A Short History of American Literature William Peterfield Trent,John Erskine,Stuart P. Sherman,Carl Van Doren,2015-10-15 Originally published in 1924, this book presents a historical guide to American literature, from the colonial era through to the late nineteenth century. The text is broad in scope, incorporating studies of philosophical, historical and political writers, alongside detailed accounts of key literary figures such as Poe and Whitman. A comprehensive bibliography is also included. This book will be of value to anyone with an interest in literary criticism and the history of American literature.

A Brief History of American Literature William Peterfield Trent,1909

A Brief History of American Literature (Classic Reprint) William P. Trent,2015-07-04 Excerpt from A Brief History of American Literature In this book, which is designed for the use of schools, I - have endeavoured to furnish a condensed account of the development of American literature, rather than a series of connected essays on leading American authors. At the same time I have tried to mention no writer or book devoid of a fair amount of significance, and I have also had it in mind to treat the more important authors on a scale sufficiently extended to suit the needs of the average class. I have aimed to minimize tentative criticism and to give only such details of historical setting as could not well be spared. I have condensed the bibliographical information to dimensions more or less proportionate with the resources of school libraries and have divided it into sections according to chapters. The period from 1866 to the present day has been sketched in a chapter, fuller treatment of writers, many of whom are still living, not seeming advisable in view of the difficulty of maintaining an impartial attitude toward contemporaries. An appendix gives important dates, which may be used in lieu of those scattered through the text. Topics for essays and class reports will be often suggested by the paragraph headings, and teachers may sometimes find it advantageous, when time

permits, to have reports made on writers and books mentioned in the Appendix but not in the text, as well as on topics treated more fully in my larger book, *A History of American Literature, 1607-1865* (1903, Appleton). About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Brief History of American Literature William Peterfield Trent, 1914

A History of American Literature, 1918

Brief History of English and American Literature Henry A. Beers, 2008-04-01

History of American Literature Reuben Post Halleck, 1911 This volume describes the greatest achievements in American literature, from the earliest times to the present. Special attention has been paid to the individual works of great authors, but also to literary movements, ideals, and animating principles, and the relation of all these to English literature. The author hopes this book will inspire students to investigate for themselves the remarkable American record of spirituality, initiative, and democratic accomplishment contained in our national literature.

Brief History of English and American Literature Henry A. Beers, 2020-07-17

The Cambridge History of American Literature: Volume 1, 1590-1820 Sacvan Bercovitch, Cyrus R. K. Patell, 1997-01-28 Volume I of *The Cambridge History of American Literature* was originally published in 1997, and covers the colonial and early national periods and discusses the work of a diverse assemblage of authors, from Renaissance explorers and Puritan theocrats to Revolutionary pamphleteers and poets and novelists of the new republic. Addressing those characteristics that render the texts distinctively American while placing the literature in an international perspective, the contributors offer a compelling new evaluation of both the literary importance of early American history and the historical value of early American literature.

Brief History of English and American Literature (Esprios Classics) Henry a Beers, 2022-03-18 Henry Augustin Beers (1847-1926) was an author, literary historian, poet, and professor at Yale University. Beers practiced law and worked as tutor before joining the Yale Department of English in 1875, where he produced numerous works, including scholarly studies of literature, volumes of poetry, and biographies. He is probably best known for his works on the historical development of literature. His works include: *Nathaniel Parker Willis* (1885), *From Chaucer to Tennyson* (1890), *A Short History of American Literature* (1906) and *The Two Twilights* (1917).

A Brief History of American Literature Reuben Halleck, 2011-07-10

Contents: Preface Colonial Literature The Emergence Of A Nation The New York Group The New England Group Southern Literature Western Literature The Eastern Realists Preface: The following chapters describe the greatest achievements in American literature from the earliest times until the present. Many pupils fail to obtain a clear idea of great American authors and literary movements because textbook writers and teachers ignore the element of truth in the old adage, The half is greater than the whole, and dwell too much on minor authors and details, which could reasonably be expected to interest only a specialist. In the following pages especial attention has been paid, not only to the individual work of great authors, but also to literary movements, ideals, and animating principles, and to the relation of all these to English literature. The author has further aimed to make this work both interesting and suggestive. He has endeavored to present the subject in a way that necessitates the comparison of authors and movements, and

leads to stimulating thinking. He has tried to communicate enough of the spirit of our literature to make students eager for a first-hand acquaintance with it, to cause them to investigate for themselves this remarkable American record of spirituality, initiative, and democratic accomplishment. As a guide to such study, there have been placed at the end of each chapter Suggested Readings and still further hints, called Questions and Suggestions. In *A Glance Backward*, the author emphasizes in brief compass the most important truths that American literature teaches, truths that have resulted in raising the ideals of Americans and in arousing them to greater activity. Sample Text: The most impressionable years of his boyhood were spent in Hannibal, which he calls a loafing, down-at-the-heels, slave-holding Mississippi town. He attended only a common school, a picture of which is given in *The Adventures of Tom Sawyer*. Even this schooling ceased at the age of twelve, when his father died. Like Benjamin Franklin and W. D. Howells, the boy then became a printer, and followed this trade in various places for nearly eight years, traveling east as far as the City of New York. He next became a cub, or under pilot, on the Mississippi River. After an eighteen months' apprenticeship, he was an excellent pilot, and he received two hundred and fifty dollars a month for his services. He says of these days: Time drifted smoothly and prosperously on, and I supposed-and hoped-that I was going to follow the river the rest of my days, and die at the wheel when my mission was ended. But by and by the war came, commerce was suspended, my occupation was gone. For an inimitable account of these days, the first twenty-one chapters of his *Life on the Mississippi* (1883) should be read.... in that brief, sharp schooling, I got personally and familiarly acquainted with about all the different types of human nature that are to be found in fiction, biography, or history. The fact is daily borne in upon me, that the average shore employment requires as much as forty years to equip a man with this sort of education... . When I find a well-drawn character in fiction or biography, I generally take a warm personal interest in him, for the reason that I have known him before-met him on the river. [Footnote: *Life on the Mississippi*, Chapter XVIII] No other work in American literature or history can take the place of this book and of his three great stories (pp. 359-361), which bring us face to face with life in the great Mississippi Valley in the middle of the nineteenth century... N.B. *A Brief History Of American Literature* was originally published as *History Of American Literature*.

A History of American Literature... ,1919

The Crossroads of American History and Literature Philip F. Gura, 2004-06-11 The *Crossroads of American History and Literature* collects two decades' worth of the best-known essays of Philip F. Gura. Beginning with a definitive overview of studies of colonial literature, Gura ranges through such subjects in colonial American history as the intellectual life of the Connecticut River Valley, Cotton Mather's understanding of political leadership, and the religious upheavals of the Great Awakening. In the nineteenth century, he visits such varied topics as the history of print culture in rural communities, the philological interests of the Transcendentalist Elizabeth Peabody, the craft and business of the early American music trades, and Thoreau's interest in exploration literature and in the Native American. Displaying remarkable sophistication in a variety of fields that, taken together, constitute the heart of American Studies, this collection illustrates the complexity of American cultural history.

A History of American Literature Since 1870 Fred Lewis Pattee, 2022-05-29 Fred Lewis Pattee was a literary critic and the first-ever professor of American literature. In this work, published in 1915, he gives an account of the developments in American literature in the 70s, 80s, and the beginning of the 90s years of the 19th century.

become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About American Literature A Brief History Books

What is a American Literature A Brief History PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a American Literature A Brief History PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a American Literature A Brief History PDF?** Editing

a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a American Literature A Brief History PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a American Literature A Brief History PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like

Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
