Zombie Apocalypse! Acapulcalypse Now Stephen Jones,Alison Littlewood,2015-09-17 The Hotel Baktun is an exclusive vacation complex that is about to open on the coast of Acapulco, Mexico. Owned by a mysterious multi-millionaire businessman, it is shaped like an ancient Mayan pyramid and its halls are lined with rare and expensive artefacts. For Stacy Keenan, the hotel's new Head of Security, things are already chaotic as the locals continue to put the finishing touches to the festivities while VIPs begin to arrive for the grand opening. When a Russian cruise ship turns along the shore and disgorges its cargo of flesh-eating zombies, the guests and staff soon fragment into various factions as they struggle to withstand the spread of HRV (Human Reanimation Virus). As the armies of the dead conquer all that stand before them, and the human survivors prepare for a final battle against an unstoppable enemy, a horror even more ancient and terrible is revealed when 'The Death' comes to Paradise . . .

The Modern Divine Comedy Book 8: Paradiso 2 Departure Andrew J. Farrara, 2022-10-13 The PARADISO is considered the most perfect part of the hereafter where the souls are permitted to live eternally if they can successfully complete the very difficult Celestial Examination process engaging the intellectual and personal guilt and forgiveness requirements system. Many celestial citizens take years, decades or centuries to complete. The Celestial Trial of Josephus, the Annual Lantern Parade and Romano's awakening from his dream nightmare at the ending are the major subjects in this Book. This Celestial Trial of the ancient Jewish General and Roman writer, propagandist and collaborationist Flavius Josephus in discovering the real Spiritual Truths at the Celestial Supreme Court headed by the Biblical prophets Noah, Abraham and Moses is portrayed. Josephus is defended in Court by a late 19th century mortal American Barrister named Darryl Buchanan from Philadelphia who just successfully defended John D Rockefeller before Almighty GOD Himself in God's Personal Supreme Peoples Court. The goal of the Celestial Trial of 'Josephus verses the Celestial Kingdom' is to discover the Holy Secrets and Spiritual Truths of his writings as to determine whether he did or did not fabricate and/or conceal the Biblical truths and steal the Prophecy that the next Ruler of the Roman Empire was destined to come from Judea to save his own body and soul? The Annual Lantern Parade at the Celestial Circus Maximus on Christmas Day has been a tradition since Jesus died on the Cross in the first century AD. The theme this year is called the Ancient & Divine Mysteries of the Universe. BOOK FOUR ends with the Devil and his Three Crown Princes still trying to manipulate, dominate and overthrow the Kingdom with a Final Curtain Call where the Tragic End Game occurs and the Mise-en-Abime shows the hero Journalist Romano home awoken immediately after his dream in his basement apartment at a New York City Catholic Church.

Zombies: A Record of the Year of Infection Don Roff, 2010-07-01 Experience the zombie apocalypse with this illustrated survivor's journal full of chilling tales of terror. The year is 2012, and what starts as a pervasive and inexplicable illness ends up as a zombie infestation that devastates the world's population. Taking the form of a biologist's illustrated journal found in the aftermath of the attack, this pulse-pounding, suspenseful tale of zombie apocalypse follows the narrator as he flees from city to countryside and heads north to Canada, where he hopes the undead will be slowed by the colder climate. Encountering scattered humans and scores of the infected along the way, he fills his notebook with graphic drawings of the zombies and careful observations of their behavior, along with terrifying tales of survival that will keep readers on the edge of their seats right up to the very end. Praise for *Zombies* "Influenced by Richard Matheson's *I Am Legend*, *Zombies* is a genuinely chilling and logical look at a zombie invasion. The matter-of-fact descriptions of the symptoms and effects, coupled with the detailed drawings of both victims and scenarios make it a creepy read A tremendous addition to any zombie book collection."

Dead Army Anthony Giangregorio, 2013-03-01 Years have passed since the dead first began to walk, and the world is a very different place. Gone are the luxuries man once enjoyed, to be replaced with a want for basic necessities, such as food, clothing, shelter, and of course, safety from the walking dead. At a time when the survivors of the land believe the undead scourge is almost over, as the dead begin to fade away, a new threat rises from out of the Nevada desert. A lone zombie has appeared with the power to control the undead, and this thinking, reasoning ghoul has a hate for mankind that has rarely been seen before. Gathering the living dead to him, this zombie king begins to sweep across the state, absorbing every town and enclave he comes across, killing the inhabitants and turning them into zombies so they can join his dead army. Henry Watson and his warrior survivalists discover the threat of the zombie king before they reach the next town in their travels, where the group tries desperately to convince the town leaders of their dire fate. But when the dead army arrives and surrounds the town, causing an unending siege that will result in the death of every living human being within its walls, it will be up to Henry to risk all for his friends and the human race. If he fails, there will be no stopping the dead army before it wipes humanity from the planet, leaving nothing but the dead to inherit the earth. In a world filled with the living dead, you can either fight or die.

Dead Island Mark Morris, 2011 Suddenly, and without warning, a terrifying plague breaks out on Banoi. Resort guests, hotel staff, islanders are infected overnight ... and transformed into the ravaging, flesh-craving living dead. For those few who, for some reason, are immune to this apocalypse it becomes a race against time. To survive, to get off the island and warn the world before it's too late. But first they must escape the clutches of the zombie hordes ...--P. [4] of cover.

Dead: Reclamation: Book 10 of the Dead Series Tw Brown, 2014-10-31 Years have passed since the dead rose and wiped out most of the living. Many survivors have gathered in pockets around the world. Some are bent on trying to restore what once was, others with a mind to create something new and better from the ashes of civilization, and then there are those who now thrive in the hellish chaos of lawlessness. While the undead currently roam the world in herds that can often stretch for miles and number in the millions, the zombies are no longer the biggest threat to humanity's continued existence. That distinction has returned to mankind. Those who are immune to the zombie infection are now either reviled or revered. Some have become human biological weapons, while others are seen as the last hope for the continued existence of the human race. They are a symbol of hope for some...fear to others. **DEAD: Reclamation**
