**A Deal to Die For** Albert Able,2014-05-27 This intriguing thriller is sure to keep you turning the pages when after a long and bloody struggle, one of the most notorious International Crime organisations in recent history the Syndicate is thought to have been finally neutered by the United Nations secret agency 'Special Operations National and International Crime' known as SONIC. Yet the Syndicate's terrifying spectra unexpectedly returns when so incensed by the humility of defeat, the former leader Carl Peterson, who's true identity is still unknown to the authorities, returns and mobilizes his enormous wealth and together with a selection of willing vassals aims to acquire the vital components necessary to manufacture one of man's most feared and deadly weapons the 'tactical nuclear bomb'. The next burning question for Peterson is how and where to launch this terrifying weapon so that it will satisfy his deep rooted passion for vengeance. SONIC's former agent Alex Scott is brought back from retirement, he has battled head to head with them in the past and his understanding of the leader's devious mind means that Alex is probably the only man who can intervene to halt the dreadful consequences of the plan. **A Deal to Die For** Josie Belle,2012-12-31 By Jenn McKinlay, author of the Library Lover's mysteries and the Cupcake Bakery mysteries, writing as Josie Belle The coupon-clipping discount divas are back in the bargain-hunting mystery series that's "more fun than a closeout sale."\* Letting no good deal go undone, the Good Buy Girls are ready to pounce on the St. Stanley flea market, where wealthy Vera Madison is selling off her vintage clothing. The widow's wardrobe is just what Maggie Gerber needs to give her second-hand shop, My Sister's Closet, the edge over vindictive rival Summer Phillips, who's opened her own second-hand shop across the street. But when Vera is found dead, it turns out that she collected enemies like Dior gowns—and had more than a few skeletons in her walk-in closet. Now it's up to Maggie and the Good Buy Girls to sort through the racks of suspects for the killer and get back to the business of bargains... INCLUDES BARGAIN-HUNTING TIPS \*National Bestselling Author Krista Davis

**Deal to Die for** Les Standiford,1996-07-25 Small-time building contractor John Deal's life is unraveling faster than a film reel spinning off a projector. His best friend Barbara Cooper takes her own life--but does she? **A Deal to Die For** Charles Ray,2018-01-29 She was rich, and she was afraid. The victim of a real estate fraud scheme, she's now suspected of killing the man who defrauded her. She comes to Al for help in proving her innocence; a problem, given that Al really doesn't care much for rich, spoiled people who don't know what it's like for the average guy. He takes the case anyway, because he doesn't like to see the innocent suffer, even the rich innocent, and finds himself neck-deep in fraud and murder. Identifying the guilty party is a real challenge when someone's trying to kill you. From the working-class neighborhoods of Rockville, Maryland, to the dingy streets of Northwest DC, Al follows a faint trail, trying to identify a cold, calculating killer. At the same time, danger shadows his every step. With the clock ticking, and his client's continued freedom in doubt, Al has to do the impossible. But, the more complex the problem, the more Al likes it; and he really loves this one.

**To Die For** Joyce Maynard,2012-04-17 "A seductive page-turner" about a murderously ambitious cable-news star by the New York Times–bestselling author of *Labor Day* (The New York Times Book Review). Local weather reporter Suzanne Maretto craves nothing more than to transcend life at her suburban cable television news station and follow in the footsteps of her idol: Barbara Walters. When she concludes that her unglamorous husband is getting in the way of her dream of stardom, the solution seems obvious: Get rid of him. She seduces a fifteen-year-old admirer, Jimmy, and persuades him to do her dirty work. Mission accomplished, Suzanne takes to the airwaves in her new role as grieving widow, in search of a TV deal. If that means selling Jimmy down the river, she's ready. Maynard's brilliant, funny, and groundbreaking novel—adapted by Gus Van Sant into the cult classic movie of the same name, starring Nicole Kidman—was first published in 1992 before the era of manufactured stardom and the phenomenon of televised murder trials as entertainment. The book still stands as a razor-sharp satire of celebrity-fixated culture and the American obsession with TV—a novel that imagined the phenomenon of reality television before its creation, with alternately bone-chilling and hilarious accuracy. This ebook features an illustrated biography of Joyce Maynard including rare photos from the author's personal collection.

*Deal to Die For* Les Standiford, 2011-05-27 This suspenseful third John Deal crime thriller from Standiford finds the Miami building contractor tangling with Chinese gangsters who are trying to move in on a scheme hatched by two Hollywood porno magnates to create X-rated films for the huge mainland Chinese market. Deal already has troubles enough?his wife, Janice, has sunk into a deep depression over the serious burns she suffered in last year's *Raw Deal*, and a close friend has apparently committed suicide, shortly after she has told her film-star sister, Paige Nobleman, that Paige was adopted. Deal and his tenant/pal, ex-cop Vernon Driscoll, begin investigating Paige's birth and, eventually, the friend's death, following leads that take them directly into the porno scheme and the path of some deadly Chinese gang members. Standiford, an unusually fine thriller writer who has won the Frank O'Connor Award for Short Fiction and who directs the creative writing program at Florida International University, is at the top of his game here, displaying excellent pacing and a particular affinity for action scenes. The ongoing saga of John Deal remains especially intriguing above all, however, because its author drenches each volume in the ambiguities?sometimes rewarding, sometimes nightmarish?of real life.

