Fodor's Travel Publications, Inc.

Porsche Werks/ Team Frank Kayser, Heike Hientzsch, 2018

Endurance races are the supreme discipline in motorsports. Several times per year, the best race drivers worldwide are on the tracks for 24 hours. The 24-hour races at the Nurburgring and in Daytona are the toughest tests for man and material. Le Mans as the third run is the icon among the legendary races. In recent years, Porsche set standards in the endurance race world championship - with perfection and passion. Star photographer Frank Kayser and his team observed the delicate and deeply exhausting work of the Porsche team for three years. The world-famous photographer was allowed where other press photographers were not: in the pit, in the pit lane during the change of tyres and drivers, in the closed off areas of the racers' quarters. His photos show the stress, the top performance, the eternal night, and the success of perfection. AUTHORS: With photography by Keyser, detailing a world previously unseen by outsiders, and a passionate text by journalist Heike Hientzsch sketching the participants' emotions, this book illustrates the true nature of endurance races - the tension, exhaustion, and the dedication. SELLING POINTS: * 24-hour races are the supreme discipline in motorsports. Every year, more than 200,000 fans meet in Le Mans for the race over the weekend. This book goes behind the scenes to document every detail and emotion * The photographer and author spent three years following the Porsche team * Special edition, limited to 99 copies, signed and numbered 209 colour images

24 Hours Richard Williams, 2023-05-25 Award-winning writer Richard Williams tells the remarkable story of the 24 Hours of Le Mans, one of the world's most iconic motorsports events, which celebrates its centenary in 2023. The event was created by a group of Frenchmen in 1923 and remains uniquely compelling to spectators, to the major motor manufacturers who continue to see it as an opportunity for priceless publicity, as well as to drivers

hoping to add their names to its distinguished roll of honour. Between the wars, those manufacturers included Bugatti, Bentley and Alfa Romeo. Subsequently, Ferrari, Jaguar, Mercedes, Aston Martin, Ford, Porsche, Audi and Toyota have all been serial winners, guaranteeing the continuation of ferocious inter-marque rivalry. Over the decades the race acquired a rich folklore, including stories of leaking petrol tanks being sealed with chewing gum, one competitor making his last pit-stop for a fill-up and a glass of champagne, or the woman who drove her MG through the night wearing a fur coat. Competitors have included princes, debutantes, drug smugglers and a Nazi spy. Leading Hollywood film-makers lured to the romance of the race include Steve McQueen, who conceived and starred in Le Mans in 1971, and James Mangold, who made Le Mans '66 in 2019. But in 1955 it had also been the scene of the greatest tragedy ever to befall motor racing, when 82 people were killed by a competing car, an accident that for a while threatened the sport's entire future. From the Bentley Boys of the 1920s, through record-breaking multiple winners Jacky Ickx and Tom Kristensen to modern stars such as Allan McNish, 24 Hours celebrates the skill, courage and technical brilliance of the men and women who gave the race its worldwide renown.
