

Youtube Video To Mobile Phone Deluxe 2211

Derek Breen

Nuts Alice Clayton, 2015-10-20 The New York Times bestselling author of *Wallbanger* and *Rusty Nailed* is back with *Nuts*, the first in a series set in New York's beautiful Hudson Valley. Roxie Callahan is a private chef to some of Hollywood's wealthiest, and nastiest, calorie-counting wives. After a dairy disaster implodes her carefully crafted career in one fell plop, she finds herself back home in upstate New York, bailing out her hippie mother and running the family diner. When gorgeous local farmer Leo Maxwell delivers her a lovely bunch of organic walnuts, Roxie wonders if a summer back home isn't such a bad idea after all. Leo is heavily involved in the sustainable slow food movement, and he likes to take his time. In all things. Roxie is determined to head back to the west coast as soon as summer ends, but will the pull of lazy fireflies and her very own Almanzo Wilder be enough to keep her home for good? Salty. Spicy. Sweet. *Nuts*. Go on, grab a handful.

Making YouTube Videos Nick Willoughby, 2019-09-06 Everything kids need to create and star in their own video! YouTube has won the hearts, minds, and eyes of kids around the globe. Young people everywhere are making their mark on this popular platform—some of them even gaining massive followings, worldwide recognition, and the paychecks that come along with it. While lots of youngsters are happy to be spectators, others are hungry to create and star in YouTube content of their own—and this book shows them how. Written for kids in a language they can understand, this book helps budding filmmakers and producers create their own videos—no matter the subject. It offers creators the insight on how to plan and shoot quality videos, install and use video editing tools, and post the final product to YouTube. Apply tricks that pro filmmakers use for better shots, lighting, and sound Edit your video, add transitions, insert a soundtrack, and spice things up with effects Shoot and share your video gaming exploits Share finished videos with family, friends, and the world For any kid interested in joining the YouTube revolution, this book is the perfect place to start!

Become a YouTuber Cristina Calabrese, 2017-11-29 GET EYES ON YOUR VIDS If you're the type who goes to YouTube for everything from entertainment to information to a way to communicate with your friends, this is the book you need to build a channel worth subscribing to. Packed with the advice of a video production teacher who's created her own channel, this book offers step-by-step advice for building a YouTube audience. Launch your channel - establish a home on YouTube where people can find your work Create your videos - apply production tricks to create videos that viewers watch over and over again Collaborate with your audience - build a relationship with your viewers that helps your audience grow

Reasonable Faith William Lane Craig, 2008 This updated edition by one of the world's leading apologists presents a systematic, positive case for Christianity that reflects the latest work in the contemporary hard sciences and humanities. Brilliant and accessible.

YouTube Channels For Dummies Rob Ciampa, Theresa Go, Matt Ciampa, Rich Murphy, 2020-09-01 Create a YouTube channel that draws subscribers with top-notch content YouTube has the eyes and ears of two billion monthly users. *YouTube Channels for Dummies*, 2nd Edition offers proven steps to attracting a chunk of those billions to your personal or business channel. This updated guide offers insight from a quartet of YouTube channel content creators, managers, marketers, and analysts as they share the secrets of creating great content, building an audience, and interacting with your viewers. The book includes information on: · Setting up a channel · Creating videos that attract viewers · Putting together a video studio · Editing your final product · Reaching your target audience · Interacting with your fans · Building a profitable business · Tips on copyright law Written for both the budding YouTube creator and the business professional seeking to boost their company's profile on the popular social networking site, *YouTube Channels*

for Dummies allows its readers to access the over two billion active YouTube users who log on each day. Learn how to create a channel, build a YouTube following, and get insight on content creation, planning, and marketing from established YouTube creators.

Meeting the Shadow Connie Zweig, Jeremiah Abrams, 1991-04-01 The author offers exploration of self and practical guidance dealing with the dark side of personality based on Jung's concept of shadow, or the forbidden and unacceptable feelings and behaviors each of us experience.

