If you want to quickly get into level 60 raids and dungeons, you'll need this guide! Why World of Warcraft Classic? Like many of you, I have fond memories of the original WoW and its Burning Crusade Expansion. I remember a time before instant gratification, achievements, and cross-realm group finder, where your reputation, skill as a player, and social connections mattered. When faced with the challenges of Azeroth, we all had to make friends and work together. With the return of classic WoW, we can all have that again: friendships that last beyond the game instead of gear that is recycled with each content patch. Classic Wow is about quality over quantity. While I have nearly 200 mounts on regular WoW, none feel as rewarding as my original level 60 mount. With this series of Guides, you can become that legend again or become a new legend, in the most important MMORPG of our time.

Warcraft: War of the Ancients #2: The Demon Soul Richard A. Knaak, 2007-05-01 THE BURNING LEGION HAS COME. Led by the mighty Archimonde, scores of demonic soldiers now march across the lands of Kalimdor, leaving a trail of death and devastation in their wake. At the heart of the fiery invasion stands the mystic Well of Eternity -- once the source of the night elves' arcane power. But now the Well's energies have been defiled and twisted, for Queen Azshara and her Highborne will stop at nothing

to commune with their newfound god: the fiery Lord of the Burning Legion...Sargeras. The night elf defenders, led by the young druid, Malfurion Stormrage, and the wizard, Krasus, fight a desperate battle to hold back the Legion's terrible onslaught. Though only embers of hope remain, an ancient power has risen to aid the world in its darkest hour. The dragons -- led by the powerful Aspect, Neltharion -- have forged a weapon of incalculable power: the Dragon Soul, an artifact capable of driving the Legion from the world forever. But its use may cost far more than any could have foreseen. The second novel in an original trilogy of magic, warfare, and heroism based on the bestselling, award-winning electronic game series from Blizzard Entertainment.

Why Gather Jess Di Sabatino, 2021-10-29 The pandemic changed us all. After being apart for so long many of us are asking, Does the church really matter? or, Why would I need to complicate my life with another community of people? If the church was not an essential part of our lives before this time it easily becomes a casualty of newly formed routines and ways of living. Many of us have wondered whether our relationship with Jesus can exist without the church. But can we really engage our faith in a vibrant and growing way without the church? Perhaps we will look

back at this season and be thankful for the clarifying nature of the chaos we have endured. In some ways we have been given a gift. A rare opportunity to really ask ourselves, why does the church exist? We have the chance to examine both our intent and our practices making sure they line up with our Biblical values and beliefs. Why Gather is a short book that examines why we gather as a church. It is no longer enough to assume that people will come together consistently because it is something we have done in the past. We need logical reasons and a new apologetic for why the church exists and why we should engage in community together. This little book will give you the opportunity to ask difficult questions and look at scriptures that point us to the reason for our gathering. Sometimes we don't know why we do the things we do until they are challenged - let's allow the challenges we are currently facing lead us to a deeper knowing, understanding and commitment to Jesus and His church.
