The Book of Longings Sue Monk Kidd, 2020-04-21 "An extraordinary novel . . . a triumph of insight and storytelling." -Associated Press "A true masterpiece." -Glennon Doyle, author of *Untamed* An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of *The Secret Life of Bees* and *The Invention of Wings* In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by

her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

*Republican Rescue* Chris Christie, 2021-11-16 Enough with the infighting, the truth-denying, the wild conspiracy claims, the looking backward, and the refusal to focus on the dangerous Biden agenda. Here's Chris Christie's urgent guide for recapturing Republican glory and winning elections again, told with all the New Jersey frankness and news-breaking insights that have made the two-term governor and presidential candidate an indispensable voice and instant New York Times bestselling author. As governor of New Jersey and a key Trump insider and longtime friend, Chris Christie has always been known for speaking his mind. Now that the depressing 2020 election is finally behind us, he shares his bold insights on how a battered Republican Party can soar into the future and start winning big elections again. The wrong answers are everywhere. Dangerous conspiracy theorists. A tired establishment. Truth deniers and political cowards. In *Republican Rescue*, Christie reveals exactly how absurd grievances and self-inflicted wounds sabotaged Donald Trump's many successes and allowed Democrats to capture the White House, the House, and Senate in two years—a first for the GOP since the days of Herbert Hoover. In his frank and compelling voice, Christie dissects the last year of the Trump administration—which provoked nothing but conspiracy theories and infighting—and he lays out an honest and hopeful vision, explaining how Republicans can capture the future and save America from today's damaging Democratic excesses. The core Republican values of Abraham Lincoln, Teddy Roosevelt, and Ronald Reagan are as relevant now as they've ever been, Christie writes. Opportunity for all. A strong national defense. Leaders we can all be proud of. Americans in charge of their own lives. A federal government that answers to the people—not the other way around. But these Republican ideals need to be reinvigorated with fresh clarity and open arms. Christie watched in horror as some in his beloved party embraced paranoia and explained away violence. Determined to restore the party's integrity and success, he shows how to build a movement voters will flock to again, a Republicanism that's blunt, smart, conservative, potent, and perfectly suited for the 21st century.

*Divided America* The Associated Press,2016-12-02 Is America still great or has the country lost its way? This and many other concerns weighing on the minds of everyday Americans is explored by reporters of The Associated Press in *Divided America: An AP Guide to the Fracturing of a Nation*. The AP reveals the tensions and issues underlying the tumultuous 2016 U.S. election, but it goes beyond the politics of the moment to ask: How will Americans face continued challenges well after a new president has been chosen? *Divided America*, is more than just Democrat vs. Republican or liberal vs. conservative. It's the 1 percent vs. the 99 percent and rural vs. urban. Climate doubters clash with believers. Bathrooms have become battlefields, borders are battle lines. It's sex and race, faith and ethnicity, and a melting pot that's boiling over. The stories examine how Americans define greatness, why evangelical Christians feel they are under siege in the U.S., where the heated rhetoric over immigration has exposed deep division in a once-quiet corner of the West, as well as the disconnect between improving economic data and the day-to-day struggles of ordinary people. AP also looks at the influence of Hispanic and millennial voters, the role of media in shaping a divisive electorate and many other questions that will continue to impact the country for years to come. These profiles are of people from every corner of the U.S. who are hopeful, angry, passionate, optimistic, fatalistic and, above all, divided. Additionally, the book features more than 75 images taken by AP's award-winning photographers. Proceeds from each purchase of *Divided America* will support the efforts of the National Freedom of Information Coalition and its mission to protect the rights of citizens to open government and ensure accessibility and transparency from public institutions, especially on the state and local level. *Divided America* is a must read for anyone looking to understand the pulse of the nation and the issues Americans face on a daily basis.

Just Help! Sonia Sotomayor,2022-01-25 From the author of the #1 New York Times bestseller *Just Ask!* comes a fun

and meaningful story about making the world--and your community--better, one action at a time, that asks the question: Who will you help today? Every night when Sonia goes to bed, Mami asks her the same question: How did you help today? And since Sonia wants to help her community, just like her Mami does, she always makes sure she has a good answer to Mami's question. In a story inspired by her own family's desire to help others, Supreme Court Justice Sonia Sotomayor takes young readers on a journey through a neighborhood where kids and adults, activists and bus drivers, friends and strangers all help one another to build a better world for themselves and their community. With art by award-winning illustrator Angela Dominguez, this book shows how we can all help make the world a better place each and every day. Praise for Just Help!: Generosity proves contagious in this personal portrait of community service by Supreme Court Justice Sotomayor. --Publishers Weekly For use in civics units or in lessons on being a good neighbor, this provides wonderful encouragement to show that children can help in big and small ways. --School Library Journal

*Associated Press Coverage of a Major Disaster* Thomas Fensch, 2015-07-16 Originally published in 1989. This diary of a news event looks at how the reporting happened as spread by the news wire system of the Associated Press service in America. Analysing the flow of information in this detailed way, this book presents how a major disaster, a fast-moving story with considerable spin, was fed out to the press via the Dallas bureau in 1988. Introductory chapters outline the workings of a press bureau office during a major story and present interview sections with key reporters on the story about how their role unfolded. Sidebar commentary alongside the reproductions of the news wires, organised by date and time, adds interesting discussion throughout the book, while a conclusion evaluates the coverage of the story. The Appendices include reproductions of Texas newspapers' resulting pages about the crash. This is a fascinating case-study of the dissemination of news date before the internet, compiled at a time when computers were just large enough to retain in memory all stories relating to event 'X' in order for this kind of analysis to be attempted.
