**Sheila** Robert Wainwright,2014-02-01 She wedded earls and barons, befriended literary figures and movie stars, bedded a future king, was feted by London and New York society for 40 years, and died a Russian princess As a child Sheila Chisholm chased kangaroos on horseback and swam with sharks at Bondi Beach. As a young woman she nursed soldiers wounded at Gallipoli, married an English lord, became a darling of London society, and had an affair with Bertie, the future King of England. By the age of 30 Sheila had captivated America, leaving Hollywood and the high society of New York and Florida smitten by her charm and grace. She was courted by Rudolph Valentino and Vincent Astor among others, was a confidante of the Woolworth heiress Barbara Hutton, and a close friend of the Kennedys, the Vanderbilts, and the society hostess Elsie Maxwell. Her showbiz circle included Sophie Tucker, Charlie Chaplin, Fred and Adele Astaire, and Douglas Fairbanks. Who was this remarkable woman who was so warmly welcomed into the palaces, mansions, and clubs of the elite? Filled with scandalous revelations, Sheila is essential reading.

**Murder of Jill Meagher: Irish Australian Beauty** Pamela Lillian Valemont,2019-07-15 He should never have been allowed to walk the streets of Melbourne. He was out on parole, a serial rapist. Jill Meagher was a professional woman in media. She stood out from the crowd; a cut above the rest. She was educated, beautiful, accomplished: a respected Irish Australian. She was also a young married woman who deserved to let her hair down a bit on Friday night at the end of the working week. She also had the right to walk the short distance home at night - a bit tiddly in the good old Irish way - without being preyed upon by the likes of Adrian Ernest Bayley. He saw his chance, and dragged her into a filthy side alley where he raped and strangled her. Not only Jill Meagher's life ended that day. The happiness and peace of mind of her young husband Tom was destroyed, along with that of Jill's parents and everyone on both sides of the family. This is a forensic numerological criminal profile and analysis of both the violently depraved perpetrator and his tragic victim.

**Sheila** Robert Wainwright,2014 Born on a NSW sheep station, she wedded earls and barons, was feted by London and New York society, and when she died was a Russian princess.

**A Crowning Achievement** Kay Saunders,Julie Ustinoff,2005-01-01 Beauty contests of many kinds have long held a place in the social and cultural fabric of societies around the world. In Australia, the Miss Australia Quest was the longest running, most popular and most successful charitable event in the nation's history, running continuously from 1954 to 2000. A Crowning Achievement focuses on the quest, and considers others like it, to highlight the social changes in post-war Australia. It explores issues relating to national identity, multiculturalism, women's roles, rural communities, the philanthropy of the Australian people and the movement of disabled people out of the shadows of Australian social and cultural history.

*Useless Beauty* Ann Elias,2015-10-05 The story of Australian art does not begin and end with landscape. This book puts flowers front and centre, because they have often been ignored in preference for more masculine themes. Departing from where studies of single flower artists leave off, Useless Beauty embraces the general topic of flowers in Australian art and shines new light on a slice of Australian art history that extends from 1880 to 1950. It is the first book of broad chronology to discuss Australian art through blossoms, which it does by addressing stories of major figures including Hans Heysen, Margaret Preston and Sidney Nolan, as well as specific objects such as surreal flowers, Aboriginal flowers and war flowers. Whether modern or conservative, the artists in this study shared an intellectual and emotional passion for flora. This was true for men as well as women, despite blossoms being a more traditionally feminine subject. Through spectacular reproductions of historical and contemporary artworks drawn from collections in Australia, the United States, Britain and New Zealand, Useless Beauty explores how flowers influenced the psyche, governed rituals, defined identity and brought a psychological dimension to the everyday. The peak years for flower-centricity in Australian art were between 1920 and 1940 when flowers were known as the apotheosis of useless beauty.

**Her Australian Cattle Baron** Margaret Way,2017-06-27 Modern-day life on the Australian Outback is a high-stakes game, even among the most privileged—and love must be strong to survive . . . Royston Stirling has all the strength, money, and power that his infamous father wielded over the family cattle station deep in the dusty bush of Australia's Channel Country. But from the moment she sees him, Amelia Boyd knows Royce struggles to be a better man. His tense energy attracts her, fueling the spell of remote, manor-like Kooralya and its lush gardens of gardenia and roses—even as she recognizes that the wedding bringing their families together is a terrible mistake. Amelia knows her sister has snared Royce's brother more out of greed than passion. But she can't abandon her, no matter how conniving she seems. And with the groom besotted with Amelia even as he prepares to walk down the aisle, the ill-fated match stirs up nightmares of the past. Amelia might almost forgive Royce's suspicions. But the arrogance of a wounded man is a powerful force, one Amelia knows too well. And as the desire brewing between Royce and Amelia grows irresistible, the distrust, heartache, and family secrets seething beneath the surface are bound to burst forth . . . "If you've never read Margaret Way before, you're in for a treat!" —New York Times bestselling author Diana Palmer

My Australian Prince Elmie Yan,2007-11-19 My Australian Prince sets itself mainly in Western Australia's ruggedly beautiful and antique Kalgoorlie-Boulder, the enchanting Archipelago of the Recherche on the Southern Ocean, and the delicate splendour of Paris outskirts of antiquity. Alain James Goldenbough, endowed with magnetic handsomeness and intelligence, is born in 1960 into Western Australia's richest family. Their wealth emanates from the 1893 Gold Rush of the famed mining twin-towns of Kalgoorlie-Boulder. His famous colourful posy since the age of ten is the symbol of his high regard for women... and the New Mothers Paradise his brainchild. For his only love Elizabeth Sinclair, he reserves the red rose-posy and he leads them both to a vow of virginity. Together with Elizabeth, he is to face his two legacies - the only-child Goldenbough Australian ancestry and his maternal Montagne French heritage. Elizabeth must help him, but it seems that his heart that softens to women's needs will not know the mysteries beneath Elizabeth's crescent smile and lake-look aquamarine eyes. He will not know either the versatile schemes of his two rivaling grandfathers - Pop Sir William Goldenbough of Australia and Papy Vincent Montagne of France - nor the mysterious family in France that aims to destroy him. His two legacies will pound and crumble him to his limits, bringing him out to the extraordinary, away from the typical Australian laid-back personality. Spanned across three-and-a-half decades from 1960 to 1995, Alain's inimitable story will entertain and stir you, touch your emotions, and test your mentality.