Clara's Kitchen Clara Cannucciari, Christopher Cannucciari, 2009-10-27 YouTube® sensation Clara Cannucciari shares her treasured recipes and commonsense wisdom in a heartwarming remembrance of the Great Depression Clara Cannucciari is a 94 year-old internet sensation. Her YouTube® Great Depression Cooking videos have an army of devoted followers. In Clara's Kitchen, she gives readers words of wisdom to buck up America's spirits, recipes to keep the wolf from the door, and tells her story of growing up during the Great Depression with a tight-knit family and a pull yourself up by your bootstraps philosophy of living. In between recipes for pasta with peas, eggplant parmesan, chocolate covered biscotti, and other treats Clara gives readers practical advice on cooking nourishing meals for less. Using lessons she learned during the Great Depression, she writes, for instance, about how to conserve electricity when cooking and how you can stretch a pot of pasta with a handful of lentils. She reminisces about her youth and writes with love about her grandchildren and great-grandchildren. Clara's Kitchen takes readers back to a simpler, if not more difficult time, and gives everyone what they need right now: hope for the future and a nice dish of warm pasta from everyone's favorite grandmother, Clara Cannucciari, a woman who knows what's really important in life.

Be Your Future Self Now Dr. Benjamin Hardy, 2023-08-01 This isn't a book about BECOMING it's about BEING: noted psychologist Dr. Benjamin Hardy shows how to imagine the person you want to be, then BE that person now. When you do this, your imagined FUTURE directs your behavior, rather than your past. Who is your Future-Self? That question may seem trite. But it's literally the answer to all of your life's questions. It's the answer to what you're going to do today. It's the answer to how motivated you are, and how you feel about yourself. It's the answer to whether you'll distract yourself on social media for hours, whether you'll eat junk food, and what time you get up in the morning. Your imagined Future-Self is the driver of your current reality. It is up to you to develop the ability to imagine better and more expansive visions of your Future-Self. Your current view of your Future-Self is very limited. If you seek learning, growth, and new experiences, you'll be able to imagine a different and better Future-Self than you currently can. It's not only useful to see your Future-Self as a different person from who you are today, but it is also completely accurate. Your Future-Self will not be the same person you are today. They will see the world differently. They'll have had experiences, challenges, and growth you currently don't have. They'll have different goals and priorities. They'll have different habits. They'll also be in a different world—a world with different cultural values, different technologies, and different challenges.

My First Book with Mayta the Brown Bear Bryan Lukasik, 2021-03-19 My First Book with Mayta The Brown Bear is an excellent first book for your little one! In this book Mayta and B introduce letters, numbers, colors, shapes, fruits, vegetables, musical instruments and more. Mayta The Brown Bear is a gentle, handcrafted early learning show for preschoolers. As parents our goal is to create content that is kind, age-appropriate and encourages our little viewers to create, imagine and participate. For more information visit maytathebrownbear.com.

How To Start a YouTube Channel for Fun & Profit 2021 Edition Ann Eckhart, 2021-04-23 Have you always wanted your own YouTube channel but had no idea

where to start? Then this is the book for you! *How To Start a YouTube Channel for Fun & Profit 2021 Edition: The Ultimate Guide To Filming, Uploading & Promoting Your Videos for Maximum Income* is the definitive book for taking you step-by-step through the entire process of starting your own channel! She also provides you with an extensive list of tags, which are question and answer lists that provide you with easy-to-create videos ideas. Whether you just want the creative outlet of making videos or are seriously interested in learning how to make your YouTube channel an actual business, this book covers it all. Don't miss out on this opportunity to learn all about how to have FUN on YouTube while also racking in the PROFITS!

