World Book, Inc

**Ruthless Focus** Thomas Hall, Wally Bock, 2010-05 Ruthless Focus will spark a true revolution in your company as it has in ours. The examples and insights Tom Hall shares highlight the benefits of this simple, yet often overlooked business strategy. Jason Lexell, President, Digital Harvest, Inc. Ruthless Focus is the most important business book I have ever read. If you want to outperform your competition, read Ruthless Focus and apply the lessons—good luck without them. Chip Webster, President, Vistage Florida Why do so many companies seem to stall and stagnate while a relative few grow and prosper? What are the ingredients that combine to give some really successful growth companies long-term sustainable advantages? Why aren't more companies like them? Why do some organizations have great promise at the beginning but they quickly plateau? Does anyone stay small on purpose? Success and growth are not inevitable. In this book, you'll read about some companies who have been successful for decades. And you'll learn what sets them apart from the competition. We call it Ruthless Focus. We'll show you companies that are successful for years by maintaining a Ruthless Focus on a single, simple, core strategy. Ruthless Focus drives out temptation and distraction. Ruthless Focus helps you concentrate your time and resources and people and innovation on coming up with ways to be grow profitably, and to design your organization to make it work.

**Focus** Al Ries, 2005-09-27 What's the secret to a company's continued growth and prosperity? Internationally known marketing expert Al Ries has the answer: focus. His commonsense approach to business management is founded on the premise that long-lasting success depends on focusing on core products and eschewing the temptation to diversify into unrelated enterprises. Using real-world examples, Ries shows that in industry after industry, it is the companies that resist diversification, and focus instead on owning a category in consumers' minds, that dominate their markets. He offers solid guidance on how to get focused and how to stay focused, laying out a workable blueprint for any company's evolution that will increase market share and shareholder value while ensuring future success.

**Working Backwards** Colin Bryar, Bill Carr, 2021-02-09 Working Backwards is an insider's breakdown of Amazon's approach to culture, leadership, and best practices from two long-time Amazon executives—with lessons and techniques you can apply to your own company, and career, right now. In Working Backwards, two long-serving Amazon executives reveal the principles and practices that have driven the success of one of the most extraordinary companies the world has ever known. With twenty-seven years of Amazon experience between them—much of it during the period of unmatched innovation that created products and services including Kindle, Amazon Prime, Amazon Studios, and Amazon Web Services—Bryar and Carr offer unprecedented access to the Amazon way as it was developed and proven to be repeatable, scalable, and adaptable. With keen analysis and practical steps for applying it at your own company—no matter the size—the authors illuminate how Amazon's fourteen leadership principles inform decision-making at all levels of the company. With a focus on customer obsession, long-term thinking, eagerness to invent, and operational excellence, Amazon's ground-level practices ensure these characteristics are translated into action and flow through all aspects of the business. Working Backwards is both a practical guidebook and the

story of how the company grew to become so successful. It is filled with the authors' in-the-room recollections of what "Being Amazonian" is like and how their time at the company affected their personal and professional lives. They demonstrate that success on Amazon's scale is not achieved by the genius of any single leader, but rather through commitment to and execution of a set of well-defined, rigorously-executed principles and practices—shared here for the very first time. Whatever your talent, career or organization might be, find out how you can put Working Backwards to work for you.

**Focus Point** Donald G. McMullen,2018-01-12

**The Power of Focus Tenth Anniversary Edition** Jack Canfield,Mark Hansen,Les Hewitt,2012-03-06 More than 700,000 people around the world have been captivated by the simple, practical and profound strategies contained in the original bestseller, The Power of Focus. Now a decade later, authors Jack Canfield, Mark Victor Hansen and Les Hewitt have joined forces to create a special 10th Anniversary Edition of this enduring classic. Essential Library is an imprint of Abdo Publishing, a division of ABD0.

*Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986* ,2002

**Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** United States. Internal Revenue Service,2002

**Future Focus** Theodore B. Kinni,1998-10-15 Theodore B. Kinni Editor of The Business Reader Review, a free electronic newsletter of capsule reviews of new business books. Al Ries Voted one of the top 100 most influential public relations people in the 20th century by PR Week. Savvy business people and investors around the world are asking, what do we have to do today to prosper tomorrow, next month, next year? That's the question that started Al Ries and Theodore Kinni working on Future Focus, the book that answers the question: what will it take to

