

# Bad Things

Charlie Huston

**Bad Things** R. K. Lilley, 2013-06-10 Danika hasn't had an easy life. Being insanely attracted to bad boys has never helped make it easier. One look at Tristan, and every brain cell she possessed went up in smoke. This man was trouble with a capital T. It was a given. She knew better. Bad boys were bad. Especially for her. Considering her history, it was crazy to think otherwise. So why did crazy have to feel so damn fine? For as long as she could remember, Danika had been focused on the future with single-minded purpose. Tristan came along and taught her everything there was to know about letting go, and living in the present. She fell, hard, and deep. Of course, that only made her impact with the ground that much more devastating. **Bad Things** is about Tristan and Danika, and their train wreck of a love story. This series can be read as a standalone, or with the *Up in the Air* trilogy. This book is intended for ages 18 and up.

**The Best Bad Things** Katrina Carrasco, 2018-11-06 "A brazen, brawny, sexy standout of a historical thrill ride, **The Best Bad Things** is full of unforgettable characters and insatiable appetites. I was riveted. Painstakingly researched and pulsing with adrenaline, Carrasco's debut will leave you thirsty for more." —Lyndsay Faye, author of *The Gods of Gotham* A vivid, sexy barn burner of a historical crime novel, **The Best Bad Things** introduces readers to the fiery Alma Rosales—detective, smuggler, spy It is 1887, and Alma Rosales is on the hunt for stolen opium. Trained in espionage by the Pinkerton Detective

Agency—but dismissed for bad behavior and a penchant for going undercover as a man—Alma now works for Delphine Beaumont, the seductive mastermind of a West Coast smuggling ring. When product goes missing at their Washington Territory outpost, Alma is tasked with tracking the thief and recovering the drugs. In disguise as the scrappy dockworker Jack Camp, this should be easy—once she muscles her way into the local organization, wins the trust of the magnetic local boss and his boys, discovers the turncoat, and keeps them all from uncovering her secrets. All this, while sending coded dispatches to the circling Pinkerton agents to keep them from closing in. Alma's enjoying her dangerous game of shifting identities and double crosses as she fights for a promotion and an invitation back into Delphine's bed. But it's getting harder and harder to keep her cover stories straight and to know whom to trust. One wrong move and she could be unmasked: as a woman, as a traitor, or as a spy. A propulsive, sensual tour de force, *The Best Bad Things* introduces Katrina Carrasco, a bold new voice in crime fiction.

Bad Things Tamara Thorne, 2013-09-03 Reprinted Edition The Piper clan emigrated from Scotland and founded the town of Santo Verde, California. The Gothic Victorian estate built there has housed the family for generations, and has also become home to an ancient evil forever linked to the Piper name. . . As a boy, Rick Piper discovered he had the sight. It was supposed to be a family myth, but Rick could see the greenjacks--the tiny mischievous demons who taunted him throughout his

childhood--and who stole the soul of his twin brother Robin one Halloween night. Now a widower with two children of his own, Rick has returned home to build a new life. He wants to believe the greenjacks don't exist, that they were a figment of his own childish fears and the vicious torment he suffered at the hands of his brother. But he can still see and hear them, and they haven't forgotten that Rick escaped them so long ago. And this time, they don't just want Rick. This time they want his children. . . .

*Real Bad Things* Kelly J. Ford, 2022-09 From the author of *Cottonmouths*, a Los Angeles Review Best Book of 2017, comes an evocative suspense about the cost of keeping secrets and the dangers of coming home. Beneath the roiling waters of the Arkansas River lie dead men and buried secrets. When Jane Mooney's violent stepfather, Warren, disappeared, most folks in Maud Bottoms, Arkansas, assumed he got drunk and drowned. After all, the river had claimed its share over the years. When Jane confessed to his murder, she should have gone to jail. That's what she wanted. But without a body, the police didn't charge her with the crime. So Jane left for Boston--and took her secrets with her. Twenty-five years later, the river floods and a body surfaces. Talk of Warren's murder grips the town. Now in her forties, Jane returns to Maud Bottoms to reckon with her past: to do jail time, to face her revenge-bent mother, to make things right. But though Jane's homecoming may enlighten some, it could threaten others. Because in this desolate river valley, some secrets are better left undisturbed.

**When Bad Things Happen to Good People** Harold S. Kushner, 2001 Offers an inspirational and compassionate approach to understanding the problems of life, and argues that we should continue to believe in God's fairness.

*Hot with the Bad Things* Lucia LoTempio, 2020-05-12 These poems take a closer look at violence against women, both physical and psychological. Follow the intersection of fear, identity, and the malleability of the speaker's own experiences of violence enacted on her by men, particularly a past partner. Imagistic and evocative, the poems ask how are we conditioned into living with violence, and how do we move forward?

