The Wisdom of Vasiṣṭha Raghunandan,2018 Yogavasistha or Yogavasistha Maharamayana has been a guide book to earnest Sadhakas, all over the country. The popularity of this book appears to be due to the fact, that it is a happy combination of terse Upanisadic thought clothed in the story form. A scripture becomes relevant, when it gives the truths of the Upanisads, using a common man's language with illustrative stories, helps a beginner as well as an advanced seeker. It is believed by some that Sage Valmiki wrote the Ramayana for the purification of mind and to create a mood of seeking in the society. It is well known, that the story of Sri Rama, gives an exemplary ethical and moral behaviour in an individual, and a glimpse into the ideal culture, through the description of Ayodhya. For only on a strong ethical and moral foundation can one hope to build the super-structure of spirituality. Attempt has been made to cover all the stories in six Prakaranas. This book is a study by a seeker, and an attempt to present the philosophy, and practical hints contained in the book, to fellow seekers who are not very familiar with Sanskrit. It is essentially meant for inspiring the seekers to take up the study of the original text, which is a mine of practical wisdom. The essays contained herein, are glimpses into the meditations on the golden verses and their connection and relevance in our day-to-day life. Consequently, the interpretation and the perspective is not really meant for scholastic pursuits.

THE INDIAN SOCIETY: Thoughts on our Past, Present and Future from Advaita Vedanta Subhash Chandra Gahlawat,Team ARSu,2020-07-13 From the time of 19th century, British employed people passing out from Oxford and Cambridge University to study the thousands of year old Sanskrit texts of India and interpret them in a way that the Indian people never become one. Inspired by the new set of values and might of British Empire these people, also considered as Orientalist, started the work of reading Sanskrit texts and present them in a way which makes people feel that British ways are better than those scriptures. While the prime aim of these interpretations was to hide the robbery of Indian resources, some considered it as reality and helped the British. This help became so vital for the British that a nation which was considered as the golden bird (वर्णमय पक्षि) on earth and even after centuries of invasions and loot still contributing 20-24% of world GDP became one of the poorest nations of the world contributing 1-2% of world GDP with frequent incidents of riots, famine etc. Somewhere one orientalist identified it and in his old age realized that he wasted all his life and knowledge in just showing that the 3,000 year-old Indian Scriptures (as per his idea on the date though they are even older) are inferior to present British knowledge system. The name of this orientalist was Max Muller and he tried to reverse the damage by sharing the need of Indian Knowledge system in those texts to make our inner life perfect, more comprehensive and universal. But the damage was already done and in the last 150 years, many Muller's of a young age are produced by our education system instead of Muller's who turned wise. Therefore, to throw better light on Indian Society which was missed by Orientalist and present-day young Muller's, this book is developed by using the philosophy of Jagadguru Adi Shankracharya, i.e. philosophy of Advaita Vedanta, which forces us to look for knowledge which is inside human rather than what knowledge a man possesses. It is considered as the true form of Vidya and under present circumstances, it is the most vital need of Indian Society, especially our Administrators who are supposed to serve the people of India as an Iron Pillar. It is vital that they know about the past, present and future of Indian Society and serves it with excellence, as Krishna said, “वैद्यया योगयोगो योगयोगो”, i.e. Unity (or Yoga) is excellence in Action. Based on it, the book contains relevant information on the topics under Society portion of GS Paper-I such as- Salient features of Indian Society, Diversity of India; Role of women and women's organization, population and associated issues, poverty and developmental issues, urbanization, their problems and their remedies; Effects of globalization on Indian society; Social empowerment, communalism, regionalism & secularism along with approach and solutions on previous year Questions.

The Art of Living Foundation Stephen Jacobs, 2016-03-09 The Hindu-derived meditation movement, The Art of Living (AOL), founded in 1981 by Sri Sri Ravi Shankar in Bangalore, has grown into a global organization which claims presence in more than 150 countries. Stephen Jacobs presents the first comprehensive study of AOL as an important transnational movement and an alternative global spirituality. Exploring the nature and characteristics of spirituality in the contemporary global context, Jacobs considers whether alternative spiritualities are primarily concerned with individual wellbeing and can simply be regarded as another consumer product. The book concludes that involvement in movements such as AOL is not necessarily narcissistic but can foster a sense of community and inspire altruistic activity.

Jivamukti Yoga Sharon Gannon,David Life,2011-04-06 The long-awaited, complete guide to the popular, vigorous American method of yoga that is deeply rooted in ancient wisdom and scriptures “In this day and age of health and fitness trends, it is assuring to know that Sharon and David encourage their students to draw inspiration from the classical texts of Yoga and timeless scriptural sources. ”—Sri Swami Satchidananda Creators of the extremely popular Jivamukti Yoga method and cofounders of the New York City studios where it is taught, Sharon Gannon and David Life present their unique style of yoga for the first time in book form. As they explain their intensely physical and spiritual system of flowing postures, they provide inspiring expert instruction to guide you in your practice. Unlike many books about yoga, Jivamukti Yoga focuses not only on the physical postures but also on how they evolved—the origins of the practices in yoga’s ancient sacred texts and five-thousand-year-old traditions—the psychotherapeutic benefits that accrue with a steady practice, and the spiritual power that is set free when energy flows throughout the mind and body. Jivamukti Yoga, which means “soul liberation,” guides your body and soul into spiritual freedom, physical strength, peace of mind, better health, and Self-realization—the ultimate goal of any practice. Gannon and Life help you understand each of the practices that comprise the yoga path to enlightenment: AHIMSA–The Way of Compassion: choosing nonviolence, respecting all life, practicing vegetarianism, living free of prejudice ASANA–The Way of Connection to the Earth: postures and sequences, breathing, transforming energy, understanding the bandhas KARMA–The Way of Action: creating good karma, giving thanks NADAM–The Way of Sacred Music: appreciating the sacred sounds of yoga MEDITATION–The Way of the Witness: how to sit still and move inward BHAKTI–The Way of Devotion to God: living with love, grace, and peace Whatever yoga you practice, Jivamukti Yoga will help you to strengthen and deepen that practice and lead you onto a path of spiritual clarity and self-discovery. “If there is only one book you read about the practice of Yoga, this should be the one. . . . This book is for anyone who wishes to find transformation through Yoga. I’m grateful for their work and teaching.”—Stephan Rechtschaffen, MD, Co-founder & CEO, Omega Institute
