

**Ac dc**

**Jeff Apter**

*AC/DC: Maximum Rock & Roll* Murray Engleheart, Arnaud Durieux, 2006 Two world-renowned authorities on AC/DC offer a no-holds-barred, comprehensive biography of one of the greatest rock 'n' roll bands of all time.

High Voltage Jeff Apter, 2018-12-03 Angus Young, the co-founder and the last surviving original member of AC/DC, has for more than 40 years been the face, sound and sometimes the exposed backside of the trailblazing rock band. In his trademark schoolboy outfit, guitar in hand, Angus has given his signature sound to songs such as 'A Long Way to the Top', 'Highway to Hell' and 'Back in Black', helping AC/DC become the biggest rock band on the planet. *High Voltage* is the first biography to focus exclusively on Angus. It tells of his remarkable rise from working-class Glasgow and Sydney to the biggest stages in the world. The youngest of eight kids, Angus always seemed destined for a life in music, and it was his passion and determination that saw AC/DC become hard rock's greatest act. Over the years, Angus has endured the devastating death of iconic vocalist Bon Scott, the forced retirement of his brother in arms, Malcolm Young, and more recently the loss from the band of singer Brian Johnson and drummer Phil Rudd. Yet somehow the little guitar maestro has kept AC/DC not just on the rails, but at the top of the rock pile. 'High Voltage is a great read, easy to whip through and take in, but it doesn't leave you feeling short-changed, it simply opens your thoughts up to: what if there were more?' —Shane Murphy, *Daily Review* 'Apter's lively and highly readable biography . . . is an inspiring story. Angus was the son of Scottish migrants, brother of one of the Easybeats, who gave up a printing apprenticeship to pursue his dream of being a rock star.' —*Daily Telegraph* 'A GRIPPING new book about AC/DC schoolboy guitarist Angus Young charts the carnage around the supergroup from wild groupies, violent fist-fights, tragic fans' deaths - and even being linked to a serial killer.' —*Scottish Sun*

AC/DC Mick Wall, 2013-10-29 The premier rock biographer and author of *When Giants Walked the Earth* Mick Wall writes the compelling story of the enduring rock band that has sold 200 million albums Megan Fox wears the band's T-shirts. Keith Richards says Malcolm Young is a better guitarist than he is. Like the Rolling Stones, AC/DC survived every musical trend and industry change to remain both at the top of their game and the charts. From their start in Australia in 1973—with two Scottish brothers, Angus and Malcolm Young, at the core—AC/DC launched an assault on punk in both England and the U.S., in a wild rebel return to real rock roots that's still chart-topping and selling albums today: over 71 million in the U.S. alone. AC/DC ruthlessly shed band members, managers, producers, and anyone who stood in the way of world domination. Like the Rolling Stones, they've survived every musical trend and industry change to remain both at the top of their game and the top of the charts. In *AC/DC: Hell Ain't a Bad Place to Be*, world-renowned rock writer Mick Wall unearths previously unheard stories from all the key players in the AC/DC story. At the center is a tight-knit clan who became and stayed musically successful because they took no hell from outsiders. Wall also uncovers the truth behind the mysterious death of lead singer Bon Scott in 1980, and writes with unflinching insight into the dizzying highs and abysmal, self-inflicted lows of that band's career with Scott's replacement Brian Johnson. The Young brothers and AC/DC have survived drugs, death, divorce and the damnation of critics to become one of the best-known and most listened-to rock bands in the world. This is their story: rock n' roll.

AC/DC Tom McNichol, 2011-01-06 AC/DC tells the little-known story of how Thomas Edison wrongly bet in the fierce war between supporters of alternating current and direct current. The savagery of this electrical battle can hardly be imagined today. The showdown between AC and DC began as a rather straightforward conflict between technical standards, a battle of competing methods to deliver essentially the same product, electricity. But the skirmish soon metastasized into something bigger and darker. In the AC/DC battle, the worst aspects of human nature somehow got caught up in the wires; a silent, deadly flow of arrogance, vanity, and cruelty. Following the path of least resistance, the war of currents soon settled around that most primal of human emotions: fear. AC/DC serves as an object lesson in bad business strategy and poor decision making. Edison's inability to see his mistake was a key factor in his loss of control over the ?operating system? for his

future inventions?not to mention the company he founded, General Electric.

