The Story Zondervan,2011-04-19 The greatest story ever told is more than just a cliché. God goes to great lengths to rescue lost and hurting people. That is what The Story is all about: the story of the Bible, God's great love affair with humanity. Condensed into 31 accessible chapters, The Story sweeps you into the unfolding progression of Bible characters and events from Genesis to Revelation. Using the world's most popular modern-English Bible, the New International Version, it allows the stories, poems, and teachings of the Bible to read like a novel. Like any good story, The Story is filled with intrigue, drama, conflict, romance, and redemption - and this story's true! The Story features a foreword by Max Lucado and Randy Frazee. This book tells the grandest, most compelling story of all time: the story of a true God who loves his children, who established for them a way of salvation and provided a route to eternity. Each story in these 31 chapters reveals the God of grace - the God who speaks; the God who acts; the God who listens; the God whose love for his people culminated in his sacrifice of Jesus, his only Son, to atone for the sins of humanity. Features: Selections from text of the accurate, readable, and clear New International Version (NIV) Foreword by Max Lucado and Randy Frazee Events, characters, and teachings of the Bible are arranged chronologically Short transitions between each chapter to connect the reader to the continuing story Timelines of Bible events

Holy Bible (NIV) Various Authors,2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern

English has the largest library of printed and electronic support material of any modern translation.

Reframe Brian Hardin,2015-09-17 Each day, over 150,000 people around the world receive their dose of the Word from Brian Hardin, vision and voice of the Daily Audio Bible. Now Brian's distinct, emotive tone delivers the message of his heart in his latest book, Reframe. Hear Brian for yourself as he passionately declares, "You are created in God's image; you have His DNA embedded into your very core. The world and your life are engineered so that they will not work without Him. Come and be ruined for anything else but a life-giving connection to the almighty God." This unabridged, four-disc set will inspire readers, wherever they are on their journey.

Redeeming Productivity Reagan Rose,2022-10-04 Feeling overwhelmed and unproductive? The answer isn't to do more. What image forms in your mind when you think of productivity? An assembly line? Spreadsheets? Business suits or workplace uniforms? In the ancient world, productivity didn't conjure images like these. Instead, it referred to crop yield and fruit bearing. This agrarian imagery helps us understand productivity through a biblical lens. Jesus taught, By this my Father is glorified, that you bear much fruit (John 15:8). Who doesn't want to have a truly productive life—to bear much fruit? But how does this happen in the places we hold dear—the home, workplace, and in our communities? We often feel overworked and overrun, defeated and discouraged. The world says be productive so that you can get all you can out of this life. The Bible says be productive so you can gain more of the next life. In Redeeming Productivity, author Reagan Rose explores how God's glory is the purpose for which He planted us. And he shows how productivity must be firmly

rooted in the gospel. Only through our connection to Christ—the True Vine—are we empowered to produce good fruit. This book shows how we can maintain the vitality of that connection through simple, life-giving disciplines. Readers will discover manageable applications like giving God the first fruits of our days. Additionally, Reagan discusses how our perspective on suffering is transformed as we see trials as God’s pruning for greater productivity.

The One Year Adventure with the God of Your Story Brian Hardin, 2019-10-08 The Bible is a beautiful and divinely inspired book. From Genesis to Revelation the Bible tells the cohesive story of God’s unwillingness to be left out of the human story—your story. In this One Year devotional, join founder and voice of the Daily Audio Bible, Brian Hardin, on a journey to read it in its entirety. Brian Hardin has been podcasting the Bible to hundreds of thousands for over a decade, leading people through the whole Bible every year. Now he’s putting his love of the daily reading of Scripture on to the page. In this collection of 365 readings, you’ll be surprised by how often what you read in the Bible will be a mirror into your own heart and motives. And you’ll be delighted to understand that God is not a distant and uninterested Being. He is deeply invested in the human story and deeply in love with what He has fashioned. God wants to know and be known by us.

