Today only, get this book. Read for free on Kindle Unlimited AND get a FREE BONUS e-book! This Recipe Book Is The #1 Things You Need To Make Healthy, Easy and Delicious Meals! Soup is a liquid dish, the first course. Many varieties of soups got their own names, some kept the word soup in their names. Soup is the common name of a group of liquid culinary products that are common in national culinary traditions around the world. The main feature of the soup is that this dish is 50% liquid. In addition, the soup is prepared using this method of thermal cooking ingredients as cooking. Another feature of the dish can be considered that the vast majority of soup is prepared using water. Most often soups are cooked, but there are exceptions. In General, the variety of this dish is due to the area in which it is prepared. For example, there are quite strong differences between Lithuanian, Ukrainian and Russian borscht, although it would seem that the main recipe should be preserved everywhere along with the name of the dish.
