Ella Fitzgerald J. Wilfred Johnson,2010-08-05 Ella Fitzgerald was one of America's greatest jazz singers. This volume is as complete a discography of her recorded songs as currently seems possible to compile. This volume also contains a complete discography (1927-1939) for drummer and bandleader Chick Webb, with whom Ella began her recording career in 1935. Part One includes a chronological listing of all known recorded performances of both Chick Webb and Ella. Part Two gives the complete contents of Ella's LPs and CDs, including track listings, titles (with lyricists and composers) and timings. Part Three is an annotated alphabetical listing of all songs contained on all of Fitzgerald's records, with detailed information on each song's composer, lyricist, and history. Reviews of the movies in which Ella appeared and surveys of her career with the Decca, Verve and Pablo music companies are included. The book also has an index of album and CD recordings, and composers, lyricists and musicians.

The Papers of Martin Luther King, Jr., Volume III Martin Luther King,1992 First in a series of 14 volumes, this book contains the complete texts of King's letters, speeches, sermons, student papers, and other articles. The papers range chronologically from his childhood to his young manhood. An introductory biographical essay presents a broad picture of the events that the documents themselves cover, while extensive annotations of the documents deal with specific details of King's life during these years. The passion that drove him is observable in nearly every document. ISBN 0-520-07950-7:

The Papers of Martin Luther King, Jr., Volume III Martin Luther King Jr.,2023-11-10 Martin Luther King, Jr.'s ideas—his call for racial equality, his faith in the ultimate triumph of justice, his insistence on the power of nonviolence to bring about a major transformation of American society—are as vital and timely as ever. The wealth of his writings, both published and unpublished, is now preserved in this authoritative, chronologically arranged multi-volume edition. Volume III chronicles the Montgomery bus boycott of 1956 and Dr. King's emergence as a public figure who attracted international attention. Included is the galvanizing speech he gave on the first day of the bus boycott, transcribed from a fragile tape recording and published here in its entirety for the first time. Also included are his remarks to an angry crowd after the bombing of his home and his powerful speech at the 1956 NAACP convention. King's words from this period reveal the evolution of his distinctive blend of Christian and Gandhian ideas and show his appreciation of the broader significance of the Montgomery movement, a protest that revealed the longing for human dignity that motivates oppressed people all over the world. The Papers of Martin Luther King, Jr. is a testament to a man whose life and teaching continue to have a profound influence not only on Americans, but on people of all nations. The Martin Luther King, Jr., Papers Project at Stanford University was established by The Center for Nonviolent Social Change, Inc., in 1984.
