Finally back home in Ireland after years of traveling, Aidan Gallagher possesses an uncommon understanding of his country's haunting myths. **Touched by the Sun** Carly Simon,2019-10-22 The instant New York Times bestseller | Named one of the ten best books of 2019 by *People* magazine A chance encounter at a summer party on Martha's Vineyard blossomed into an improbable but enduring friendship. Carly Simon and Jacqueline Kennedy Onassis made an unlikely pair—Carly, a free and artistic spirit still reeling from her recent divorce, searching for meaning, new love, and an anchor; and Jackie, one of the most celebrated, meticulous, unknowable women in American history. Nonetheless, over the next decade their lives merged in inextricable and complex ways, and they forged a connection deeper than either could ever have foreseen. The time they spent together—lingering lunches and creative collaborations, nights out on the town and movie dates—brought a welcome lightness and comfort to their days, but their conversations often veered into more profound territory as they helped each other navigate the shifting waters of life lived, publicly, in the wake of great love and great loss. An intimate, vulnerable, and insightful portrait of the bond that grew between two iconic and starkly different American women, Carly Simon's *Touched by the Sun* is a chronicle, in loving detail, of the late friendship she and Jackie shared. It is a meditation on the ways someone can unexpectedly enter our lives and

change its course, as well as a celebration of kinship in all its many forms. In *Touched by the Sun*, Simon reveals an easy-going, playful side of [Jackie] that most people never saw — sneaking a smoke during intermission at the opera, frolicking in the ocean off the Vineyard . . . The woman who would later edit several of Simon's children's books was 'just fun to be around.' —Juliet Pennington, *The Boston Globe*

**A Fire in the Sun** George Alec Effinger, 2014-04-01 The Hugo Award-winning author returns to the futuristic, high-tech Middle East setting of *When Gravity Falls* in this "major science fiction epic" (*Locus*). In a world filled with so many puppets, strings tend to get tangled. In this follow-up to the groundbreaking cyberpunk novel *When Gravity Falls*, the Budayeen is still a very dangerous place, a high-tech Arabian ghetto where power and murder go hand in hand. Marid Audran used to be a low-level street hustler, relying on his wits and independence. Now he's a cop planted in the force by Friedlander Bey, the powerful "godfather" of the Budayeen. Marid is supposed to simply be Bey's envoy into the police, but as a series of grisly murders piles up—children, prostitutes, a fellow officer—he is drawn deeper and deeper into the city's chaos. Would Marid give up all his newfound money and power to get out of this mess? Absolutely. If only he could. But answers are never that easy and choices are never completely one's own in the Budayeen.

**Under the Jaguar Sun** Italo Calvino, 1988 One of Italy's greatest and most popular writers offers three witty, fantastical stories, each dominated by one of three senses--taste, hearing, or smell.

**Where the Hell Is Tesla? a Novel** Rob Dircks, 2015-01-16 I found the journal at work. Well, I don't know if you'd call it work, but that's where I found it. It's the lost journal of Nikola Tesla, one of the greatest inventors and visionaries ever. Before he died in 1943, he kept a notebook filled with spectacular claims and outrageous plans. One of these plans was for an Interdimensional Transfer Apparatus--That allowed someone (in this case me and my friend Pete) to travel to other versions of the infinite dimensions that make up the multiverse. Crazy, right? But that's just where the crazy starts. [back cover].

**To Touch the Sun** Laura Enright, 2014-02-25 Narain Khan was 25 when he left his family in India to fight in the Great War. Dreaming of being a successful chef in Europe, his fate was to be different to what he hoped it would be. Cruelly cut down by shrapnel in the no-man's land of the Western Front, his nightmare was only beginning. Set upon by a pack of crazed, feral vampires, he awoke into an eternal night as a sentient vampire, able to move in society, and feed without killing the host: but eternally imprisoned, never to see the sun again. Now 90 years later, Narain has reached a crossroads: The recent death of his long-term partner and food source, his growing attraction to a microbiologist who has a link to his past and a discovery that will affect all vampires, the re-emergence of two ghosts from his past and a new, terrifying breed of Vampire, Boris, will all test his belief in himself and draw him into a climactic struggle against the monsters without and within. For to touch the sun, you have to avoid being burned up in its fury--Back cover.

