The Girl Before Rena Olsen,2016-08-09 In this powerful psychological suspense debut, when a woman's life is shattered, she is faced with a devastating question: What if everything she thought was normal and good and true…wasn't? Clara Lawson is torn from her life in an instant. Without warning, her home is invaded by armed men, and she finds herself separated from her beloved husband and daughters. The last thing her husband yells to her is to say nothing. In chapters that alternate between past and present, the novel slowly unpeels the layers of Clara's fractured life. We see her growing up, raised with her sisters by the stern Mama and Papa G, becoming a poised and educated young woman, falling desperately in love with the forbidden son of her adoptive parents. We see her now, sequestered in an institution, questioned by men and women who call her a different name—Diana—and who accuse her husband of unspeakable crimes. As recollections of her past collide with new revelations, Clara must question everything she thought she knew, to come to terms with the truth of her history and to summon the strength to navigate her future.

⊞ *The Fabulous Sylvester* Joshua Gamson,2013-07-30 A journey back through the music, madness, and unparalleled freedom of an era of change-the '70s-as told through the life of ultra-fabulous superstar Sylvester Imagine a pied piper singing in a dazzling falsetto, wearing glittering sequins, and leading the young people of the nation to San Francisco and on to liberation where nothing was straight-laced or old-fashioned. And everyone, finally, was welcome-to come as themselves. This is not a fairy tale. This was real, mighty real, and disco sensation Sylvester was the piper. Joshua Gamson-a Yale-trained pop culture expert-uses him, a boy who would be fabulous, to lead us through the story of the '70s when a new era of change liberated us from conformity and boredom. Gamson captures the exuberant life, feeling, energy, and fun of a generation's wonderful, magical waking up-from the parties to the dancing and music. The story begins with a little black boy who started with nothing but a really big voice. We follow him from the Gospel chorus to the glory days in the Castro where a generation shook off its shame as Sylvester sang and began his rise as part of a now-notorious theatrical troup called the Cockettes. Celebrity, sociology, and music history mingle and merge around this endlessly entertaining story of a singer who embodied the freedom, spirit, and flamboyance of a golden moment in American culture.

⁅ **I Hate Everyone...Starting with Me** Joan Rivers,2012-06-05 "An entertaining rant...The only thing missing is the sound of a drumroll and cymbals to feel as though one is sitting in a nightclub watching a live comedy marathon...A raucous, biting look at life."—Kirkus Reviews "Nobody, but nobody, can hate like Joan Rivers. It is a gift. It is also shocking, the things she makes us laugh at...Joan Rivers is extraordinary, but she's not for the easily offended—or for anyone who gets offended at all."—People Joan Rivers, comedienne, actress, jewelry monger, and an award-winning international star (she can sneer in eight different languages) lives by her own golden rule: Do unto others before they do unto you—and for God's sakes, do it funny! Her career in comedy may have begun with self-loathing, but, after looking at the human decrepitude around her, she figured Why stop here when there are so many other things to hate? With all of her diverse experiences, Joan has looked down at, turned away from, and thrown up over a lot of hateful things, deplorable places, and despicable people. Thank God she took notes. Here—uncensored and uninhibited—Joan says exactly what's on her mind...And HER mind is a terrible thing to waste. She proudly kicks the crap out of ugly children, dating rituals, funerals, and lousy restaurants. She nails First Ladies, closet cases, and hypocrites to the wall. She shows no mercy towards doctors and feminists, and even goes after Anne Frank and Stephen Hawking. Joan lets everyone—including herself—have it in this one hundred percent honest and unabashedly hilarious love letter to the hater in all of us.
