

Zeal 10

R Pring

Zeal Without Knowledge Dane C. Ortlund, 2012-07-26 This book examines the concept of 'zeal' in three Pauline texts (Rom 10:2; Gal 1:14; Phil 3:6) as a way-in to discussion of the 'New Perspective' on Paul. The concept of zeal has been discussed in a sustained way by James D. G. Dunn, who argues that Paul was drawing on a long and venerable tradition of Jewish zeal for the nation of Israel, that is, a concern to maintain Israel's distinction from the surrounding nations by defending and reinforcing its boundaries. Ortlund interacts with Dunn, agreeing that this concern for distinctiveness was a crucial, and neglected, concern of Paul's before his conversion. Nevertheless, Ortlund contends that Dunn has presented an overly narrow understanding of Pauline zeal that does not sufficiently locate zeal in the broader picture of general obedience to Torah in Jewish tradition. As such, Ortlund shows in this work that zeal refers most immediately to general obedience to Torah - including, but not to be centrally circumscribed as, ethnic distinction.

Herdbook Containing the Pedigree of Improved Short-horn Cattle ,1888 Vols. - include the Shorthorn Society's Grading register for beef Shorthorn cattle; v. - include the society's Herd book of poll shorthorns.

A Zeal of Zebras Woop Studios, 2012-06-22 An embarrassment of pandas, a galaxy of starfish, a shiver of sharks...these are all collective nouns used to describe their groups. Woop Studios, acclaimed for their work on the Harry Potter movies, has illustrated these quirky phrases, creating a series of extraordinarily beautiful art that has been collected here for the first time. The colorful introduction to animals and the alphabet is accessible for young children, while the gorgeous, whimsical art and clever wordplay make it perfect for design-savvy parents and inspired gift givers. Longer than the standard picture book, with high design and production values, this is a volume readers will want on their coffee tables in addition to their child's bookshelf.

With Zeal and With Bayonets Only Matthew H. Spring, 2012-11-08 The image is indelible: densely packed lines of slow-moving Redcoats picked off by American sharpshooters. Now Matthew H. Spring reveals how British infantry in the American Revolutionary War really fought. This groundbreaking book offers a new analysis of the British Army during the "American rebellion" at both operational and tactical levels. Presenting fresh insights into the speed of British tactical movements, Spring discloses how the system for training the army prior to 1775 was overhauled and adapted to the peculiar conditions confronting it in North America. First scrutinizing such operational problems as logistics, manpower shortages, and poor

intelligence, Spring then focuses on battlefield tactics to examine how troops marched to the battlefield, deployed, advanced, and fought. In particular, he documents the use of turning movements, the loosening of formations, and a reliance on bayonet-oriented shock tactics, and he also highlights the army's ability to tailor its tactical methods to local conditions. Written with flair and a wealth of details that will engage scholars and history enthusiasts alike, *With Zeal and with Bayonets Only* offers a thorough reinterpretation of how the British Army's North American campaign progressed and invites serious reassessment of most of its battles.
