*Advertising and Promotional Culture* P David Marshall,Joanne Morreale,2017-12-21 This key textbook traces the development of advertising from the mid-nineteenth century to the present, providing connections with the past that illuminate present developments and point to future possibilities. Chapters take a variety of theoretical approaches to address four main themes: how advertising imagines the future through the promise of transformation; how tribalism creates a sense of collective identity organised around a product; how advertising builds engagement through participation/presumption; how the blurring of advertising, news, art, education and entertainment characterises the attention economy. P. David Marshall and Joanne Morreale expertly trace these themes back to the origins of consumer culture and demonstrate that, while they have adapted to accord with new technologies, they remain the central foci of advertising today. Ideal for researchers of Media Studies, Communication, Cultural Studies or Advertising at all levels, this is the essential guide to understanding the contemporary milieu and future directions for the advertising industry.

**7: An Experimental Mutiny Against Excess (Updated and Revised)** Jen Hatmaker,2020-03-03 Why do we pursue more when we'd be happier with less? This is the story of how New York Times bestselling author Jen Hatmaker and her family tried to combat overindulgence—and what they learned about living a truly meaningful life along the way. Do you feel trapped in the machine of excess? Jen Hatmaker was. Her friends were. And some might say that our culture is. Jen once considered herself unmotivated by the lure of prosperity, but after she was called “rich” by an undeniably poor child, evidence to the contrary mounted and a social experiment turned spiritual journey was born. 7 is the true story of how Jen (along with her husband and her children) took seven months, identified seven areas of excess, and made seven simple choices to fight back against the modern-day diseases of materialism and overindulgence: food, clothes, possessions, media and technology, spending, waste, and stress. So, what’s the payoff from living a deeply reduced life? It’s the discovery of a greatly increased God—a call toward Christ-like simplicity and generosity that transcends a social experiment to become a radically better life. Revised and updated to reflect newer challenges of modern life, 7 is funny, raw, and not a guilt trip in the making, so come along and consider what Jesus’ version of rich, blessed, and generous might look like in your life.

*1000 Years of Annoying the French* Stephen Clarke,2012-03-20 The author of A Year in the Merde and Talk to the Snail offers a highly biased and hilarious view of French history in this international bestseller. Things have been just a little awkward between Britain and France ever since the Norman invasion in 1066. Fortunately—after years of humorously chronicling the vast cultural gap between the two countries—author Stephen Clarke is perfectly positioned to investigate the historical origins of their occasionally hostile and perpetually entertaining pas de deux. Clarke sets the record straight, documenting how French braggarts and cheats have stolen credit rightfully due their neighbors across the Channel while blaming their own numerous gaffes and failures on those same innocent Brits for the past thousand years. Deeply researched and written with the same sly wit that made A Year in the Merde a comic hit, this lighthearted trip through the past millennium debunks the notion that the Battle of Hastings was a French victory (William the Conqueror was really a Norman who hated the French) and pooh-poohs French outrage over Britain’s murder of Joan of Arc (it was the French who executed her for wearing trousers). He also takes the air out of overblown Gallic claims, challenging the provenance of everything from champagne to the guillotine to prove that the French would be nowhere without British ingenuity. Brits and Anglophiles of every national origin will devour Clarke’s decidedly biased accounts of British triumph and French ignominy. But 1000 Years of Annoying the French will also draw chuckles from good-humored Francophiles as well as “anyone who’s ever encountered a snooty Parisian waiter or found

themselves driving on the Boulevard Périphérique during August” (The Daily Mail). A bestseller in Britain, this is an entertaining look at history that fans of Sarah Vowell are sure to enjoy, from the author the San Francisco Chronicle has called “the anti-Mayle . . . acerbic, insulting, un-PC, and mostly hilarious.”

**Annoying Orange** Scott Shaw, Mike Kazaleh, 2015-04-14 Gather 'round the campfire (not so close, Marshmallow!) and join your host, The Annoying Orange, for an evening of . . . Tales From the Crisper! A bumper crop of horror parodies. Orange makes first contact when Blendorr, a titanic living juicer and his colossal wife Juolie-Annn, a sentient slicing device invade from outer space in Transfarmers: Food Processors in Disguise! And Marshmallow stars in My Little Baloney--will he abandon the produce section to hang out with new friends in the cold cuts department? Or will he simply find out that friendship is tragic? Three volumes of fresh-squeezed mayhem from Orange and the fruit bowl gang!

*Annoying Orange #7: Adventure Lime* Scott Shaw!, Mike Kazaleh, 2014 Annoying Orange and his produce pals aren't getting along at all; in fact, they're practically at each other's necks - except none of 'em (except Gorgeous Gourd) even have necks! When a strange group of fruits bent on medieval conquest storm into Daneboe's, Annoying Orange raises the ire of Flem (a lime) and Jerk (a hot dog), who declare war on the Fruit Cart Gang. After an extremely one-sided battle, our heroes are so dismayed at their trouncing at the hands of Adventure Lime, they decide to break up the gang&nbsp;and go their separate ways. It's up to Nerville to get them back together, but he'll have to travel to far-off places featuring parodies of such pop culture phenomenon as Pokémon, The Regular Show, SpongeBob SquarePants, and more! More fresh-squeezed mayhem from ANNOYING&nbsp;ORANGE.

*Annoying Orange #1-3* Scott Shaw, Mike Kazaleh, 2014-09-09 Annoying Orange and his friends go up against the purple color-stealing mastermind Grapefinger, travel through time, endorse a new cereal, go on a diet, and face zany scandals, crazy kidnappings, and all-night parties.

*Tales from the Crisper* Scott Shaw, Mike Kazaleh, 2014 Don't adjust your television; that really is a talking orange and he really is that annoying! Annoying Orange and his friends from the fruit bowl have already taken over the airwaves and the internet with their groaningly silly adventures, and now it's time for them to scare the seeds out of you in this bumper crop of horrific pulpy parodies. Gather 'round the campfire (not so close, Marshmallow!) and join your host, Annoying Orange, for an evening of...Tales From the Crisper!