*Bad Things* Michael Marshall, 2009-05-05 *Bad Things* offers a pulse-pounding psychological thriller of deception, misfortune, complicity, and guilt from the bestselling author of *The Straw Men* and *The Intruders*.

**The Book of Bad Things** Dan Poblocki, 2014-08-26 One kid's trash is another kid's terror in this spooky supernatural mystery. When Cassidy Bean leaves New York to spend the summer upstate, she's disappointed to find that Whitechapel is not the quiet, pleasant suburb she remembers. Ursula Chambers, the strange old hermit at the end of the cul-de-sac, has passed away under mysterious circumstances. And the townspeople are shocked to discover that Ursula was a hoarder: Her farmhouse is teeming with stacks of newspapers, piles of furniture, mounds of antique dolls and taxidermy animals. Cassidy watches as the people of Whitechapel descend upon Ursula's farmhouse,

claiming her abandoned treasures for their own. She listens as rumors spread that Ursula's vengeful ghost is stalking the town with a warning from beyond the grave. And when Cassidy resolves to uncover the truth behind the strangeness, she learns there are more bad things in the world than she ever suspected. . . .Modern master of the macabre Dan Poblocki is back with another scary story best read at night.

**Pretty Bad Things** C. J. Skuse,2013-12-05 When they were little, Beau and Paisley were wonder twins. But now they're bigger, and life's not so wonderful. Could sticking up candy stores across Las Vegas be the way to get their long-lost Dad back? Now with a sneak peek of Rockoholic and Dead Romantic!

**Michael Rosen's Big Book of Bad Things** Michael Rosen,2010-08-05 A wonderfully exuberant yet poignant poetry collection from one of Britain's greatest children's poets Michael Rosen. Here are tales of childhood, from the horrors of being late for school, to making a raft, and going to a cafe, as well as poems to ponder - just think, how great would Satnav trousers be! Touching, light-hearted and funny, Michael's poems will delight readers young and old. Former Children's Laureate, Michael continuously promotes the need for children's poetry in our education system, and this collection, first published in 2010, has something for everyone.

Why Good People Do Bad Things James Hollis,2008-04-17 Working with the Shadow is not working with evil, per se. It is working toward the possibility of greater wholeness. We will

never experience healing until we can come to love our unlovable places, for they, too, ask love of us. How is it that good people do bad things? Why is our personal story and our societal history so bloody, so repetitive, so injurious to self and others? How do we make sense of the discrepancies between who we think we are—or who we show to the outside world—versus our everyday behaviors? Why are otherwise ordinary people driven to addictions and compulsions, whether alcohol, drugs, food, shopping, infidelity, or the Internet? Why are interpersonal relationships so often filled with strife? Exploring Jung's concept of the Shadow—the unconscious parts of our self that contradict the image of the self we hope to project--Why Good People Do Bad Things guides you through all the ways in which many of our seemingly unexplainable behaviors are manifestations of the Shadow. In addition to its presence in our personal lives, Hollis looks at the larger picture of the Shadow at work in our culture—from organized religion to the suffering and injustice that abounds in our modern world. Accepting and examining the Shadow as part of one's self, Hollis suggests, is the first step toward wholeness. Revealing a new way of understanding our darker selves, Hollis offers wisdom to help you to acquire a more conscious conduct of your life and bring a new level of awareness to your daily actions and choices.

**Bad Things Happen** Harry Dolan, 2009-07-23 A gripping novel about a man trying to escape his violent past and soon becomes a murder suspect when a publisher—and the husband of the woman he's having an affair with—turns up dead. The man who

calls himself David Loogan is hoping to escape a violent past by living a quiet, anonymous life in Ann Arbor, Michigan. But when he's hired as an editor at a mystery magazine, he is drawn into an affair with the sleek blond wife of the publisher, Tom Kristoll—a man who soon turns up dead.