AC/DC Martin Popoff,2019-09-10 Illustrated with extraordinary photography, *AC/DC: Album by Album* is an in-depth discussion of each of the band's 16 studio albums by prolific rock journalist Martin Popoff. Formed in 1973, AC/DC became one of the most popular and best-selling bands in rock history with their no-frills approach to loud, heavy, and sweat-drenched blues-based rock music. This new book from talented rock journalist Martin Popoff pays tribute to the band's discography by moderating in-depth and entertaining conversations about all 16 of AC/DC's studio albums, every page illustrated with thoughtfully curated performance and offstage photography and rare memorabilia. Popoff gathers 17 rock journalists and authors who offer insights, opinions, and anecdotes about every release. Together, the conversations comprise a unique history of the band, covering everything from early lineups; the role played by the Youngs' older brother, George; the songwriting and legendary antics of original vocalist Bon Scott; the mega tours undertaken in support of the LPs; the debut of singer Brian Johnson on the band's mega breakthrough, *Back in Black*; the band's fallow 1980s and 1990s resurgence; and later difficulties, such as Malcolm's onset of dementia and the legal problems of drummer Phil Rudd.

Bon: The Last Highway Jesse Fink,2017-11-07 The death of Bon Scott is the Da Vinci Code of rock. In death, AC/DC's trailblazing frontman has become a rock icon, and the legend of the man known around the world simply as 'Bon' grows with each passing year. But how much of it is myth? At the heart of *Bon: The Last Highway* is a special and unlikely friendship between an Australian rock star and an alcoholic Texan troublemaker. Jesse Fink, author of the critically acclaimed international bestseller *The Youngs: The Brothers Who Built AC/DC*, reveals its importance for the first time. Leaving no stone unturned in a three-year journey that begins in Austin and ends in London, Fink takes the reader back to a legendary era for music that saw the relentless AC/DC machine achieve its commercial breakthrough but also threaten to come apart. With unprecedented access to Bon's lovers, newly unearthed documents, and a trove of never-before-seen photos, Fink divulges startling new information about Bon's last hours to solve the mystery of how he died. Music fans around the world have been waiting for the original, forensic, unflinching, and masterful biography of Bon Scott so richly deserves it and now, finally, it's here.

Highway to Hell Clinton Walker,2007-11-15 A classic of rock writing, this is the definitive account of AC/DC's rise to fame, when the ribald lyrics and charismatic stage presence of singer Bon Scott, along with the formidable guitar work of brothers Angus and Malcolm Young, defined a new and highly influential brand of rock'n'roll. Drawing on many first-person interviews and featuring a gallery of rare photos, Walker traces AC/DC's career through the life of their original frontman, from the Scottish roots he shared with the Youngs right up to his shocking death in 1980.

AC/DC Murray Engleheart,Arnaud Durieux,2015-07-01 Who knew when the Young family emigrated from Glasgow to Sydney in the early sixties that the family's youngest lads would go on to lead one of the world's most loved and respected rock bands? Who knew that some of their biggest fans would end up being their own heroes, the Rolling Stones? that streets in Melbourne and Madrid would be officially named in their honour? that they would play to two million people at a single concert in Moscow? For the first time, Murray Engleheart along with Arnaud Durieux tells the full story of Australia's greatest and loudest rock n' roll export. Not only did they manage to emerge from the tragic death of legendary singer, Bon Scott in 1980. But in a bitter sweet irony, the band's fortunes and status skyrocketed around the world with Scott's replacement, Brian Johnson and the album, *Back In Black*. More than 25 years on, AC/DC show no sign of slowing down and are more an institution than simply a rock band. try and imagine a world without them.

**Ac/dc ,**

AC/DC Phil Sutcliffe,2010-10-14 Formed in 1973 by brothers Angus and Malcolm Young, AC/DC has become one of the most popular rock 'n' roll bands in history. This massive new title follows the band from its roots in Sydney, Australia, to its most recent releases and sold-out world tours. No stone is left unturned, from the AC/DC's formation and early club gigs to its astounding worldwide success. A special cover incorporating Angus on a spinning disc gives way to more than 400

illustrations include handbills, posters, backstage passes, and vinyl from around the globe, as well as rare candid and performance photography. Sidebars from top rock scribes examine all studio releases and delve into the guitar gear of the Young brothers. The result is an awesome tribute to the band renowned for a live-wire stage show and a sonic attack that have attracted fans from all rock camps Contributors include: Phil Sutcliffe Joe Bonomo Danie Bukszpan Jen Jewel Brown Anthony Bozza Garth Cartwright Ian Christie David Dunlap Andrew Earles Dave Hunter James McNair Martin Popoff Sylvie Simmons Bill Voccia

