*The Film Appreciation Book* Jim Piper, 2014-11-18 This is a book for cinephiles, pure and simple. Author and filmmaker, Jim Piper, shares his vast knowledge of film and analyzes the most striking components of the best movies ever made. From directing to cinematography, from editing and music to symbolism and plot development, *The Film Appreciation Book* covers hundreds of the greatest works in cinema, combining history, technical knowledge, and the art of enjoyment to explain why some movies have become the most treasured and entertaining works ever available to the public, and why these movies continue to amaze viewers after decades of notoriety. Read about such classic cinematic masterpieces as *Citizen Kane*, *Gandhi*, *Midnight Cowboy*, *Easy Rider*, *True Grit*, *Gone With the Wind*, and *The Wizard of Oz*, as well as more recent accomplishments in feature films, such as *Requiem for a Dream*, *Munich*, *The King's Speech*, and *The Hurt Locker*. Piper breaks down his analysis for you and points out aspects of production that movie-lovers (even the devoted ones) would never recognize on their own. This book will endlessly fascinate, and by the time you get to the last chapter, you're ready to start all over again. In-depth analysis and thoughtful and wide-ranging film choices from every period of cinema history will ensure that you never tire of this reading companion to film. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

**The 5 Languages of Appreciation in the Workplace** Gary Chapman, Paul White, 2019-01-01 Based on the #1 New York Times bestseller *The 5 Love Languages*® (over 12 million copies sold), Dramatically improve workplace relationships simply by learning your coworkers' language of appreciation. This book will give you the tools to improve staff morale, create a more positive workplace, and increase employee engagement. How? By teaching you to effectively communicate authentic appreciation and encouragement to employees, co-workers, and leaders. Most relational problems in organizations flow from this question: do people feel appreciated? This book will help you answer "Yes!" A bestseller—having sold over 300,000 copies and translated into 16 languages—this book has proven to be effective and valuable in diverse settings. Its principles about human behavior have helped businesses,

non-profits, hospitals, schools, government agencies, and organizations with remote workers. PLUS! Each book contains a free access code for taking the online Motivating By Appreciation (MBA) Inventory (does not apply to purchases of used books). The assessment identifies a person's preferred languages of appreciation to help you apply the book. When supervisors and colleagues understand their coworkers' primary and secondary languages, as well as the specific actions they desire, they can effectively communicate authentic appreciation, thus creating healthy work relationships and raising the level of performance across an entire team or organization. Take your team to the next level by applying The 5 Languages of Appreciation in the Workplace.

**Dance Appreciation** Amanda Clark,Sara Pecina,2020-09-30 Dance Appreciation is an exciting exploration of how to understand and think about dance in all of its various contexts. This book unfolds a brief history of dance with engaging insight into the social, cultural, aesthetic, and kinetic aspects of various forms of dance. Dedicated chapters cover ballet, modern, tap, jazz, and hip-hop dance, complete with summaries, charts, timelines, discussion questions, movement prompts, and an online companion website all designed to foster awareness of and appreciation for dance in a variety of contexts. This wealth of resources helps to uncover the fascinating history that makes this art form so diverse and entertaining, and to answer the questions of why we dance and how we dance. Written for the novice dancer as well as the more experienced dance student, Dance Appreciation enables readers to learn and think critically about dance as a form of entertainment and art.

*Music Appreciation for the Elementary Grades* Elisabeth Tanner,Judy Wilcox,2013-07-01 Music Appreciation for the Elementary Grades: Book 1 will introduce children to seven different composers, dating from 1685 to 1828 (Bach, Handel, Haydn, Mozart, Beethoven, Paganini and Schubert). Each composer's childhood and adult life are vividly described in individual biographies. Every important incident is mentioned and every detail of the stories is true. Each book contains written music and delightful pictures throughout. It is more than the human side of these books that will make them live, for in the music the great masters breathe. This book includes a variety of hands-on activities such as: geography lessons, history lessons, recipes, instrument studies, music vocabulary, hand writing, musical facts of the Classical period, timelines, character trait studies, and so much more. Geared for a variety of learners-auditory, kinesthetic, visual, and just plain active-the Student Activity Book is an excellent companion to your reading experience. \* Exceeds all of the national standards required for music appreciation (kindergarten - sixth grade.) \* User- friendly for multi-age groups \* Geared for a variety of

learners- visual, auditory and kinesthetic \* Incorporates activities from across the curriculum

*Focus on the Good Stuff* Mike Robbins, 2010-12-07 The author and professional coach teaches readers to find greater happiness through gratitude in this book of personal stories and practical advice. Before he became a successful author and professional coach, Mike Robbins was a professional baseball player. But at twenty-three years old, he suffered an injury that ended his promising career as a pitcher. Instead of quitting, Mike took stock of the good things in his life and began a new path. In *Focus on the Good Stuff*, Mike offers a step-by-step program with exercises for overcoming negative influence and obstacles, creating a truly grateful approach to life, and establishing an environment that can support success and peace of mind. Filled with passion, authenticity, and humor, this guide will teach you to move beyond the cycle of negativity and discover the happiness you deserve.

*Appreciation* Leo Stein, 1996-01-01 Living well was the best revenge for Leo Stein, the art critic who took to heart Samuel Johnson's dictum, "Clear your mind of cant." Leo shared with his sister, Gertrude Stein, the Paris apartment that became a meeting place for the famous. Reflected in *Appreciation: Painting, Poetry and Prose* are their early years as American expatriates as well as their later estrangement. This book, originally published in 1947, the year Leo died, includes his reminiscences and estimates of Picasso, Matisse, Cézanne, and Renoir, among others, as well as his considered views on the place of art and literature in everyday life.

