John Daintith

Anagrams Lorrie Moore, 2012-02-22 An extraordinary, often hilarious novel. --The New York Times A revelatory tale of love gained and lost, from a master of contemporary American fiction. Gerard sits, fully clothed, in his empty bathtub and pines for Benna. Neighbors in the same apartment building, they share a wall and Gerard listens for the sound of her toilet flushing. Gerard loves Benna. And then Benna loves Gerard. She listens to him play piano, she teaches poetry and sings at nightclubs. As their relationships ebbs and flows, through reality and imagination, Lorrie Moore paints a captivating, innovative portrait of men and women in love and not in love.

Shouting at the Rain Lynda Mullaly Hunt, 2020-05-05 From the author of the New York Times bestseller *Fish in a Tree* comes a compelling story about perspective and learning to love the family you have. Delsie loves tracking the weather--lately, though, it seems the squalls are in her own life. She's always lived with her kindhearted Grammy, but now she's looking at their life with new eyes and wishing she could have a regular family. Delsie observes other changes in the air, too--the most painful being a friend who's outgrown her. Luckily, she has neighbors with strong shoulders to support her, and Ronan, a new friend who is caring and courageous but also troubled by the losses he's endured. As Ronan and Delsie traipse around Cape Cod on their adventures, they both learn what it means to be angry versus sad, broken versus whole, and abandoned versus loved. And that, together, they can weather any storm.