**Girl Shattered** William Rey, 2015-07-02 Shortly after marrying Yancy, William discovered that he had unwittingly married 36 girls, all in one gorgeous package. Multiple Personality Disorder is somewhat rare and normally treated by a professional, but the cost is prohibitive and the time required to affect a cure is long. Having neither of those resources available, William elects to become her Psychiatrist, and as things would turn out, her Exorcist! He believed that if a doctor could become a pilot, he could become a doctor!

**A House to Die for** Vicki Doudera, 2010 When a malicious local scuttles the sale of a Maine island estate by digging up an obscure deed restriction, and the back-up buyer is found hacked to death, realtor Darby Farr must salvage the deal, piece together this deadly puzzle, and somehow stay alive.

**To Die for the People** Huey Newton, 2020-09-02 A fascinating, first-person account of a historic era in the struggle for black empowerment in America. Long an iconic figure for radicals, Huey Newton is now being discovered by those interested in the history of America's social movements. Was he a gifted leader of his people or a dangerous outlaw? Were the Black Panthers heroes or terrorists? Whether Newton and the Panthers are remembered in a positive or a negative light, no one questions Newton's status as one of America's most important revolutionaries. *To Die for the People* is a recently issued classic collection of his writings and speeches, tracing the development of Newton's personal and political thinking, as well as the radical changes that took place in the formative years of the Black Panther Party. With a rare and persuasive honesty, *To Die for the People* records the Party's internal struggles, rivalries and contradictions, and the result is a fascinating look back at a young revolutionary group determined to find ways to deal with the injustice it saw in American society. And, as a new foreword by Elaine Brown makes eminently clear, Newton's prescience and foresight make these documents strikingly pertinent today. Huey Newton was the founder, leader and chief theoretician of the Black Panther Party, and one of America's most dynamic and important revolutionary philosophers. Huey P. Newton's *To Die for the People* represents one of the most important analyses of the politics of race, black radicalism, and democracy written during the civil rights-Black Power era. It remains a crucial and indispensable text in our contemporary efforts to understand the continuous legacy of social movements of the 1960s and 1970s. —Peniel Joseph, author of *Waiting Til the Midnight Hour: A Narrative History of Black Power in America* Huey P. Newton's name, and more importantly, his history of resistance and struggle, is little more than a mystery for many younger people. The name of a third-rate rapper is more familiar to the average Black youth, and that's hardly surprising, for the public school system is invested in ignorance, and Huey P. Newton was a rebel — and more, a Black Revolutionary. . . . who gave his best to the Black Freedom movement; who inspired millions of others to stand. —Mumia Abu Jamal, political prisoner and author of *Jailhouse Lawyers* Newton's ability to see theoretically, beyond most individuals of his time, is part of his genius. The opportunity to recognize that genius and see its applicability to our own times is what is most significant about this new edition. —Robert Stanley Oden, former Panther, Professor of Government, California State University, Sacramento

*Almost to Die For* Tate Hallaway, 2010-08-03 Twilight meets *The Princess Diaries* in the new series from the author of *Honeymoon of the Dead* On her sixteenth birthday, Anastasija Parker learns that her so-called deadbeat dad is actually a vampire king. And he wants Ana to assume her rightful position at his side, in spite of the fact that she has witch's blood running through her veins—from her mother's side. Too bad witches and vampires are mortal enemies. And now Ana's parents are at each other's throats over her future. It's up to Ana to make a choice, but deciding your eternal destiny is a pretty big deal for a girl who just wants to get through high school.

**A Book Club to Die For** Dorothy St. James, 2023-11-07 When a member of an exclusive book club is checked out,

spunky librarian Trudell Becket must sort fact from fiction to solve the murder. The Cypress Arete Society is one of the town's oldest and most exclusive clubs. When assistant librarian Trudell Becket is invited to speak to the group about the library, its modernization, and her efforts to bring printed books to the reading public, her friend Flossie tags along. Flossie has been on the book club's waiting list for five years, and she's determined to find out why she's never received an invitation to join. But not long after Tru and Flossie arrive for the meeting, they're shocked to find the club's president, Rebecca White, dead in the kitchen. Rebecca was a former TV actress and local celebrity but was not known for being patient or pleasant. She'd been particularly unkind to the book club's host for the evening, who also happens to be the mother of Detective Jace Bailey, Tru's boyfriend. And Rebecca had made it clear that she didn't think Flossie was book club material. With her boyfriend and one of her best friends wrapped up in a murder, Tru has to work fast to figure out who cut Rebecca's story short before the killer takes another victim out of circulation....

Deal on Ice Les Standiford,1997 A project for a giant media center in Coral Gables is stalled because of opposition, led by the town's booksellers.