*The Lives of Brian* Brian Johnson, 2022-10-25 Brian Johnson's memoir from growing up in a small town to starting his own band to ultimately replacing Bon Scott, the lead singer of one of the world's biggest rock acts, AC/DC. They would record their first album together, the iconic *Back in Black*, which would become the biggest selling rock album of all time. Brian Johnson was born to a steelworker and WWII veteran father and an Italian mother, growing up in New Castle Upon Tyne, England, a working-class town. He was musically inclined and sang with the church choir. By the early '70s he performed with the glam rock band Geordie, and they had a couple hits, but it was tough going. So tough that by 1976, they disbanded and Brian turned to a blue-collar life. Then 1980 changed everything. Bon Scott, the lead singer and lyricist of the Australian rock band AC/DC died at 33. The band auditioned singers, among them Johnson, whom Scott himself had seen perform and raved about. Within days, Johnson was in a studio with the band, working with founding members Angus and Malcolm Young, Cliff Williams, and Phil Rudd, along with producer Mutt Lange. When the album, *Back in Black*, was released in July—a mere three months after Johnson had joined the band—it exploded, going on to sell 50 million copies worldwide, and triggering a years-long worldwide tour. It has been declared "the biggest selling hard rock album ever made" and "the best-selling heavy-metal album in history." The band toured the world for a full year to support the album, changing the face of rock music—and Brian Johnson's life—forever.

AC/DC in the Studio - The Stories Behind Every Album Jake Brown, 2013-07-16 AC/DC have reigned over rock 'n' roll for almost four decades. Their signature power chord rock was the sonic standard bearer of the genre they pioneered, summarised in Rolling Stone's declaration that they 'are one of the top hard rock bands in history'. The group has transcended their Australian roots to become a global phenomenon. Their albums consistently go platinum and they have earned their reputation as one of the best bands on the planet. The band's live arsenal includes 'It's a Long Way to the Top (If you want to Rock 'n' Roll)'; 'Highway to Hell' and 'You Shook Me All Night Long' and their influence is felt today as strongly as ever. 2008's *Black Ice* sold an astonishing more than 1.5 million copies in its first week, and would go on to sell seven million copies worldwide, spending several weeks on the top of the Billboard Top 200. In November 2012, *Live at River Plate* was released - the band's first live album for 20 years. Featuring exclusive interviews with producers and engineers, *AC/DC in the Studio* is the definitive account of the making of the greatest hard rock anthems of all time. Every album is featured in incredible detail, from 1975's *TNT* all the way to 2008 and *Black Ice*.

Love, Life and AC/DC Fran Robinson, 2018-02-27 Uncut, uncensored and fully illustrated. Unlike any other AC/DC book you've read before, this hybrid homage/memoir follows one woman's path of fandom and passion as she reveals her tangled web of turmoil, laughter, and dreaming of powerhouse guitarist Angus Young. Glimpse into what life is like for a woman devoted to both a rock band, and the husband who loves her, as she exposes the incredible impact of what one girl's intense love affair with a certain tone, sound, and rhythm, can do to her life, her family and her soul. *Love, Life and AC/DC* takes dreaming about rock stars to a whole new level. Unusual and offbeat, *Love Life and AC/DC* centers around self-discovery and shameless indulgence, giving insight on just what it takes to survive unbridled passion.

AC/DC: Maximum Rock & Roll Murray Engleheart, Arnaud Durieux, 2009-10-13 Over three decades and more than 150 million albums, AC/DC has established itself as much more than just a great rock band. For millions of fans spanning several generations across the world, they are an ear-bleedingly loud, sweat-soaked religion, courtesy of such classic albums as *Highway to Hell* and *Back*

in *Black*. Now, in a book of astonishing breadth and scope, comes, for the very first time, the complete story of AC/DC. Everything you ever wanted to know and plenty more you never dreamt of is all here, the ultimate balls-out adventure, laced with sex, drunken escapades and brawls. It's a journey that started in the suburban Sydney, Australia, bedrooms of brothers Malcolm and Angus Young, boys who could wreak havoc with their guitars. Over their power chords were the lyrics and voice of Bon Scott, who would lead them higher and higher—until his tragic death in 1980. The bittersweet irony after his death was that not only did the Youngs manage to hold together without him, but the band's fortunes and status skyrocketed with his replacement, Brian Johnson, and the album *Back in Black*. Five long years in the making, *AC/DC: Maximum Rock & Roll* is sourced from more than 1,300 interviews the band has given over the past thirty years combined with in excess of 75 of the authors' own interviews with those who worked with AC/DC both in the studio and on the road—many of whom have never spoken about the band publicly. It's topped off with stunning, never-before-seen photos to create the ultimate portrait of the ultimate rock band.

High Voltage (Dyslexic Edition) Jeff Apter, 2017 Angus Young, the co-founder and the last remaining original member of AC/DC, has for more than 40 years been the face, sound and sometimes the exposed backside of the trailblazing rock band. In his trademark schoolboy outfit, guitar in hand, Angus has given his signature sound to songs such as 'A Long Way to the Top', 'Highway to Hell' and 'Back in Black', helping AC/DC become the biggest rock band on the planet. *High Voltage* is the first biography to focus exclusively on Angus. It tells of his remarkable rise from working-class Glasgow and Sydney to the biggest stages in the world. The youngest of eight kids, Angus always seemed destined for a life in music, and it was his passion and determination that saw AC/DC become hard rock's greatest act. Over the years, Angus has endured the devastating death of iconic vocalist Bon Scott, the forced retirement of his brother in arms, Malcolm Young, and more recently the loss from the band of singer Brian Johnson and drummer Phil Rudd. Yet somehow the little guitar maestro has kept AC/DC not just on the rails, but at the top of the rock pile.

