**Simon Beecroft**

*Star Wars* Michael Reaves, Steve Perry, 2007 Tells the story of the construction of the Death Star and the people involved in it, including its architect, Grand Moff Tarkin; a gunnery officer responsible for its deadly power; and a fighter pilot who defends the construction site.

5-Minute Star Wars Stories Lucasfilm Press, 2016-05-03 Blast off into hyperspace with these eleven action-packed Star Wars tales! Jedi Master Yoda has a lightsaber showdown with the dreaded Count Dooku; Luke Skywalker and the Rebels race against time to destroy the Death Star; and the brave Rey makes a new friend when she meets the droid BB-8. Each of these stories is the ideal length for reading aloud in five minutes—perfect for galactic adventures at light speed.

Death Star: Star Wars Legends Michael Reaves, Steve Perry, 2011-06-28 “THAT’S NO MOON.” –Obi-Wan Kenobi The Death Star’s name says it all, with bone-chilling accuracy. It is a virtual world unto itself—equipped with uncanny power for a singularly brutal purpose: to obliterate entire planets in the blink of an eye. Its annihilation of the planet Alderaan, at the merciless command of Grand Moff Tarkin, lives in infamy. And its own ultimate destruction, at the hands of Luke Skywalker, is the stuff of legend. But what is the whole story, and who are the players, behind the creation of this world-killing satellite of doom? The near extermination of the Jedi order cleared the way for Palpatine—power-hungry Senator and Sith Lord—to seize control of the Republic, declare himself Emperor, and usher in a fearsome, totalitarian regime. But even with the dreaded Darth Vader enforcing Palpatine’s sinister will, the threat of rebellion still looms. And the Emperor knows that only abject fear—and the ability to punish dissent with devastating consequences—can ensure his unchallenged control of the galaxy. Enter ambitious and ruthless government official Wilhuff Tarkin, architect of the Emperor’s terrifying dream come true. From inception to completion,

construction of the unprecedented Death Star is awash in the intrigues, hidden agendas, unexpected revelations, and daring gambits of those involved on every level. The brightest minds and boldest egos, the most ambitious and corrupt, the desperate and the devious, all have a stake in the Death Star-and its potential to control the fate of the galaxy. Soldiers and slaves, loyalists and Rebels, spies and avengers, the innocent and the evil-all their paths and fates will cross and intertwine as the Death Star moves from its maiden voyage to its final showdown. And a shadowy chapter of Star Wars history is stunningly illuminated in a thrilling, unforgettable adventure. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

**Death Star** Elizabeth Hand, Michael Reaves, Steve Perry, 2007-10-25 The story of the Death Star will take us through the massive weapon's three stages: Construction, Shakedown, and the Final Battle. We'll experience the daily lives of the ordinary imperial troops, criminals, civilians and the slaves working on the project; witness the convoluted politics, the triumphs and screw-ups, and more.
