**I'm Not from Here** Will Willimon,2015-11-17 With I'm Not from Here, popular writer Will Willimon returns to fiction with a story of spiritual discovery set in a Southern town. Will takes us on a Don Quixote-like journey during which young Felix Goforth Luckie learns a great deal about the world, about other people, and about a God who shows up in the oddest places, in the strangest times, and among the unlikeliest people. On a quest to discover himself, Felix is discovered by the grace of God. In homage to Dostoevsky, Cervantes, and the Bible, Willimon creates a world that is thoroughly believable, realistic, and ordinary, yet at the same time fantastic, strange, and funny. In Galilee, Georgia, young Felix finds that things are not as they first appear, people are wonderfully mysterious, and God is unavoidable. At times odd, frequently very funny, both satirical and poignant, I'm Not from Here is a rollicking tale, a light-hearted parable with serious intent. Willimon's first novel, *Incorporation*, was widely acclaimed for its satire, honesty, and theological depth. While this his second novel differs considerably, I'm Not from Here is equally surprising and entertaining, showing Willimon's gifts as a masterful storyteller. Even as the parables of Jesus reveal things to us that could not be seen except through fiction, so this novel is not only engaging but also revealing.

**Perma/Culture:** Molly Wallace,David Carruthers,2018-02-07 In the face of what seems like a concerted effort to destroy the only planet that can sustain us, critique is an important tool. It is in this vein that most scholars have approached environmental crisis. While there are numerous texts that chronicle contemporary issues in environmental ills, there are relatively few that explore the possibilities and practices which work to avoid collapse and build alternatives. The keyword of this book's full title, 'Perma/Culture,' alludes to and plays on 'permaculture', an international movement that can provide a framework for navigating the multiple 'other worlds' within a broader environmental ethic. This edited collection brings together essays from an international team of scholars, activists and artists in order to provide a critical introduction to the ethico-political and cultural elements around the concept of 'Perma/Culture'. These multidisciplinary essays include a varied landscape of sites and practices, from readings from ecotopian literature to an analysis of the intersection of agriculture and art; from an account of the rewards and difficulties of building community in Transition Towns to a description of the ad hoc infrastructure of a fracking protest camp. Offering a number of constructive models in response to current global environmental challenges, this book makes a significant contribution to current eco-literature and will be of great interest to students and researchers in Environmental Humanities, Environmental Studies, Sociology and Communication Studies.

**No Longer Silent** Rev. Mike Beck,2011-11-02 QUOTES FROM THE CHAPTER, LET'S BE REAL Do we have any understanding of the un-churched culture in which we live and the way these people view the church? Do we spend intentional time cultivating relationships with non-Christian people, or is our attitude one of they know where we are, and they'll come if they want to? If the church is truly to experience a revival, we must seek to understand the needs and thinking of unchurched Harry and Mary. We need to stop playing our pious, religious games and realize that the church is to be a haven for broken, hurting people who feel they don't have their lives all together. And if we look at the teachings of Jesus, He consistently taught that it was those people who felt they had it all together who in fact were farthest from God! In no way am I diminishing the importance of sound doctrine, but I have often laughingly said that we will be surprised when we get to Heaven at some of the people living in our neighborhood! We must acknowledge our own struggles with complex issues and, at times, admit that we don't have God in a neat box and therefore don't have all the answers. Although sound theology is important, my Bible says first and foremost that they will know we are Christians by our love! Christ said that He had come, not to comfort the already comfortable, but to preach good news to the poor...to proclaim recovery of sight to the blind...to release the oppressed...and to proclaim the year of the Lord's favor. Is that our message as well? If not, then it's time for us to be real!

**Listening to Your Sheep:** Wayne Perry,2006-02-16 Did you see the way that guy acted at that meeting? I cant believe someone would act that way in church! If you have ever heard, or perhaps thought or said, something like this, Listening To Your Sheep is for you. Based on more than ten years of research, Listening To Your Sheep uses the common Biblical image of the people of God as sheep to describe the major types of people who are bound to be in every congregation. Not only does Dr. Wayne Perry describe the sheep and how they are likely to respond in common situations in a congregation, he also gives concrete advice the leaders of the congregation can use to work more effectively with these sheep. The book begins with some necessary background on listening skills and on the rules by which all human systems, from families to congregations to multinational organizations, operate. With this foundation in place, each succeeding chapters describes a particular kind of sheep which will be found in every religious body. Listening is indeed key to diagnosing each type of sheep. As the author points out, to diagnose actually means to listen thoroughly. Dr. Perry shows how to listen to the words and the actions of the people in the congregation to understand what type of sheep you are working with. Each chapter also shows what happens when this type of sheep become a shepherd, that is, when the sheep becomes a leader of the body. The results are

often fascinating. All the more so because the practical suggestions Dr. Perry provides are based on research into and observations of many different religious groups. You are sure to hear someone you know in this book.

