no idea how to do keyword research, tag their book, add the right search keywords when they publish their book or insert keywords in their book description without it sounding like it was written by a robot. For New Authors: Step-By-Step Instructions With Picture Tutorials If you're a first-time Kindle publisher or technologically challenged then this book is for you! I even had my Grandma Ann Knowles follow the instructions step by step and she gave it a big thumbs up for easy to use instructions. The playing field has been leveled with ebook publishing - and if my Grandma can do it I guarantee you can too! For Existing Authors: How To Sell More Books In 5 Days Than You Did Last Month I'm going to share with you my KDP Select Free Promotion Marketing Formula for getting tens of thousands of readers to download your book in just 5 days. All you have to do is read the Marketing Formula instructions and follow them (it takes about 3 hours of work to get thousands of new readers). How To Sell On Kindle Using Your Book Description If you think your book is going to sell itself think again! If you're a fiction author or novelist, you have to show your readers the story and engage them in it or they won't buy a book from an unknown author. And if you're a non-fiction author, you have to tell potential readers how your book is going to help them solve their problem fast or they'll click away without buying. I'm going to show you the Show And Tell system for selling more books on Kindle by giving you readers what they want and overcoming objections in your book description! Kindle marketing isn't about having a big marketing budget or publisher behind you - but you still need exposure and a great offer. This book will help you with get more exposure with Amazon search and other great marketing tips. You also have to make buying your book an irresistible offer so that when browsers get done reading your book description they say, I have to buy this book! You can't do that without a strategic plan and a well-written

book description. Bonus! Video interviews with best-selling Kindle authors as they share their coveted book marketing strategies. About The Author My poetry was first published at age 16 in Teen Ink magazine and I started writing books at age 19 but had no idea how to get my message out to anyone other than my friends and family. Finally, I discovered Amazon's Kindle Publishing platform and published my first book on Kindle on February 10, 2012. Since then, I've sold tens of thousands of ebooks on Kindle and now earn a full-time income as a part-time Kindle author. I've since helped hundreds of self-published authors like myself sell more books on Kindle. If I can do it you can too! Learn how to sell more books on Amazon today. Scroll up and grab your copy today.

*Achieving Equilibrium* Gaylin Tudhope,Ros Draper,2023-04-25 A different and exciting form of self-care in the form of practical mind to body self-regulation. In the challenging times of the 21st century, looking after oneself and navigating the bumps in the road has become more difficult than ever. However, this fascinating book, written by two psychotherapists with many years of experience, provides a simple and reliable means of restoring the balance which is vital for the robust body mind system we need if we are to be able to bounce back from adverse experiences. It is this balance (homeostasis) that provides us with the highway to wellbeing and it is our body mind system's innate capacity to self regulate which is at the core of this book. Using six key Autogenic Training exercises, the authors provide readers with the skillset to self regulate at any time or any place. These exercises can activate the parasympathetic nervous system and involve body scans, breathing and other bodily awareness exercises.

**Slides for Students** Gary D. Fisk, 2018-10-16 300 million powerpoint presentations are given daily, yet there is a disconnect between the amazing technology of powerpoint and a mediocre student learning experience. To unleash the full potential of powerpoint presentations, we must do a better job of creating presentations that fit the educational needs of students. Slides for Students does just that. Slides for Students is an open and honest discussion about powerpoint in the classroom. A need exists for thoughtfully designed and implemented classroom instruction that focuses on the learner rather than on the technology. This book was written to translate academic research findings into practical suggestions about powerpoint that educators can use. Divided into two parts, Slides for Students discusses the history of powerpoint, explores academic studies on the topic, and demonstrates how to design slides to best suit educational needs and engage with students to avoid the dreaded death by powerpoint.

The Engagement Sasha Issenberg, 2022-05-31 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • The riveting story of the conflict over same-sex marriage in the United States—the most significant civil rights breakthrough of the new millennium Full of intimate details, battling personalities, heated court cases, public persuasion.” —John Williams, The New York Times On June 26, 2015, the U.S. Supreme Court ruled that state bans on gay marriage were unconstitutional, making same-sex unions legal across the United States. But the road to that momentous decision was much longer than

many know. In this definitive account, Sasha Issenberg vividly guides us through same-sex marriage's unexpected path from the unimaginable to the inevitable. It is a story that begins in Hawaii in 1990, when a rivalry among local activists triggered a sequence of events that forced the state to justify excluding gay couples from marriage. In the White House, one president signed the Defense of Marriage Act, which elevated the matter to a national issue, and his successor tried to write it into the Constitution. Over twenty-five years, the debate played out across the country, from the first legal same-sex weddings in Massachusetts to the epic face-off over California's Proposition 8 and, finally, to the landmark Supreme Court decisions of *United States v. Windsor* and *Obergefell v. Hodges*. From churches to hedge funds, no corner of American life went untouched. This richly detailed narrative follows the coast-to-coast conflict through courtrooms and war rooms, bedrooms and boardrooms, to shed light on every aspect of a political and legal controversy that divided Americans like no other. Following a cast of characters that includes those who sought their own right to wed, those who fought to protect the traditional definition of marriage, and those who changed their minds about it, *The Engagement* is certain to become a seminal book on the modern culture wars.