succeed in business in the next century and new millennium? They found the answers among twenty-one focused, innovative, and protean companies. Future Focus explores each of these 21 companies in turn. Each company is introduced by a quote from one of its leaders, an Executive Snapshot that offers a fast insight into the strategic vision of the company. What can you learn from Future Focus? There are many practical business lessons in the book. They revolve around four major themes: 21st century success is focused. Almost all of the Future Focus 21 have flirted with diversification. Almost all have lost money on the outside ventures and are extremely focused as of today. Those that continue to operate outside their core businesses are usually in related businesses and are building a vertically integrated operation. The lesson: Get and stay focused. 21st century success is innovative. The Future Focus 21 are innovators. They are busy searching out original products and services or they are busy introducing existing products and services in markets that have never seen them before. Either way, they are innovators in the marketplace. The lesson: Be Innovative. 21st century success is global. With a single exception, each company in the Future Focus 21 is a global business and is trying to get more global. A well-focused company replaces the urge to diversify its businesses with the drive to diversify its markets. The lesson: Go global. 21st century success has speed bumps. There isn't a single, sustained upward ride in any of the Future Focus histories. Sooner or later, a competitor beats you to the next best thing or the bottom drops out of your customer's market or the whole economy heads south for a breather. The lesson: Be prepared for hard times.

*Free to Focus* Michael Hyatt, 2019-04-09 Everyone gets 168 hours a week, but it never feels like enough, does it? Work gobbles up the lion's share--many professionals are working as much as 70 hours a week--leaving less and less for rest, exercise, family, and friends. You know, all those things that make life great. Most people think productivity is about finding or saving time. But it's not. It's about making our time work for us. Just imagine having free time again. It's not a pipe dream. In *Free to Focus*, New York Times bestselling author Michael Hyatt reveals to readers nine proven ways to win at work so they are finally free to succeed at the rest of life--their health, relationships, hobbies, and more. He helps readers redefine their goals, evaluate what's working, cut out the nonessentials, focus on the most important tasks, manage their time and energy, and build momentum for a lifetime of success.

*Business Organizations Law in Focus* Deborah Bouchoux, Christine Sgarlata Chung, 2022-10-27 Business Organizations Law in Focus, Second Edition provides a thorough introduction to the key attributes, advantages, and disadvantages of every form of for-profit business organization in the United States, including: partnerships, limited liability companies, and corporations. The practice-oriented approach of the Focus Casebook Series elucidates the legal and practical aspects of business organizations through real-world scenarios that provide numerous opportunities for students to apply theory to practice and solidify their understanding of key concepts. Clear exposition and Case Previews support independent learning and focus case analysis. New to the Second Edition: Significantly more editing of cases with an eye towards making case excerpts shorter and more accessible to students. Expanded coverage of LLCs in Chapter 12, including a newly added case and related exercises addressing the primacy of the

operating agreement in LLC governance and 2019 case and associated exercises highlighting LCC dissolution standards. Newly-added cases and exercises in Chapter 9 highlighting the continued evolution of Delaware's Caremark corporate monitoring and oversight doctrine, including references to the Delaware Supreme Court's recent decision in *Marchand v. Barhill*, 212 A.3d 805, 809 (Del. 2019) reversing the dismissal of Caremark claims against an ice cream manufacturer over allegedly persistent food safety issues, and the Chancery Court's decision in *Clovis Oncology, Inc. Derivative Litig.*, C.A. No. 2017-0222-JRS, 2019 WL 4850188 (OCT. 1, 2019) denying a motion to dismiss Caremark claims involving allegedly "serial non-compliance" with FDA protocols and regulations having to do with drug approval. An additional case in Chapter 10 that asks whether the "disrespectful and unfairly disproportionate treatment of a female shareholder by the male majority in a closely held corporation constitutes corporate oppression" pursuant to New York Business Corporation Law § 1104-a (a)(1). A new case in Chapter 10 in which shareholders of AmerisourceBergen—one of the world's leading wholesale distributors of opioid painkillers—sought to exercise their inspection rights under DGCL § 200 to investigate whether the firm had engaged in wrongdoing in connection with the distribution of opioids. Additional and expanded references to Model Business Corporation Act (MBCA) standards across Chapters 8, 9, and 10, including expanded references to MBCA standards concerning director conflicting interest transactions, the corporate opportunity doctrine, and the MBCA's universal demand rule for derivative actions. A new case in Chapter 3 addressing duties of loyalty and candor in the partnership context that invokes the *Meinhard v. Salmon* standard in a manner that is more accessible to students. Updated coverage of the proxy system and proxy regulation, securities offering rules and regs, and developments in insider trading law. New cases and "spotlight" sections that address a variety of timely issues, including "unicorns" (start-up businesses with a valuation of at least \$1 billion), claims involving opioid manufacturers, and corporate governance matters involving #MeToo claims. Professors and students will benefit from: Features that engage students in applying theory to practice, such as Real-Life Applications, Application Exercises, and Applying the Concepts. Experiential exercises on drafting documents and preparing appropriate filings. An overview in Chapter One of the various forms of business organization and their key attributes, advantages, and disadvantages. An emphasis on contemporary principal cases and issues that resonate with today's students and fuel class discussion. Clear exposition of legal principles means students can absorb assigned reading on their own, and professors don't have to explain it from the lectern in class. Attention to attorney ethical issue and rules that commonly arise in the representation of business entities. The online ascii art generator can convert text to multiline text boxes. Try it now.

