Elementary Zulu M. F. W.,1921

One-hour Skirmish Wargames John Lamshead,2018-09-30 Many wargamers enjoy the challenge of skirmish games where, instead of the strategy of vast armies portrayed by traditional wargames, the focus is on the tactics of a small unit. However, skirmish rules are often so complex that it can take hours of rolling dice, consulting tables and recording data to recreate what would in reality be a fast and furious firefight lasting just minutes. Now these new rules make it possible to recapture the speed and intensity of these actions where every man, and every second, counts. The basic rules are supported by sections which give special rules and scenarios to capture the flavor of a range of different periods, from Napoleonic to Modern Warfare and beyond with Sci-Fi. From the 95th Rifles scouting for Wellington, Western gunfights and WWI trench raids, through WW2 parachute assaults or Special Forces strikes in Afghanistan, or even Space Marines storming a space station, Squad Firefights elegantly simple system allows you to focus on proper tactical decisions rather than rolling buckets of dice or calculating masses of modifiers.

The Zulu Principle Jim Slater,2010-12-14 Jim Slater's classic text made available once more Jim Slater makes available to the investor - whether the owner of only a few shares or an experienced investment manager with a large portfolio - the secrets of his success. Central to his strategy is The Zulu Principle, the benefits of homing in on a relatively narrow area. Deftly blending anecdote and analysis, Jim Slater gives valuable selective criteria for buying dynamic growth shares, turnarounds, cyclicals, shells and leading shares. He also covers many other vitally relevant aspects of investment such as creative accounting, portfolio management, overseas markets and the investor's relationship with his or her broker. From The Zulu Principle you will learn exactly when to buy shares and, even more important, when to sell - in essence, how to to make 'extraordinary profits from ordinary shares'.
