Pee and Poo. a Manual for How to Go to the Bathroom ,2024-09-24

Poopy Science Edward Kay,2022-09-06 Everything from A to Z about going number one and two. This deep dive into the science and history of poop (and pee) covers everything kids ever wanted to know about their favorite subject. Both expertly researched and hilarious, the book starts with human waste: what's in our poop, how our digestive system works, the history of sanitation. It then moves on to other fascinating topics: why some animals eat poop, poop's potential use as fuel, how astronauts poop in space. Kids will enjoy getting the scoop on poop! Flush with engrossing facts and loaded with silly puns, this book belongs in every bathroom. It's sure to turn the amateur poop aficionado into a pro!

How to Poo at Work Mats,Enzo,2011-11-29 The perfect gag gift for anyone who appreciates a little toilet humor! Don't let number 2 stop you from being number 1 on the job. Face the facts. You poop every day-more or less-but making a misstep when you've got to go at the office could land you in some serious doo-doo. How to Poo at Work is the ultimate guide to handling a range of potentially awkward situations, including what to do when: • The boss is in the next stall • The toilet gets clogged • A colleague follows you into the bathroom • There's no toilet paper Flush with useful diagrams, this handy book can save your career from going down the toilet.

Whose Poo? Daisy Bird,2023-08-01 For fans of *Everyone Poops*, a hilariously fresh take on P00! A trip to the zoo turns into a very silly discussion about poo, as two siblings wonder what sort of poo each and every creature would do. One day, Daddy Rat announces to his baby rats that he'll be taking them to the zoo . . . but only if they're good, which means no talking about poo! And yet, before the family can even leave the house, the two rascally siblings can't help but wonder . . . what sort of poo would an astronaut do? Shiny, silver, space-age poo! Rocket-powered, weightless poo, and it spins round and round like a planet does, too! Head chefs, balloon sellers, blue whales . . . everyone and everything must have a unique poo, and the siblings simply have to stop and imagine each and every one (much to the chagrin of Daddy Rat, who is getting increasingly irritated with all the poo talk). Once the rats finally reach the zoo, things escalate, because of course each and every animal in the zoo must do a special kind of poo! Finally, Daddy Rat has simply had enough, and is forced to sit down and explain the facts to his curious kids. And when he thinks he may have gotten through to his youngsters, he encounters a surprising (and smelly) twist which will have little rats everywhere laughing out loud!

Oh Poo! a Cautionary Tale Lori Kothe, 2020-06-09 When a boy who loves his dog but hates picking up dog poo takes a shortcut across the grass on the way to school, he learns that everyone has a poo story and it's up to him to break the mighty poo curse. Based on a collection of true dog poo stories, this funny rhyming picture book reminds readers of all ages that we're all in this together, and one small action can have a big impact, even when nobody sees it. Oh Poo! A Cautionary Tale is inspired by the author's daughter almost stepping in dog poo on the parking strip each morning as they race to school. When she shared her dismay with others, she realized that she'd tapped into a universal experience: everyone has a poo story, but nobody knows why this mighty poo curse persists. Most poop or poo stories in the children's book market relate to potty training or rely on being gross and silly to engage. Oh Poo! is unique in that while it touches on the gross factor, the stories in the book are based on real events that show the impact that just one piece of poo had on people. The book makes a fun gift to new pandemic puppy owners, dog lovers (or haters), and anyone who might need a not-so-subtle hint. It can also be a useful tool for parents, educators,

local governments, and community organizers to help people realize the health and environmental hazards of not picking up after one's dog, and of course the social stress inflicted upon others when they step in poo. *Oh Poo!* is a memorable, non-preachy tale that's sure to spark the sharing of personal experiences and inspire positive action to help rid neighborhoods and public spaces of wayward poo for a healthier, happier world.

Poo and Other Words That Make Me Laugh Felice Arena, 2021-01-20 In the grand tradition of *The Book with No Pictures* and *This Is a Ball*, comes a brand-new read-aloud to get everyone laughing **WARNING:** Reading this book out loud may cause fits of giggles. If symptoms persist, read it again to appreciate our weird and wonderful language. And whatever you do, don't say P00!

Pee and Poop! Sam Crispin, 2017-07-15 It's true: everyone poops. While urine and feces may be good for gross-out fun, these body functions are an important way we stay healthy. Readers will put toilet humor aside and explore the science of bowel movements in a fun and interesting way, learning about the digestive system, kidneys, and more. Through tasteful images and fun graphics, this book allows readers to look at the science behind the taboos and learn more about how their bodies work.
