

Angel Jump

Angella Campbell

Breaking the Jump Julie Angel, 2016-07 From its humble origins in the backstreets and rooftops of Paris's urban jungle, to the tops of London and New York's skyscrapers, Parkour, has become an adrenaline-fuelled implosion on the urban landscape. But more than a sport that most jaw-dropped onlookers can hardly comprehend, Parkour is an exploration of movement and a return to our body's natural ability to run, jump, hang and move with fluidity. For the first time, Julie Angel tells the story of Parkour's beginnings - the diverse, intriguing and unusual characters who went to the rooftops, hung off the stairwells and drain pipes as they trained through the night, often risking their lives and created something that has become a worldwide phenomenon. *Breaking the Jump* tells the unknown story behind Parkour's rise, and asks what is it that drives those who stand on the edge and think 'go'.

I Loved You in Another Life David Arnold, 2023-10-10 New York Times bestseller David Arnold returns with a poignant love story about two teens whose souls come together time and again through the ages—for fans of Nina LaCour and Matt Haig. Evan Taft has plans. Take a gap year in Alaska, make sure his little brother and single mother are taken care of, and continue therapy to process his

father's departure. But after his mom's unexpected diagnosis, as Evan's plans begin to fade, he hears something: a song no one else can hear, the voice of a mysterious singer . . . Shosh Bell has dreams. A high school theater legend, she's headed to performing arts college in LA, a star on the rise. But when a drunk driver takes her sister's life, that star fades to black. All that remains is a void—and a soft voice singing in her ear . . . Over it all, transcending time and space, a celestial bird brings strangers together: from an escaped murderer in 19th century Paris, to a Norwegian kosmonaut in low-earth orbit, something is happening that began long ago, and will long outlast Evan and Shosh. With lyrical prose and original songs (written and recorded by the author), *I LOVED YOU IN ANOTHER LIFE* explores the history of love, and how some souls are meant for each other—yesterday, today, forever.

Death of an Angel Samantha Marie, 2011-05-20 Laffayan, a planet not far from Earth, contains a special race of alien creatures who are almost angel like with their powers to heal using water and air.

The name Laffayan, meaning Healers, comes from the first family, the Laffays, who have been leading the planet since the dawn of time, and the youngest Laffay, Lainy, has a special healing power where she can heal throughout the healing time and the dying time, when its sister planet, Dubiasan, is at the height of its power. The Dubias family, like the Laffays, have been in control of the planet and run their planet off of other planets' energy. Dubiasan means Takers because of this. On her first visit to Earth, to see the destruction caused by the Dubiasans, she runs into Drake, but knows that he's up to no good when he starts to hang around. Drake knows that Lainy's suspicious of him, so he keeps it on the down low about his plan to turn her and her everlasting gift against her planet. But when the time finally comes, will drake be able to turn her? Will she let him? Or will something more devastating that neither can foresee happen that stops everything in its tracks?
