The 10-Second Rule Clare De Graaf,2013-04-17 The 10-Second Rule empowers readers to take simple -baby steps- of obedience, as God directs them to do the next thing they are reasonably certain Jesus wants them to do ' and to do it quickly before they change their minds. The simple rule is this: Just do the next thing you're reasonably certain Jesus wants you to do-and do it within the next 10 seconds. This is a memorable, simple way to be attentive and courageously obedient to the voice of God. The power of this concept is in its simplicity-and yet it gets straight to the heart of what it means to actually follow Jesus. The 10-Second Rule relates stories of ordinary men and women who are living by The Rule and how it has shaped and transformed their lives. It also shares practical tips for discerning God's will, recognizing his voice, and studying Scripture. Living by The Rule is a call to rediscover the revolutionary power of the simple message of Jesus.

10 Minutes 38 Seconds in This Strange World Elif Shafak,2019-09-24 Shortlisted for the 2019 Booker Prize Named a Best Book of the Year by Bookpage, NPR, Washington Post, and The Economist A moving novel on the power of friendship in our darkest times, from internationally renowned writer and speaker Elif Shafak. In the pulsating moments after she has been murdered and left in a dumpster outside Istanbul, Tequila Leila enters a state of heightened awareness. Her heart has stopped beating but her brain is still active-for 10 minutes 38 seconds. While the Turkish sun rises and her friends sleep soundly nearby, she remembers her life-and the lives of others, outcasts like her. Tequila Leila's memories bring us back to her childhood in the provinces, a highly oppressive milieu with religion and traditions, shaped by a polygamous family with two mothers and an increasingly authoritarian father. Escaping to Istanbul, Leila makes her way into the sordid industry of sex trafficking, finding a home in the city's historic Street of Brothels. This is a dark, violent world, but Leila is tough and open to beauty, light, and the essential bonds of friendship. In Tequila Leila's death, the

secrets and wonders of modern Istanbul come to life, painted vividly by the captivating tales of how Leila came to know and be loved by her friends. As her epic journey to the afterlife comes to an end, it is her chosen family who brings her story to a buoyant and breathtaking conclusion.

The 10-Second Philosophy Derek Mills, 2012-09-03 Everything was on a downward spiral in Derek Mills' life - his work, his physical and mental health, his relationships with family and friends. But it only took one insignificant question from an office security guard one night for Derek to stop, connect deep within himself and in the next 10 seconds begin to see a way to change his entire life completely. Over the next few years this led to him making amazing changes that created balance and harmony in all areas of his life, becoming a millionaire businessman and developing and sharing his methodology, *The 10-Second Philosophy®*, in front of international audiences as a speaker and coach. In this book, Derek invites you to use the words, phrases and questions we encounter in our everyday lives to stop, go inside and access our TrueSelf. From this place, we can set Standards® - not

goals - for all areas of our life, to experience the same amazing transformation that he did. With stories, philosophy, exercises and quotes, this is a book of practical enlightenment from a man who became an unintentional guru for many people when they started asking how he changed his life around and how they could too. This is his story so far and it can be the doorway to your own journey of change and instant success.