*Start with Culture* Hanoi Morillo, 2021-10-26 You've probably heard the saying Culture eats strategy for breakfast. It's true, but what practical steps do you need to take to create the best culture for your company or organization? In her informative and entertaining new book, *Start with Culture: Focus on Your People and Results Will Follow*, Hanoi Morillo answers that question with actionable guidance and keen insights gained from her experience as an executive at Google and IBM, a Shark on Shark Tank, and a CEO in the Fintech space. Prepare to be

the change you want to see.

**The Vision Driven Leader** Michael Hyatt, 2020-03-31 Having a clear, compelling vision--and getting buy-in from your team--is essential to effective leadership. If you don't know where you're going, how on earth will you get there? But how do you craft that vision? How do you get others on board? And how do you put that vision into practice at every level of your organization? In *The Vision Driven Leader*, New York Times bestselling author Michael Hyatt offers six tools for crafting an irresistible vision for your business, rallying your team around the vision, and distilling it into actionable plans that drive results. Based on Michael's 40 years of experience as an entrepreneur and executive, backed by insights from organizational science and psychology, and illustrated by case studies and stories from multiple industries, *The Vision Driven Leader* takes you step-by-step from why to what and then how. Your business will never be the same.

Total Revenue Management (TRM) Marc Helmold, 2020-06-03 This book explores total revenue management (TRM), an emerging concept in revenue management that incorporates existing principles and tools of revenue management across all profit streams. It is a professional's guide to using TRM in an optimal and innovative manner to gain competitive advantage. Readers will gain comprehensive insights into the strategies, tools and principles of TRM including existing and emerging revenue streams across the value chain. The author offers a transparent and holistic explanation of pricing strategies, segmentation methods and distribution principles which enable implementation of TRM in organizations.

Business Organizations Law in Focus Deborah E. Bouchoux, Christine Sgarlata Chung, 2024-01-30 Buy a new version of this textbook and receive access to the Connected eBook with Study Center on Casebook Connect, including lifetime access to the online ebook with highlight, annotation, and search capabilities. Access also includes practice questions, an outline tool, and other helpful resources. Connected eBooks provide what you need most to be successful in your law school classes. *Business Organizations Law in Focus*, Third Edition, provides a thorough introduction to the key attributes, advantages, and disadvantages of every form of for-profit business organization in the United States, including: partnerships, limited liability companies, and corporations. The practice-oriented approach of the Focus Casebook Series elucidates the legal and practical aspects of business organizations through real-world scenarios that provide numerous opportunities for students to apply theory to practice and solidify their understanding of key concepts. Clear exposition and Case Previews support independent learning and focus case analysis. New to the Second Edition: Significantly more editing of cases with an eye towards making case excerpts shorter and more accessible to students. New cases in Chapters 1 and 2 that address veil piercing, the creation of an agency relationship, agent authority, and principal liability in a manner that is (more) accessible to students. Expanded coverage of LLCs in Chapter 12, including a newly-added cases and related exercises addressing the primacy of the operating agreement in LLC governance and LLC dissolution standards. New cases and exercises in Chapter 9 highlighting the new universal test for demand futility under Rule

23.1 (the Zuckerberg case) and the continued evolution of Delaware's Caremark corporate monitoring and oversight doctrine A newly-added Delaware Supreme Court case in Chapter 10 in which shareholders of AmerisourceBergen--one of the world's leading wholesale distributors of opioid painkillers--sought to exercise their inspection rights under DGCL Section 200 to investigate whether the firm had engaged in wrongdoing in connection with the distribution of opioids A newly-added case in Chapter 7 addressing preferred stock attributes and the relationship between common stock and preferred stock. Additional and expanded references to Model Business Corporation Act (MBCA) standards across Chapters 8, 9, and 10 Updated coverage of the proxy system and proxy regulation, securities offering rules and regs, and developments in insider trading law New and/or updated cases and spotlight sections that address a variety of timely issues, including unicorns (start-up businesses with a valuation of at least \$1 billion), so-called shadow trading, claims involving opioid manufacturers, and corporate governance matters involving #MeToo claims. Professors and students will benefit from: Features that engage students in applying theory to practice, such as Real Life Applications, Application Exercises, and Applying the Concepts. Experiential exercises on drafting documents and preparing appropriate filings. An overview in Chapter One of the various forms of business organization and their key attributes, advantages, and disadvantages. An emphasis on contemporary principal cases and issues that resonate with today's students and fuel class discussion. Clear exposition of legal principles, so students can absorb assigned reading on their own, and professors don't have to explain it from the lectern in class. Attention to legal ethics and rules of professional responsibility that commonly arise in the representation of business entities.