The Outlaw Ocean Ian Urbina, 2019-08-20 NATIONAL BESTSELLER • A riveting, adrenaline-fueled tour of a vast, lawless, and rampantly criminal world that few have ever seen: the high seas. There are few remaining frontiers on our planet. But perhaps the wildest, and least understood, are the world's oceans: too big to police, and under no clear international authority, these immense regions of treacherous water play host to rampant criminality and exploitation. Traffickers and smugglers, pirates and mercenaries, wreck thieves and repo men, vigilante conservationists and elusive poachers, seabound abortion providers, clandestine oil-dumpers, shackled slaves and cast-adrift stowaways—drawing on five years of perilous and intrepid reporting, often hundreds of miles from shore, Ian Urbina introduces us to the inhabitants of this hidden world. Through their stories of astonishing courage and brutality, survival and tragedy, he uncovers a globe-spanning network of crime and exploitation that emanates from the fishing, oil, and shipping industries, and on which the world's economies rely. Both a gripping adventure story and a stunning exposé, this unique work of reportage brings fully into view for the first time the disturbing reality of a floating world that connects us all, a place where anyone can do anything because no one is watching.

Far From Respectable Daniel Oppenheimer, 2021-06-01 Regarded as both a legend and a villain, the critic Dave Hickey has inspired generations of artists, art critics, musicians, and writers. His 1993 book *The Invisible Dragon* became a cult hit for its potent and provocative critique of the art establishment and its call to reconsider the role of beauty in art. His next book, 1997's *Air Guitar*, introduced a new kind of cultural criticism—simultaneously insightful, complicated, vulnerable, and down-to-earth—that propelled Hickey to fame as an iconoclastic thinker, loved and loathed in equal measure, whose influence extended beyond the art world. *Far from Respectable* is a focused, evocative exploration of Hickey's work, his impact on the field of art criticism, and the man himself, from his Huck Finn childhood to his drug-fueled periods as both a New York gallerist and Nashville songwriter to, finally, his anointment as a tenured professor and MacArthur Fellow. Drawing on in-person interviews with Hickey, his friends and family, and art world comrades and critics, Daniel Oppenheimer examines the controversial writer's distinctive takes on a broad range of subjects, including Norman Rockwell, Robert Mapplethorpe, academia, Las Vegas, basketball, country music, and considers how Hickey and his vision of an “ethical, cosmopolitan paganism” built around a generous definition of art is more urgently needed than ever before.

Creating Digital Animations Derek Breen, 2016-03-21 The easy way to start animating

today! Creating Digital Animations is your ticket to learning animation! Learn how to animate your very own characters using Scratch—the free multimedia tool that lets you create interactive stories, games, and animations. Designed specifically for kids aged seven and up, this easy-to-follow, full-color guide introduces you to important game design concepts through three simple projects. Step-by-step instructions walk you through the four major phases of animation design, showing you how to turn your idea into a real animation with sound effects and more! You'll work just like the pros as you sketch out your main idea, add your own details, and develop a complete, workable character from scratch. If you're curious about coding, animation is the perfect place to start exploring. The Scratch platform doesn't require an actual programming language, but it gets you used to thinking like a programmer while you develop your very own animation. Short on rules but big on fun, this book is your friendly animation coach to get you started on the right foot. Use stick figures to design your characters' 'bones' Flesh out your design and animate movements Create scenes and background locations Add sound to take your animation to the next level Animation is fun! Building your own characters is exciting! And putting the finishing touches on your animation project shows you just how much you can learn while you play. Coding is a valuable skill that will serve you throughout school and beyond, and this book teaches you the basics in a way that leaves you hungry for more. Where will you take your new animation skills next? Creating Digital Animations takes you on the first steps of your journey to wherever you want to go!

