Early Bird Special!!! and 174 Other Signs That You Have Become a Senior Citizen Mike

Piedmonte, Jean Piedmonte, 2003-04-16 Wouldn't you like to know if you've become a Senior Citizen? Wouldn't your spouse or your children like to know if you've become one? Wouldn't they like to know if they've become seniors? Just what are the signs that cause men and women to one day have to take a deep breath and admit, I've become a Senior Citizen. When looking for the answer, disregard the AARP cards and senior discounts. And also the Social Security checks and Medicare payments as being the only criteria. Becoming a Senior Citizen is not just the attainment of an arbitrary age. It's also the result of an individual's mind-set. Here, then, are 175 signs and 36 essays (some hilarious, some nostalgic, and some bittersweet) that will help you see if you've become a bona fide member of the

fastest growing segment of American society.

Handbook of Corporate Equity Derivatives and Equity Capital Markets Juan Ramirez,2011-09-07

Equity strategies are closely guarded secrets and as such, there is very little written about how investors and corporate can utilise equity vehicles as part of their growth strategies. In this much-needed book, industry expert Juan Ramiraz guides readers through the whole range of equity derivative instruments, showing how they can be applied to a range of equity capital market situations, including hedging, yield enhancement and disposal of strategic stakes, mergers and acquisitions, stock options plan hedging, equity financings, share buybacks and other transactions on treasury shares, bank regulatory capital arbitrage and tax driven situations. The book includes case studies to highlight how equity derivative strategies have been used in real-life situations.
