Amitabh Bachchan Susmita Dasgupta,2018-03-10 The book is a set of philosophical essays on Amitabh Bachchan, a star like no other in Bollywood. Packed into the persona of Amitabh Bachchan is a star, a person, an expression of his writers, directors, cinematographers, music directors, choreographers and most importantly, the viewer. There are spaces where Amitabh Bachchan, as a person, spreads over to his screen persona and creates his stardom with many episodes and experiences from his life lived in flesh and blood. The book discusses Amitabh against images and appeals of other popular stars like Raj Kapoor, Dev Anand, Dilip Kumar and Rajesh Khanna and even Shah Rukh Khan. The book also discusses many of his films which were a remake of popular films of earlier days, as well as many of Amitabh's films which were remade later with the present day stars. The book finds that the star is an individual, the self-image of the viewer and essential in a modernizing society in which the individual is rooted in the institution of family and marriage and must operate within the structures of his class, caste, religion and even the city in which he lives. In his desire to take charge of his life, overcome the barriers that stand in the way of a fuller realization of his essence as an individual. Cinema can be classified around the star and the principles of classification pertain to the existential questions of the star in his embeddedness into the world and also a desire to transcend those attachments into a purer state of being.

**Survivor** Rajnini Lalsinghani,2018-10-16 Amitabh Bachchan is a superstar in the truest sense of the word. His name and face have taken over the hearts of minds of people around the world for almost 50 years. This book is the story of hope and survival against all odds. Masterfully using a unique compilation of articles published in newspapers at the time, this book attempts to chronicle the incident as it unfolded each day when disaster befell him in 1982. Taking the reader on a journey through the two months when Amitabh Bachchan was in hospital fighting for his life. It explores the effect the incident had on the entire nation as they waited, prayed and came together, united in the hope that he would survive. And survive he did. Fans around the world still talk about this miracle. The book is full of interesting anecdotes, quotes, and rumors that were rife at the time of the incident and provides an engaging insight into the superstar's private persona. It also explores Amitabh's later struggles and his ultimate return to glory in this comprehensive and loving retelling of the major events of his life to date. It highlights how news was reported in the eighties in India, and the restrained approach to reporting compared to the desensitized, sensationalist tone news has acquired today. That aspect alone makes for an interesting read. The author, smitten with the charismatic artiste, cut and pasted each article published about the incident into a small, little notebook as it happened. It is her desire now to be able to take this news to the Indian diaspora, with the belief that it will be able to provide courage and hope for people whose families are in similar situations. Resonating a message to never give up hope because against all odds, a person still has their inner will power and the Supremo's wish - The one who wants to help you is always stronger than the one who wants to destroy you. If God has decided to save you, nothing can harm you. Jaako raakhe saainyan, maar sake na koi

**Dear Mr Bachchan** Saurav Dutt,2020-02-25 Vikram Chopra is no ordinary 12-year-old boy. Living with his family in a 50 sq ft shack deep amidst the hustle and bustle of Mumbai, India's great metropolis, he dreams beyond the pervading slums and poverty around him. He finds his only solace in devouring the glitz and glamour of Bollywood, especially the films of the greatest megastar of the Indian film industry, the Don of blockbusters himself, the legendary Amitabh Bachchan. When an incredible twist of fate finds Vikram coming face to face with his idol, he soon finds himself thrown into a world of inspiration, hope and ambition, realising he can finally dare to dream of a life beyond the slums, even if others are determined not to let him. Dear Mr Bachchan is a story of ambition, pride and dreams, a testament to the strength of the human spirit against all odds.

**Looking for the Big B** Jessica Hines,2014-04-10 'Jessica,' he pronounced, 'you have known me for seven years. My life has changed seven times. You will never finish this book.' There is no reason why Amitabh Bachchan and I should appear in the same sentence. He is India's most legendary film star - a mixture of Clint Eastwood, Al Pacino and Elvis. In India where film stars are treated as gods, Bachchan is the über-god, the Big B. As for me, I am English, almost thirty, and not in the least bit famous. Yet here I am in Bombay about to start writing his story. How did I get here? Why did I get here? Can I pull it off? Bombay is mayhem and Bollywood is maddening. The Big B is strangely aloof, the magazines are full of lies, and no one is talking. I want to write a book that explodes the myths surrounding India's most famous man. But what will I find?