The Book of GIMP Olivier Lecarme, Karine Delvare, 2013-01-12 GIMP is a free alternative to Adobe Photoshop with tons of professional-grade features. But with so many powerful tools and menu options, GIMP can be difficult to master. Whether you're struggling to get started or trying to master some of GIMP's more complex features, you'll find the answers you're looking for in The Book of GIMP. The tutorials in the first half of the book walk you through essential GIMP skills, like resizing and cropping images, touching up spots and scratches, and customizing your work area. Illustrated, step-by-step instructions show you how to: -Improve the lighting and composition of images -Remove distortions and noise to make old and damaged photos look like new -Create stunning panoramas and digital collages using a series of photos -Make, edit, and export custom textures, logos, and animated GIFs -Work with selections, channels, and masks to edit images like a pro -Create colorful digital art, layer by layer The book's second half offers a comprehensive reference to GIMP's many features, including color balancing, masks, filters, and plug-ins. You'll find tools described in unparalleled detail, with coverage of nearly every option and parameter. With illustrated tutorials and detailed references, The Book of GIMP is sure to become your one-stop guide to just about everything GIMP.

The Wigwam Resort Lance W. Burton, 2007 The evolution of an arid desert area into the verdant oasis that is the Wigwam Resort was ultimately brought about by an unlikely crop needed by an important American corporation in the early 20th century. The crop was long-staple cotton and the corporation was the Goodyear Tire and Rubber Company. When the U.S. Department of Agriculture discovered that Arizona's Salt River Valley was an ideal location to domestically grow long-staple cotton, Goodyear purchased 16,000 acres in the desert west of Phoenix to cultivate the crop for their newly developed pneumatic tire. The company built a three-room lodge, originally called the Organization House, for the executives that came to oversee the farming operations. The location became a popular winter retreat within the company, and in 1929, Goodyear expanded the facilities and opened The Wigwam as a hotel. As the years progressed, amenities such as golf and fine dining were added, and the Wigwam Resort became one of the premier luxury destinations in the Southwest.

Sandworm Andy Greenberg, 2020-10-20 With the nuance of a reporter and the pace of a thriller writer, Andy Greenberg gives us a glimpse of the cyberwars of the future while

at the same time placing his story in the long arc of Russian and Ukrainian history. —Anne Applebaum, bestselling author of *Twilight of Democracy* The true story of the most devastating act of cyberwarfare in history and the desperate hunt to identify and track the elite Russian agents behind it: [A] chilling account of a Kremlin-led cyberattack, a new front in global conflict (Financial Times). In 2014, the world witnessed the start of a mysterious series of cyberattacks. Targeting American utility companies, NATO, and electric grids in Eastern Europe, the strikes grew ever more brazen. They culminated in the summer of 2017, when the malware known as NotPetya was unleashed, penetrating, disrupting, and paralyzing some of the world's largest businesses—from drug manufacturers to software developers to shipping companies. At the attack's epicenter in Ukraine, ATMs froze. The railway and postal systems shut down. Hospitals went dark. NotPetya spread around the world, inflicting an unprecedented ten billion dollars in damage—the largest, most destructive cyberattack the world had ever seen. The hackers behind these attacks are quickly gaining a reputation as the most dangerous team of cyberwarriors in history: a group known as Sandworm. Working in the service of Russia's military intelligence agency, they represent a persistent, highly skilled force, one whose talents are matched by their willingness to launch broad, unrestrained attacks on the most critical infrastructure of their adversaries. They target government and private sector, military and civilians alike. A chilling, globe-spanning detective story, Sandworm considers the danger this force poses to our national security and stability. As the Kremlin's role in foreign government manipulation comes into greater focus, Sandworm exposes the realities not just of Russia's global digital offensive, but of an era where warfare ceases to be waged on the battlefield. It reveals how the lines between digital and physical conflict, between wartime and peacetime, have begun to blur—with world-shaking implications.

Mrs. Pollifax on the China Station Dorothy Gilman, 2014-05-28 “Absorbing and worthwhile . . . You won't want to put the book down.”—Portland Telegram The cheerful Mrs. Virgil (Emily) Pollifax of New Brunswick, New Jersey, is once again plunged headfirst into a hair-raising CIA mission. Posing as a tourist in China, Mrs. Pollifax meets the sinister challenges of the Orient to safeguard a treasure for the CIA . . . and all but loses her life in the bargain. “Filled with adventures—and misadventures—but through it all Mrs. Pollifax is triumphant.”—Booklist