They Also Serve Jane P. Ives,2020-03-31 Stories from the women and men who have served alongside Methodist and United Methodist bishops. When a bishop is elected in The United Methodist Church, it is not only the one elected who is asked to serve but his or her spouse and family as well. Hear the stories of how Methodist and United Methodist episcopal spouses have adjusted to and navigated this life-changing journey. While dealing with the full range of human experience—births, deaths, relationship struggles, and illness—they also travel the world, participate in mission and ceremonies, meet interesting people, and stand up for justice. Through hardships, celebrations, and everyday struggles, these spouses find their own paths of ministry, answering the calls that are also placed upon their lives. In these ways and many others, they also serve. Praise for They Also Served A meticulous labor of love by Jane P. Ives, They Also Served remembers faithful unsung Christians by chronicling previously unrecorded details of the spouses of episcopal leaders. Sometimes in the spotlight, often in the shadows, the bishop's spouses struggled to fulfill unpaid roles and undefined responsibilities in the church, usually far from family and friends. Ives empathetically highlights how these persons, usually without voice or vote, helped shape the church's mission and ministry. - Dr. Donald E. Messer, Executive Director, Central for Health and Hope: Focusing on Global HIV and AIDS, Centennial Colorado. Bishops may ebb and flow in their popularity based on their decisions, but their spouses are almost universally loved and admired. Jane Ives helps readers understand why that is the case with her comprehensive story of the impressive, diverse, and thoroughly dedicated women and men who have contributed so much to God's work. —Lovett H. Weems, Jr., Distinguished Professor of Church Leadership Emeritus, Wesley Theological Seminary, Washington, DC In the gospel of Luke, Jesus sent the disciples out, two by two, to every town, and country, every charge and conference. Ives' book records the wisdom of sending two, and restores the names of those often forgotten in the story of the people called Methodists, the spouses. These are remarkable oral histories as well as timelines of social holiness and global service. This is not a book about survival in ministry and marriage; it's a testimony to those who thrived in their calling. —Heather Murray Elkins, Professor of Worship, Preaching, and the Arts, The Theological School of Drew University, Madison, New Jersey This is a book about discipleship. It is also a book about ministry and itinerancy. It tells stories of how God sometimes calls two people to the work of episcopacy, people who happen to be married to each other. It is a book that will make you laugh and cry! This book is an important addition to the literature of Methodist episcopacy. And it is a hard book to put down! —William Boyd Grove, Bishop (Ret.) of The United Methodist Church Jane Ives has given the Methodist family a priceless treasure. Through an astonishing effort to collect memories and explore archival material, she has compiled a comprehensive record of episcopal spouses, their stories, accomplishments, and contributions to the church. But this book is more than a biographical dictionary. It offers a poignant, insightful account of the lives of bishops, their spouses and families, and the impact of the church's expectations on all of them. As a little boy, I knew firsthand the phone call: get on a train to New Orleans with your sister; your Daddy is going to be a bishop. Allow me to testify, then, that this book is the real deal -- genuine, human, and rich with faith and Spirit. —Thomas E. Frank, Associate Dean for Continuing Studies, Graduate School of Arts and Science, Wake Forest University, Winston-Salem, North Carolina Laity and clergy active in United Methodist life and their spouses will want to immerse themselves in this corporate autobiography, which provides an overview of Methodism through almost 80 years of personal experiences and cultural change. Jane Ives, an episcopal spouse, has amassed here narratives, reports, and communications crafted by her spousal colleagues, living and dead, as well as by those who have known them. For page after page, the reader will relive Methodism's sometimes gradual, sometimes dramatic evolution and its struggles with race, gender, inclusivity, and global relationships. The bishops' spouses have shown great creativity in making the most of their opportunities to be together during Council meetings: sharing ideas, establishing covenant and interest groups, and adjusting their organization to respond to changing needs. Ives has devoted the final third of the book to profiles of the spouses, some quite famous and others whose names are not even known. These vignettes illustrate how different episcopal spouses have lived out their own calling and how they have impacted the church and the world. —Russell E. Richey, Dean Emeritus of Candler School of Theology and William R. Cannon Distinguished Professor of Church History Emeritus, Durham, North Carolina

**The Pastor-evangelist in Worship** ,1986-01-01 The role of the pastor as worship leader and preacher takes on additional significance when viewed in the context of evangelism. Building on the foundation laid in his earlier book The Pastor as Evangelist, Richard Stoll Armstrong provides practical, down-to-earth guidance for the minister who wants to participate more fully in the church's mission of evangelism.
