Single Omega Dad Wendy Rathbone, 2020-06-12 My new financial guardian, Mathias, is a cold, self-centered, rude-ass Alpha and the son of one of the wealthiest men in the country. To him, I am a burden on society, only fit to live on a chattel farm. It doesn't matter that I'm drawn to him, to his ominous presence and chiseled jaw, his muscular body in his fitted silk suits. I'm a single dad with kids and responsibilities --I don't have time for that rich bastard. He keeps coming by the house so I can sign documents, fine. But then he's got cute gifts for my kids. It's got to stop. I don't have time to fix him. Don't have time to fall in love with an Alpha right now. A non-shifter Alpha/Omega love story with mpreg, a single widower Omega dad, an Alpha who cannot knot, emotional issues, two adorable identical twin boys, and an HEA. Some characters from Trust No Alpha make appearances in this novel, however, this book is a standalone read.

Father Figure Jordan Shapiro, 2021-05-11 A thoughtful and utterly mind-blowing exploration of fatherhood and masculinity in the 21st century (New York Times). There are hundreds of books on parenting, and with good reason—becoming a parent is scary, difficult, and life-changing. But when it comes to books about parenting identity, rather than the nuts and bolts of raising children, nearly all are about what it's like to be a mother. Drawing on research in sociology, economics, philosophy, gender studies, and the author's own experiences, Father Figure sets out to fill that gap. It's an exploration of the psychology of fatherhood from an archetypal perspective as well as a cultural history that challenges familiar assumptions about the origins of so-called traditional parenting roles. What paradoxes and contradictions are inherent in our common understanding of dads? Might it be time to rethink some aspects of fatherhood? Gender norms are changing, and old economic models are facing disruption. As a result, parenthood and family life are undergoing an existential transformation. And yet, the narratives and images of dads available to us are wholly inadequate for this transition. Victorian and Industrial Age tropes about fathers not only dominate the media, but also contour most people's lived experience. Father Figure offers a badly needed update to our collective understanding of fatherhood—and masculinity in general. It teaches dads how to embrace the joys of fathering while guiding them toward an image of manliness for the modern world.

Alpha's Longing Peace: A Werewolf Romance (Fate of the Rejected Slave Mate Book 3 The End) Mmeso,2023-03-14 Stop! Let her go. A deep voice roared from outside of the dungeon forcing the guard leader's hand to hang in the air. Luciana gasped and fell to the ground, groaning as her wounded sore body came in contact with the hard cold floor but somehow grateful for the distraction and whoever it was that gave her a minute to breathe even if she knew it wouldn't last for long. All the eyes turned towards the figure. Anyone that could make the guard leader cower at his voice must be someone highly important. The figure walked into the dungeon room straight to Luciana where she lay helplessly on the ground. He towered over her with his penetrating eyes hovering over her. Then he gulped thickly. How could it be? The question pondered in his head as he stared down at the weak girl curled up and trembling before him whom a strange fragrance had drawn him to. Could she be ...his mate... No...no way... he muttered under his breath, taking a foot backward. There was no way he would agree to being mate to a weakling and a slave. Never.
