Great American History Quiz Steve Preston,2015-06-22 Most historical works written to amplify the goodness of a specific group or culture are filled with errors specifically designed to make that culture look good. While it is nice to read that type of history, it is not very useful. This American History quiz not only provides you with a test of your understanding of American History outside that limited characterization but also goes into the details of how and why these things were modified or lied about. Additionally, the book provides you with a more expanded reference position on subjects like Pilgrims, Columbus, Phoenicians, Presidents during the Revolution, Weapons of Wars, mistakes in reporting, Slavery, Ota Benga, the misunderstood Civil War the Lincoln conspiracy.
