Patricia Hegarty

Zip It Karen Ehman,2017-02-07 This follow-up devotional to the New York Times bestseller *Keep It Shut* takes a deeper look at the advice and commands of Scripture concerning the tongue, offering practical how-to's that will inspire you to use your words to build, bless, encourage, and praise. Each day we speak thousands of words in dozens of places. One thing is certain about the words we speak, type, and text: they are powerful, and they have consequences. They can impart love and life or deliver discouragement and defeat. No wonder Scripture contains more than 3,500 verses about the power of the tongue. This devotional will take you on a journey over the next forty days to learn to choose and use your words wisely--saving you a boatload of regret and wounded relationships. Each of the forty interactive entries includes a Scripture-verse focus for the day, a story or teaching point, and reflection questions. Each entry ends with both an action that will help you carry out the directive in the verse and a prayer prompt. The entries in *Zip It* build upon each other, equipping you with new tools for how--or how not--to use your words. Ultimately, *Zip It* will challenge you to use your mouth with godly purposes. To build . . . not to break. To bless . . . not to badger. To encourage . . . not to embitter. To praise . . . not to pounce.

Keep It Shut Karen Ehman,2015-01-06 Kind, encouraging, and humorous, Karen Ehman helps us learn the essential practice of using our words more effectively--alleviating heartache and regret, reducing relational tension and conflict, lessening our stress levels, and growing our relationship with God. From Bible times to modern times women have struggled with their words. What to say and how to say it. What not to say. When it is best to remain silent. And what to do when you've said something you wish you could now take back. In this book a woman whose mouth has gotten her into loads of trouble shares the hows (and how-not-tos) of dealing with the tongue. Beyond just a how not to gossip book, this book explores what the Bible says about the many ways we are to use our words and the times when we are to remain silent. Karen will cover using our speech to interact with friends, co-workers, family, and strangers as well as in the many places we use our words in private, in public, online, and in prayer. Even the words we say silently to ourselves. She will address unsolicited opinion-slinging, speaking the truth in love, not saying words just to people-please, and dealing with our verbal anger. Christian women struggle with their mouths. Even though we know that Scripture has much to say about how we are--and are not--to use our words, this is still an immense issue, causing heartache and strain not only in family relationships, but also in friendships, work, and church settings. Also available: *Keep It Shut* small group video study and study guide.

Zip Zap Mike Gaddis,2006 Mike Gaddis swore to be painfully selective in choosing the puppy that would accompany him on the horseback pointing dog trials he so badly wanted to participate in. He knew the smallest female born sixth in the litter of twelve English setters was special, but he didn't understand the power of her potential until he let her loose in the field. Her lightning speed earned her the name Zip Zap, and she grew to be the best bird dog Gaddis ever owned. In this memoir, Gaddis celebrates the dog's indomitable spirit and tells the story of training and developing superior pointers, from their first unrefined runs in the amateur puppy stakes to winning major championships.

Just Add Music David J. McMullen,2013-08-23 Everyone loves a song! But what is a song? To pare it back to basics, a song is a three- to five-minute story usually set to music. It generally consists of three or more verses tied together by a chorus. While the music is vital in conveying what the song sounds like and in capturing the listener's attention, it is the lyrics and the vocalist's interpretation of them that tell the story. In *Just Add Music*, or *JAM*, David J McMullen has compiled the lyrics to fit most popular genres of music, including but not limited to rock, pop, blues, country, Caribbean and adult contemporary. *JAM* is a book of 55 sets (Top 50 Plus 5) of song lyrics written for composers, producers and musicians to add the music to complete each song.
