A Dog's Tale Mark Twain,2019-03-04 My father was a St. Bernard, my mother was a collie, but I am a Presbyterian. This is what my mother told me, I do not know these nice distinctions myself. To me they are only fine large words meaning nothing. My mother had a fondness for such; she liked to say them, and see other dogs look surprised and envious, as wondering how she got so much education. But, indeed, it was not real education; it was only show: she got the words by listening in the dining-room and drawing-room when there was company, and by going with the children to Sunday-school and listening there; and whenever she heard a large word she said it over to herself many times, and so was able to keep it until there was a dogmatic gathering in the neighborhood, then she would get it off, and surprise and distress them all, from pocket-pup to mastiff, which rewarded her for all her trouble.

A Dog's Tale by Mark Twain Mark Twain,2021-03-26 Mark Twain's story, told from the standpoint of a courageous and loving she-dog, was first published in 1903. The story, by turns both funny and heartbreaking, begins with a description of her life as a puppy. The book is told from the standpoint of a loyal household pet, a dog self described by the first sentence of the story; My father was a St. Bernard, my mother was a collie, but I am a Presbyterian. The story begins with a description of the dog's life as a puppy and her separation from her mother, which to her was inexplicable. Her puppy and her owner's new child were soon added to her new home. When a fire breaks out in the nursery, the dog risks her life to drag the baby to safety. In the process, her motives are misunderstood and she is cruelly beaten. Soon however, the truth of the situation is discovered and she receives no end of praise. Later in the story, her puppy dies as a result of the owner's biological experiments. Only a servant seems to realize the irony, exclaiming, Poor little doggie, you saved HIS child! In the end, the dog pines inconsolable over the grave of the puppy with the clear implication that she will do so until death.

A Dog's Tale Mark Twain,2021-03-09 A Dog's Tale by Mark Twain A classic tale by Mark Twain depicting the life of a family seen through his canine companion. It is a unique take on how family members respond to calamity and the treatment of each member brought out by contrasting the dark and reckless nature of humans with the benign and loyal nature of dogs. The story is told from the perspective of a dog named Aileen Mavourneen, a self-proclaimed Presbyterian, whose mother is a Collie, and the father is a St. Bernard. It starts with his life as a puppy while living with his mother. Eventually, she is taken from her mother to live in a loving family. At first, Aileen's life seems perfect. She lives in a spacious and decorated house with an open space where she is free to walk and play with other dogs. All of that changes, however, when a fire breaks out in the

nursery, prompting Aileen to risk her own life to save her owner's baby from danger. Despite her heroic act, Aileen's motives are poorly understood and she is cruelly beaten and treated with the utmost brutality that changes her life forever. Recommended reading that evokes strong and heartfelt emotions throughout

A Dog's Tale Mark Twain,2016-04-28 Soon the master stopped discussing a moment, and rang in the footman, and said, Bury it in the far corner of the garden, and then went on with the discussion, and I trotted after the footman, very happy and grateful, for I knew the puppy was out of its pain now, because it was asleep. We went far down the garden to the farthest end, where the children and the nurse and the puppy and I used to play in the summer in the shade of a great elm, and there the footman dug a hole, and I saw he was go-ing to plant the puppy, and I was glad, because it would grow and come up a fine handsome dog, like Robin Adair, and be a beautiful surprise for the family when they came home; so I tried to help him dig, but my lame leg was no good, being stiff, you know, and you have to have two, or it is no use. When the footman had finished and covered little Robin up, he patted my head, and there were tears in his eyes, and he said: Poor little DOGGIE, you saved HIS child!
