St. Francis of Assisi: 1226-1926 Paul Sabatier,1926 It is difficult
to define the starting-point of the modern movement, which may
be called the rediscovery of St Francis--by which I mean the
movement through which St. Francis has become to the world as a
whole what he was, and indeed more than what he was, to Umbria
and Italy, of the first half of the thirteenth century ; more than
what he was to them, because while the devotion and love of the
twentieth century cannot well exceed that of the thirteenth, the
earlier century could not see him from the perspective of 700
years or realise how great a contribution his life and work were to
make to humanity.--Pages 248-249, The rediscovery of St. Francis
of Assisi, Walter Seton