Elizabeth Waishkey is the most talented detective in the Ann Arbor Police Department, but even she doesn't know if Loogan is a killer or an ally who might help her find the truth. As more deaths start mounting up—some of them echoing stories published in the magazine—it's up to Elizabeth to solve both the murders and the mystery of Loogan himself. Witty, sophisticated, suspenseful and endless fun...the best first novel I've read this year. —Washington Post A hypnotically readable novel, with...dialog worthy of Elmore

Leonard.—Douglas Preston Fans of Peter Abrahams and Scott Turow will find a lot to like.—Publishers Weekly (starred review)

**Bad Things** Nancy Bush, 2019-06-25 Some mistakes you have to live with . . . One victim succumbs to an overdose. Another is brutally bludgeoned to death. Each, in turn, will pay. Because you never forget the friends you make in high school—or the enemies . . . And others . . . In the wake of her stepbrother Nick's death, Kerry Monaghan is visiting Edwards Bay. Kerry has just returned to the small town overlooking an arm of Puget Sound that she left before high school, though not before falling hard and fast for Cole Sheffield, now with the local PD. But Nick's death may be more than an accident. And soon there are others—all former teenage friends, linked by a

dark obsession. You will die for . . . With Cole's help, Kerry sets out to learn the truth about what happened to Nick. But within Edwards Bay is a shocking legacy built on envy and lust—and a secret that has unleashed a killer's unstoppable fury . . .

**When Bad Things Happen to Privileged People** Dara Z. Strolovitch, 2023-07-05 A deep and thought-provoking examination of crisis politics and their implications for power and marginalization in the United States. From the climate crisis to the opioid crisis to the Coronavirus crisis, the language of crisis is everywhere around us and ubiquitous in contemporary American politics and policymaking. But for every problem that political actors describe as a crisis, there are myriad other equally serious ones that are not described in this way. Why has the term crisis been associated with some problems but not others? What has crisis come to mean, and what work does it do? In *When Bad Things Happen to Privileged People*, Dara Z. Strolovitch brings a critical eye to the taken-for-granted political vernacular of crisis. Using systematic analyses to trace the evolution of the use of the term crisis by both political elites and outsiders, Strolovitch unpacks the idea of "crisis" in contemporary politics and demonstrates that crisis is itself an operation of politics. She shows that racial justice activists innovated the language of crisis in an effort to transform racism from something understood as natural and intractable and to cast it instead as a policy problem that could be remedied. Dominant political actors later seized on the language of

crisis to compel the use of state power, but often in ways that compounded rather than alleviated inequality and injustice. In this eye-opening and important book, Strolovitch demonstrates that understanding crisis politics is key to understanding the politics of racial, gender, and class inequalities in the early twenty-first century.

They Did Bad Things Lauren A. Forry, 2022-03-01  
And Then There Were None meets The Last Time I Lied in this dark and twisty psychological thriller—now in paperback In 1995, six university students moved into the house at 215 Caldwell Street. Months later, one of them was found dead on the sofa the morning after their end-of-year party. His death was ruled an accident by the police. The remaining five all knew it wasn't, and though they went on with their lives, the truth of what happened to their sixth housemate couldn't stay buried forever. Twenty years later, all five of them arrive—lured separately under various pretenses—at Wolfheather House, a crumbling, secluded mansion on the Scottish isle of Doon. Trapped inside with no way out and no signal to the outside world, the now forty-somethings fight each other—and the unknown mastermind behind their gathering—as they confront the role they played in their housemate's death. They are given one choice: confess to their crimes or die. They Did Bad Things is a deviously clever psychological thriller about the banality of evil and the human capacity for committing horror.

**Very Bad Things** Susan McBride, 2014 Katie never thought her boyfriend Mark would cheat on her, but

the proof is in the photo that people at their boarding school can't stop talking about. Mark swears he doesn't remember anything. But Rose, the girl in the photo, is missing, and Mark is in big trouble. Because it looks like Rose isn't just gone . . . she's dead.

**Six Bad Things** Charlie Huston, 2005-06-28 Hank Thompson is living off the map in Mexico with a bagful of cash that the Russian mafia wants back and many, many secrets. So when a Russian backpacker shows up in town asking questions, Hank tries to play it cool. But he knows the jig is up when the backpacker mentions the money . . . and the family Hank left behind. Suddenly Hank's in a desperate race to get to his parents in California before anyone can harm them. Along the way he'll face Federales and Border Patrol, mafiosi and vigilantes, extortionists and drug dealers, and a couple of psychotic surf bums with an ax to grind. From the golden beaches of the Yucatán to the seedy strip clubs of Vegas, Charlie Huston opens a door to the squalid underworld of crime and corruption—and invites the reader to live it in the extreme.

Bad Things Happen Here Rebecca Barrow, 2022-06-28 Seventeen-year-old Luca lives on Parris, an idyllic but cursed island with a history of unsolved deaths, but when Luca's sister becomes the latest victim, she is determined to find the murderer and soon comes face to face with the curse she has been running from her whole life.

*Six Bad Things* Charlie Huston, 2005-06-28 Hank Thompson is living off the map in Mexico with a bagful of cash that the Russian mafia wants back

and many, many secrets. So when a Russian backpacker shows up in town asking questions, Hank tries to play it cool.