*Dance Appreciation* Dawn Davis Loring, Julie L. Pentz, 2021-01-28 Undergrad text for general-education courses helps students fulfill fine arts credits. This text will help students form a connection to and appreciation for dance as both an art form and a lifetime physical activity, no matter their primary course of study or eventual career path--

*A Cloud A Day* Gavin Pretor-Pinney, 2019-10-10 'This charming volume reminds us that self-care is as available as a glance out the window' – The New York Times 'A confident celebration of our ever-changing skies... I defy anyone who reads it not to start taking furtive peeks out the window.' – Robert Leigh-Pemberton, The Daily Telegraph 'A gorgeous celebration of the wonder of clouds' – The People's Friend It's more important than ever to engage with the natural world. The sky is the most dramatic and evocative aspect of nature and looking up at the clouds is always good for the soul. Ever-changing and ephemeral, clouds reflect the shifting moods of the atmosphere in limitless compositions and combinations. Gavin Pretor-Pinney

started the Cloud Appreciation Society in 2005. Since then, he's been encouraging people to 'look up, marvel at the ephemeral beauty, and always remember to live life with your head in the clouds.' Membership to the Society now includes over 50k cloudspotters. Together, they capture and share the most remarkable skies, from sublime thunderstorms and perfect sunsets to hilarious object shaped clouds. A Cloud A Day is a beautifully illustrated book containing 365 skies selected by the Cloud Appreciation Society. There are photographs by sky enthusiasts around the world, satellite images and photographs of clouds in space, as well as skies depicted by great artists over the centuries. The clouds are accompanied by enlightening explanations, fascinating snippets of cloud science, poetry and uplifting quotations. The perfect dip-in-and-out book for anyone who wants to de-stress and reconnect with nature, A Cloud A Day will inspire you to open your eyes to the everyday beauty above and to spend a moment each day with your head in the clouds.

**Appreciation – An Essay** William Lyon Phelps, 2016-04-22 This early work by William Lyon Phelps was originally published in 1932 and we are now republishing it with a brand new introductory biography. 'Appreciation' is an essay about the how to appreciate the world and how to be content. William Lyon Phelps was born on 2nd January 1865, in New Haven, Connecticut, United States. Phelps earned a B.A. in 1887, writing his thesis on the Idealism of George Berkeley. He then gained an M.A. in 1891 from Yale and his PhD from Harvard in the same year. During his time at Yale, he offered a course in modern novels which brought the university considerable attention both nationally and internationally. Phelps published many essays on modern and European literature, including titles such as 'Essays on Modern Novelists' (1910), 'Some Makers of American Literature' (1923), and 'As I Like it' (1923).

**Music** Roger Kamien, 2002 Music: An Appreciation, sixth edition, is an exciting new revision of the most widely used text for the non-majors' introduction to music or music appreciation courses. Instructors have made Kamien's Music: An Appreciation the leading book because of its thorough coverage (including world music), because of its well-chosen examples (based on adopters' input), because of its unsurpassed supplements package (including multi-media software) and because of its easy-to-follow listening outlines (keyed to the recording packages). Non-majors especially appreciate that Kamien provides them with a variety of ways to follow the listening outlines: written descriptions, musical notation, time counts and CD tracks.

**Loose Leaf for Music: An Appreciation** Roger Kamien, 2017-02-10 Music: An Appreciation remains the time-tested solution for welcoming non-majors to the art of listening to great music. Now, Roger Kamien places a renewed focus on learning the elements of music, fostering each student's unique

path to listening and understanding. This is achieved through step-by-step guidance as they learn the elements of music, as well as an increased number of musical selections to appreciate, and an enhanced McGraw-Hill Connect experience. As the authority in the Music Appreciation course, Kamien equips students with the language, tools and listening skills required to sustain a life-long enthusiasm for music.

*The Qualities of Men* Joseph Jastrow, 1910

**Henry A. Ward** Augustus Hopkins Strong, 1922

Appreciation and Meaning Journal Andrew Eltes, 2021-03-04 Is there something missing in your life? Are you seeking to live a more appreciative and meaningful life? In *Appreciation and Meaning Journal*, author Andrew Eltes guides you to feeling gratitude while focusing on what matters most every single day. Through a series of ten empowering questions, this journal is designed to help you: • deliberately feel positive; • focus on and feel gratitude for what is going well in your life; • concentrate on how you can better yourself while growing and giving to others; • be centered and prioritize what matters most each day while feeling the core reasons for these actions; and • connect to the essence and enjoy the feeling of accomplishing a goal before it is physically completed. The *Appreciation and Meaning Journal* helps you ask yourself empowering questions, feel the benefit of empowering and meaningful answers, and have the best start to the day possible while also being centered and focused on what matters most that day. It should be a day that feels and looks how you want it to.

**The Lesson in Appreciation** Frank Herbert Hayward, 1915

*Jacob Behmen* Alexander Whyte, 1912

**Musical Theater** Alyson McLamore, 2016-09-16 For Surveys of Musical Theater, Music Appreciation courses and Popular Culture Surveys. This unique historical survey illustrates the interaction of multiple artistic and dramatic considerations with an overview of the development of numerous popular musical theater genres. This introduction provides more than a history of musical theater, it studies the music within the shows to provide an understanding of the contributions of musical theater composers as clearly as the artistry of musical theater lyricists and librettists. The familiarity of the

musical helps students understand how music functions in a song and a show, while giving them the vocabulary to discuss their perceptions.