**Black Sun Rising** C.S. Friedman, 1992-09-01 Over a millennium ago, Erna, a seismically active yet beautiful world was settled by colonists from far-distant Earth. But the seemingly habitable planet was fraught with perils no one could have foretold. The colonists found themselves caught in a desperate battle for survival against the fae, a terrifying natural force with the power to prey upon the human mind itself, drawing forth a person's worst nightmare images or most treasured dreams and

indiscriminately giving them life. Twelve centuries after fate first stranded the colonists on Erna, mankind has achieved an uneasy stalemate, and human sorcerers manipulate the fae for their own profit, little realizing that demonic forces which feed upon such efforts are rapidly gaining in strength. Now, as the hordes of the dark fae multiply, four people—Priest, Adept, Apprentice, and Sorcerer—are about to be drawn inexorably together for a mission which will force them to confront an evil beyond their imagining, in a conflict which will put not only their own lives but the very fate of humankind in jeopardy.

The Sun Does Shine Anthony Ray Hinton, Lara Love Hardin, 2018-03-27 A powerful, revealing story of hope, love, justice, and the power of reading by a man who spent thirty years on death row for a crime he didn't commit--

**The Wagon and Other Stories from the City** Martin Preib, 2010-04-15 Martin Preib is an officer in the Chicago Police Department—a beat cop whose first assignment as a rookie policeman was working on the wagon that picks up the dead. Inspired by Preib's daily life on the job, *The Wagon and Other Stories from the City* chronicles the outer and inner lives of both a Chicago cop and the city itself. The book follows Preib as he transports body bags, forges an unlikely connection with his female partner, trains a younger officer, and finds himself among people long forgotten—or rendered invisible—by the rest of society. Preib recounts how he navigates the tenuous labyrinths of race and class in the urban metropolis, such as a domestic disturbance call involving a gang member and his abused girlfriend or a run-in with a group of drunk yuppies. As he encounters the real and imagined geographies of Chicago, the city reveals itself to be not just a backdrop, but a central force in his narrative of life and death. Preib's accounts, all told in his breathtaking prose, come alive in ways that readers will long remember.

*Girlfriends, Ghosts, and Other Stories* Robert Walser, 2016-09-13 *Girlfriends, Ghosts, and Other Stories* brings together eighty-one brief texts spanning Robert Walser's career, from pieces conceived amid his early triumphs to later works written at a psychiatric clinic in Bern. Many were published in the feuilleton sections of newspapers during Walser's life; others were jotted down on slips of paper and all but forgotten. They are strung together like consciousness, idiosyncratic and vulnerable, genuine in their irony, wistful in their humor. Some dwell on childish or transient topics—carousels, the latest hairstyles, an ekphrasis of the illustrations in a picture book—others on the grand themes of nature, art, and love. But they remain conversational, almost lighter than air. Every emotion ventured takes on the weight of a sincerity that is imperiled as soon as it comes into contact with the outside world, which retains all of the novelty it had in childhood—and all of the danger.

**The Tears of the Sun** S. M. Stirling, 2012-09-04 Rudi Mackenzie has traveled from the land where the sun sets to the land where it rises and back. He has found his weapon—the Sword crafted for him before he was born. He has made friends from among his enemies and found enemies where he expected friends. He has won the heart and hand of the woman he has loved his entire life. Now Rudi is Artos, the High King of Montival, and his final destiny awaits him. He must face and defeat the forces of the Church Universal and Triumphant. Everything in the present, everything in the future, depends on the outcome of the conflict. And like his father before him, Rudi knows that in winning the war he might well lose his life...

**Valley of the Sun** Louis L'Amour, 2004-12-28 Cattlemen ride alone across the open range under the deadly aim of roving desperadoes. . . . Gamblers stake their fortunes and their lives on a deck of cards. . . . Strong-willed señoritas seek independence through an enticing combination of beauty, audacity, and spirit. . . . Lawmen and outlaws walk the same dusty streets and speak a common language: Colt, Winchester, Smith & Wesson. Gritty, tough, and unflinchingly authentic, here is the West as it really was: a land where for every friend there is an enemy, for every handshake a fist, for every dispute a resolution—usually in an explosive showdown of blood and bullets. In these remarkable tales, Louis L'Amour—like the very heroes he depicts—blazes a trail across the American frontier and takes us on an unforgettable journey into the heart of our western heritage.
