If You Got the Guts, We Got the Balls: A Book about Dodgeball Chris D'Angelo, 2008-08-01 When I tell someone I play Dodgeball, they normally respond with, I haven't played that since grade school. The sad thing is, our overprotective society has started banning the sport in schools across the country. They feel it's too dangerous, and that it encourages bullies to pick on weaker students. I however, see the game differently. In Dodgeball, anyone can be the hero on any day, in any game. Your position does not dictate your playtime or importance. This book is written for those who love the game or for those who are curious and want to learn more. Whether the game is being banned in schools or kids are too scared to play, the future of the game is in jeopardy. So then those who show up to play now are there because they want to be, and it's their duty to pass on the game to others. So buy this book, and I'll see you on the courts. Chapters include: The Rules / Stretches / Skills / Strategy

They are smacked, flung, dribbled, crushed, thrown, and kicked.
