Johnny Boo Book 1: The Best Little Ghost In The World James Kochalka, 2008 Johnny Boo is the latest creation by the multi-talented James Kochalka. Watch as Johnny and Squiggle encounter the Ice Cream Monster for a 'party in his tummy' of a different kind! Fun for kids of all ages, it's AWESOME! -- DJ Lance Rock, host of Nick Jr's Yo Gabba Gabba! The narrative style is perfect, capturing all the nuances of how a children's book should be, and encompassing the free-flowing, inventive consciousness of a child ... Johnny Boo is a timeless tale, built on the basic tenet of childhood: fun. James Kochalka has a real talent for articulating all the fun and adventures to be had when one has the carefree mindset of the very young.-- Sabrina Fritz, School Library Journal Johnny Boo is the best little ghost in the whole world, because he's got Boo Power. This means that he can go B00really loudly. His pet ghost named Squiggle has Squiggle Power, which means that he can fly and do really fast loop-the-loops. Together they have the world's greatest ghost adventures! They enthusiastically frolic and roughhouse, having ghost races and drinking melted ice cream, but they often accidentally hurt each other's feelings, and have to comfort and console one another. When the giant pink and yellow Ice Cream Monster bumbles into their lives, they go into a mad panic ... until they discover that he's actually quite friendly. But even though he's friendly, he's also completely wild and unpredictable, and he impulsively swallows

Squiggle whole. Some wild loop-the-loops from Squiggle inside his stomach cause a bout of uncontrollable burping, and the Ice Cream Monster burps Squiggle up unscathed. But now how do they stop the burping? Johnny Boo's Boo Power does the trick, of course. Everyone ends up happy, and delighted by the adventure they had together.

Hiscutt, 2015-07 The world is a very big place, especially when seen through little eyes. There's so much going on that doesn't make sense, and it's impossible to know what the future holds. From disasters to celebrations, from sadness to joy, life is full of surprises-and some of them can be pretty hard to deal with. The Adventures of Boo Boo Buttons explores life's surprises as seen through the tiny eyes of an innocent stuffed monkey, who unexpectedly goes from sitting on a shelf in a gift store to travelling on an incredible journey through the real world. Together with his faithful human companion, the young toy visits unusual places and experiences new situations he doesn't always know how to handle, and he learns very important life lessons in the process. The Adventures of Captain Cutie Pie and Deputy Boo: Book 2: Everyone is Afraid of Something
Denise Cole,Andrea Lurier,2019-11-14 In book 2 of the Adventures of Captain Cutie Pie and Deputy Boo series, a new animal, an ostrich, moves into Marshall Township. Excited to have a new neighbor, Bubba and Boo decide to gather their neighborhood friends for a welcome party. Eddie, the neighborhood prankster, states that he has heard that ostriches stick their heads in the sand when they're scared. Rather than join the welcome party, Eddie devises a mischievous plan to scare the ostrich and see he does. The discussion around what ostriches do when they're scared acts as a springboard for all the neighborhood friends to discuss things that scare them and how they handle their fears. Our hope is the playful and entertaining mood of the story will open dialogue for children to discuss their own fears with their caregivers.

The Adventures of Captain Cutie Pie and Deputy Boo Denise Cole,2019-06-19 The series The

Adventures of Captain Cutie Pie and Deputy Boo was inspired by real animals that live in and around Marshall Township, Pennsylvania. The heroes of the stories are an unlikely pair. Bubba, a.k.a. Captain Cutie Pie, is a black cat while Boo is a miniature parrot called a parrotlet. In each story Bubba and Boo are joined by a variety of neighboring animals including a groundhog, a great blue heron, a bunny rabbit, dogs, goats, pigs, llamas, longhorn cattle and an emu. As mentioned, these are all real animals that live in or near Marshall Township. The first book, *How They Got Their Nicknames* is based on a true story the authors heard when they first moved to Marshall Township. In this story, Bubba and Boo explore their new neighborhood in search of a shy and reclusive beaver because they had never met a beaver before. Along the way they meet many new friends. When they finally get to meet the beaver, they assist her with a problem that she has not been able to manage on her own. Once the problem is solved, the beaver, with great appreciation, nicknames our heroes Captain Cutie Pie and Deputy Boo. From then on, Bubba and Boo continue to help solve problems and answer questions in the neighborhood while learning important lessons that benefit and strengthen the community. Future book subjects include being afraid, the value of diversity, dishonesty, responsibilities and jumping to conclusions. Every book is intended to be thoughtful, a little bit educational and a whole lot of fun.

The Silly Misadventures of Bumble Boo and Doe Doe Jenna Bongermينو, 2021-09-15 The second

adventure of Bumble Boo, a very adventurous bee, and her best friend Doe Doe. Join the pair, along with their new friend Rusty Roo, on their adventure to find the perfect Christmas pine cone.

Ghost of Lies Alice Winters, 2021-10-19 Hiro

Though I was born with the ability to see the dead, I struggled with it until my brother was killed and his ghost was left behind. Now, I'm determined to figure out who is responsible for his death... the problem is that Detective Maddox Booker, the one working the case, is a grumpy and stubborn man who wants nothing to do with me and definitely doesn't believe in ghosts. It doesn't help that I keep finding myself looking ridiculous in front of the detective, thanks to interfering ghosts who enjoy laughing at my expense. Still, the more I'm around Maddox, the more I realize that beneath that surly exterior is a kind and caring man who will do anything to help. Maddox When another man dies, I know we have a serial killer on our hands-the same murderer who has

remained elusive for a year and a half. To add to my frustration, I keep running into Hiro at crime scenes only to hear him claim that he can talk to ghosts. The words of the dead could lead us to the serial killer and even tell us who is next, but ghosts? There's no such thing as ghosts. Hiro is determined and charming, and no matter what I do, I can't stop letting him get involved. He's definitely snagged my attention, but when he nearly winds up dead, I know he's getting closer to the truth-and if I don't do something soon, he might be next. Ghost of Lies is full of action, mystery, humor, and romance. Though more is planned for this couple, the mystery is solved and there is a happy ending.