*AC/DC - The Early Years & Bon Scott* Neil Daniels, 2013-02-22 Often regarded as the greatest frontman in the history of rock music, Bon Scott tragically died on February 19, 1980 but his memory lives through the music he created with AC/DC. From 1975's Australian album *High Voltage* to 1980's *Highway To Hell*, Bon Scott and AC/DC were a global force to be reckoned with. AC/DC formed in 1973 but it wasn't until the latter half of 1974 that Scottish born singer Robert Belford Scott joined the fold. Scott would help take AC/DC to legendary heights of success. Although the band's success did not arrive quickly, they released a stream of stunning albums and were undoubtedly the most electrifying live rock band of the 1970s. Despite the latterday success of the band, the Bon Scott years of 1974 to 1980 are often regarded by many as the band's most fertile creative period. Those years spawned 1976's *Dirty Deeds Done Dirt Cheap*, 1977's *Let There Be Rock* and 1978's *Powerage*, not forgetting the now legendary live album, *If You Want Blood You've Got It* from 1978. Exploring the two Australian albums, the five international studio albums as well as other releases featuring Bon Scott, this book *AC/DC - The Early Years With Bon Scott* is a fitting recognition of Bon Scott's legacy and a reminder of just how influential AC/DC's 1970s period remains. Charts the most creative period of the band's history from 1973 to Bon Scott's death in 1980. Includes a foreword from Uriah Heep's Mick Box. Bonus chapter on *Back In Black*: the first album with Brian Johnson. Extensively covers AC/DC's five international albums and two Australia-only releases with Bon Scott. Perfect as a fans book as well as a book for AC/DC beginners. Bon Scott was voted the greatest frontman of all time by *Classic Rock* magazine. The most successful Aussie band of all time. A movie about Bon Scott's life is currently in production.

The Youngs Jesse Fink, 2014 With sales of over 200 million albums, AC/DC is not just the biggest rock band in the world. It's a family business built by three brothers: George, Malcolm and Angus Young. And, as with any business, some people prospered while others got hurt along the way. 'The Youngs' is unlike any AC/DC book you've read before. Less a biography, more a critical appreciation, it tells the story of the trio through 11 classic songs and reveals some of the personal and creative

secrets that went into their making.

**Why AC/DC Matters** Anthony Bozza, 2009-09-25 Australian rock giants AC/DC have sold more records in the U.S. than Michael Jackson, Bruce Springsteen, Aerosmith, and than the Rolling Stones, yet have always been undervalued and unappreciated by mainstream rock music critics. In *Why AC/DC Matters*, former Rolling Stone staff writer and New York Times bestselling author Anthony Bozza addresses this inequity, penning a just tribute to these monsters of rock. Brimming with fascinating stories and insights from musicians, fans, music scholars, and the author himself, *Why AC/DC Matters* is an overdue homage to arguably the greatest rock and roll band of all time.

**AC/DC** Paul Elliott, 2018 From their formation in Sydney, Australia in 1973 by brothers Angus and Malcolm Young, AC/DC have made the most visceral and single-minded rock, and it has served them well, with more than 200 million records sold. The basic blueprint that AC/DC laid down on their early albums with Bon Scott—hard, no-nonsense, riff-driven rock-n-roll has sustained them all the way through to their latest album, 2014's *Rock Or Bust*. Angus and Malcolm held AC/DC together after the death of singer Bon Scott in 1980. And now, so many years later, even without Malcolm around, Angus doesn't look like he's about to give up on the band. Illustrated with rare and unseen photographs, this handsome biography from an acclaimed rock biographer is a fitting salute to rock's royal family.

*Let There Be Rock* Susan Masino, 2020 *Let There Be Rock* is the definitive story of AC/DC's rise to the pinnacle of rock 'n' roll's stratosphere. Learn how this group of Australian mates became one of the truly legendary rock bands in history.--Back cover

## Acdc Introduction

In today's digital age, the availability of Acdc books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Acdc books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Acdc books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Acdc versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Acdc books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide

an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Acdc books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Acdc books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities

and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Acdc books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Acdc books and manuals for download and embark on your journey of knowledge?

## FAQs About Acdc Books

1. Where can I buy Acdc books? Bookstores:

Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.

Online Retailers:

Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Acdc book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Acdc books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local

libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Acdc audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book

clubs in libraries or community centers.  
Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Acdc books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
