This book is here to help you figure out the most suited for your baby. Most people have the impression that spiritual baby names are only for parents of religious background. The truth is it doesn't matter what your background is. Traditional baby naming may have been very strict but the rules are more flexible now. Today, you will meet little girls with boyish names although parents are a little more traditional in picking baby boy names. If you have not named a baby in the last two decades, you might be surprised on how much things have changed. It is likely you will encounter names that may have sounded ridiculous in your time but sound so cool today with kids. Whether they are cool and trendy, unusual and exotic, classic and timeless, all the names in this book have one thing in common. They are all inspired with powerful spiritual meanings. They are a price for your precious little miracles. The second book is your complete guide to the top trending baby names of 2018. It's easy to get lost in the ocean full of baby name options.
