*Ollie Chandler Collection* Randy Alcorn,2012-11-20 Three suspense detective novels for the price of one in this eBook-exclusive omnibus. Ollie Chandler is a brilliant and quick-witted homicide detective who lives by Ollies' First Law: Things are not what they appear. These best-selling novels offer readers a compelling, intriguing story of Ollie Chandler combined with other favorite characters. Deadline, Randy Alcorn's first novel, stayed on the bestsellers list for thirty-six months. Dominion is a dramatic story of spiritual searching, racial reconciliation, and hope. Deception responds to readers' demand for more of his believable, compelling fiction. Readers will gain a greater understanding of heaven while recognizing a new idea of why God allows suffering. Deadline Involved in a tragic accident under suspicious circumstances, award-winning journalist Jake Woods teams with detective Ollie Chandler to uncover the truth. This alluring e-omnibus of the Randy Alcorn bestsellers finds Jake drawing upon all his resources in an ever-intensifying, dangerous murder investigation. Unaware of the imminent threat to his own life, Jake struggles for answers to the mystery at hand and is plunged

into a deeper search for the meaning of his own existence. *Deadline* is a dramatic and vivid novel of substance, filled with hope and perspective for every reader who longs to feel purpose in life.

*Dominion* When two senseless killings hit close to home, columnist Clarence Abernathy seeks revenge for the murders--and, ultimately, answers to his own struggles regarding race and faith. After being dragged into the world of inner-city gangs and racial conflict, Clarence is encouraged by fellow columnist Jake Woods to forge an unlikely partnership with a redneck homicide detective. Soon the two find themselves facing dark forces, while unseen eyes watch from above. This re-release of Randy Alcorn's powerful bestseller spins off from *Deadline* and offers a fascinating glimpse inside heaven.

Filled with insight--and with characters so real you'll never forget them--*Dominion* is a dramatic story of spiritual searching, racial reconciliation, and hope.

*Deception* Homicide detective Ollie Chandler has seen it all. Done more than he cares to admit. But when he's called to investigate the murder of a Portland State University professor, he finds himself going places he's never gone before. Places he never wanted to go. Because all the evidence is pointing to one, horrific conclusion: The murderer is someone in his own department. That's not the worst of it, though. Ollie has nagging doubts...about himself. Where was he during the time of the murder? Joined by journalist Clarence Abernathy and their friend Jake Woods, Ollie pushes the investigation forward. Soon all three are drawn deep into corruption and political tensions that threaten to destroy them--and anyone who tries to help. But they're in too deep to quit. They've got no choice. They have to follow the evidence to the truth...No matter how ugly--or dangerous--it gets.

**Solitaire for Complete Beginners** Robert Ticker, 2021-01-13 Solitaire or Klondike Solitaire, 1-Card Draw, has been played for the last couple of centuries with playing cards (just for a little historical perspective). This particular game is so popular that it's often just called Solitaire. After the

seven columns of the array are laid out, make all the moves or plays available among the columns and to the Ace piles (also called the foundations or Ace stacks). Then, holding the rest of the cards, called the hand (or stock), face down, make the first pass through them; take one from the top and turn it over for play. If it can't be put either on one of the Ace piles, or on one of the seven columns, put it face up on the waste pile (also called the talon). Continue to the next card in the hand, and play it if you can, or place it on the waste pile face up. Also make other moves as they become available among the seven columns. After going through the whole hand in this manner, turn the waste pile over; it then becomes the hand again. Continue this cycle of making passes through the hand, and playing cards to either the columns or the Ace piles, until no more moves can be made. The game is won if all the cards get moved up to their Ace piles. Get your copy today by scrolling up and clicking Buy Now to get your copy today

some conclusions as to the social bases that each sort of game requires. They divide games broadly into, games of pure skill, such as hopscotch and target shooting; games of pure strategy, such as checkers, go, or tic-tac-toe; and games of chance, such as craps and snakes and ladders. ISTQB® Certified Tester Foundation Level Lucjan Stapp, Adam Roman, Michaël Pilaeten, 2023-11-23

This book is aimed at everyone preparing for the ISTQB® Certified Tester – Foundation Level exam based on the Foundation Level syllabus (version 4.0) published in 2023. It provides candidates with reliable knowledge based on this document and thus distinguishes itself from all the information about ISTQB® syllabi and exams on the Internet, which is often of rather poor quality and may even contain serious errors. The book expands and details many issues that are described in the new 2023 version of the syllabus in a perfunctory or general way only. According to the ISTQB® guidelines for syllabus-based training, an exercise must be provided for each learning objective at the K3 level, and a practical example must be provided for each objective at the K2 or K3 level. In order to satisfy these requirements, the authors prepared numerous exercises and examples for all learning objectives at these levels. In addition, for each learning objective, one or more sample exam questions are presented which are similar to those that the candidate will see in the exam. This makes the book an excellent aid for studying and preparing for the exam and verifying acquired knowledge.
