As the last child in a family of daughters, seventeen-year-old Janneke was raised to be the male heir. While her sisters were becoming wives and mothers, she was taught to hunt, track, and fight. On the day her village was burned to the ground, Janneke—as the only survivor—was taken captive by the malicious Lydian and eventually sent to work for his nephew Soren. Janneke's survival in the court of merciless monsters has come at the cost of her connection to the human world. And when the Goblin King's death ignites an ancient hunt for the next king, Soren senses an opportunity for her to finally fully accept the ways of the brutal Permafrost. But every action he takes to bring her deeper into his world only shows him that a little humanity isn't bad—especially when it comes to those you care about. Through every battle they survive, Janneke's loyalty to Soren deepens. After dangerous truths are revealed, Janneke must choose between holding on or letting go of her last connections to a world she no longer belongs to. Among the Beasts & Briars Ashley Poston,2020-10-20

Ashley Poston, acclaimed author of Heart of Iron, returns with a dark, lush fairy tale-inspired fantasy for fans of Sara Raasch and Susan Dennard. Cerys is safe in the Kingdom of Aloriya. Here there are no droughts, disease, or famine, and peace is everlasting. It has been this way for hundreds of years, since the first king made a bargain with the Lady who ruled the forest that borders the kingdom. But as Aloriya prospered, the woods grew dark, cursed, and forbidden. Cerys knows this all too well: When she was young, she barely escaped as the woods killed her friends and her mother. Now Cerys carries a small bit of the curse—the magic—in her blood, a reminder of the day she lost everything. As a new queen is crowned, however, things long hidden in the

woods descend on the kingdom itself. Cerys is forced on the run, her only companions a small and irritating fox from the royal garden and the magic in her veins. It's up to her to find the legendary Lady of the Wilds and beg for a way to save her home. But the road is darker and more dangerous than she knows, and as secrets from the past are uncovered amid the teeth and roots of the forest, it's going to take everything she has just to survive.