Revelation, 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a

series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Can I Trust the Bible? R. C. Sproul, 2019-03-14 What is the Bible? Can we really trust it? Many people today assume that the Bible is full of errors and contradictions. At best, it is a mildly interesting look at the lives and beliefs of people who lived centuries ago. In this booklet, Dr. R.C. Sproul shows that these common assumptions are wrong. The Bible is the Word of God, and therefore it is trustworthy, authoritative, and without error. What it says is of life-changing importance and should not be neglected by anyone. We can always trust what God reveals about Himself in His Word. The Crucial Questions booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers.

The Story of Jesus Participant's Guide Randy Frazee, 2013-07-31 The Story of Jesus small group video Bible study is a seven-week exploration into the life and ministry of Jesus that is adapted from the original The Story Adult Curriculum. Pulled straight from the pages of the Bible, this study provides individuals and groups of all sizes the opportunity to learn, discuss, and apply Jesus' life, work, and teaching to their everyday lives. Pastor and author Randy Frazee presents seven ten-minute teachings on how the story of Jesus intersects with the story of our modern day lives. To understand the Bible, says author and pastor Randy Frazee, you need bifocal lenses, because two perspectives are involved. The Lower Story, our story, is actually many stories of men and women interacting with God in the daily course of life. The Upper Story is God's story, the tale of his great, overarching purpose that fits all the individual stories together like panels in one unified mural. The Story of Jesus Participant's Guide includes DVD teaching notes, discussion questions, between session personal experiences, and also

includes seven chapters of the full text of The Story hardcover book as it relates to Jesus, from his birth to the beginning of the church. Sessions include: The Birth of the King Jesus' Ministry Begins No Ordinary Man Jesus, the Son of God The Hour of Darkness The Resurrection New Beginnings Designed for use with The Story of Jesus Video Study (sold separately).

Passages Brian Hardin, 2011-12-20 Many Christians feel guilty when they think of reading the Bible. Though they want to love reading Scripture, they rarely have time for more than a few verses on the run. But the Bible is not meant to be a burden. It is the story of God's passionate love for His children. It is also not a book of mystical incantations. It is a best friend offering counsel and companionship. And it is not a distant relic, but something very near. Near enough, in fact, to be every reader's story. So how do Christians delight in this story rather than see it as a source of failure? The founder of the immensely popular Daily Audio Bible, Brian Hardin shows readers how reading through the Bible in a year will change their life and the lives of others. Passages shows readers how to read the Bible and offers practical ideas for immersing themselves in God's life-giving words. Here readers will discover that reading the Bible can be a breathtaking adventure.

KJV Audio Bible ,2007

The Knowledge of the Holy A. W. Tozer,2023-12-13 True religion confronts earth with heaven and brings eternity to bear upon time. The messenger of Christ, though he speaks from God, must also, as the Quakers used to say, speak to the condition of his hearers; otherwise he will speak a language known only to himself. His message must be not only timeless but timely. He must speak to his own generation. The message of this book does not grow out of these times but it is appropriate to them. It is called forth by a condition which has existed in the Church for some years and is steadily growing worse. I refer to the loss of the concept of majesty from the popular religious mind. The Church has surrendered her once lofty concept of God and has substituted for it one so low, so ignoble, as to be utterly unworthy of thinking, worshipping men. This she has done not deliberately, but little by little and without her knowledge; and her very unawareness only makes her situation all the more tragic.

New Testament History and Literature Dale B.

Martin,2012-04-24 In this engaging introduction to the New Testament, Professor Dale B. Martin presents a historical study of the origins of Christianity by analyzing the literature of the earliest Christian movements. Focusing mainly on the New Testament, he also considers nonbiblical Christian writings of the era. Martin begins by making a powerful case for the study of the New Testament. He next sets the Greco-Roman world in historical context and explains the place of Judaism within it. In the discussion of each New Testament book that follows, the author addresses theological themes, then emphasizes the significance of the writings as ancient literature and as sources for historical study. Throughout the volume, Martin introduces various early Christian groups and highlights the surprising variations among their versions of Christianity.
